## **William E. Allen**

William E. Allen, 93, a Southern Baptist missionary to Brazil for more than 40 years, died June 5 at a nursing home in Matthews, North Carolina.

Allen, whose career centered on leadership training and then Bible publishing, retired in 1962 to Wingate, North Carolina. His wife, Edith, died in June, 1980.

A member of First Baptist Church, Wingate, he had been active in the congregation until entering the nursing home nearly five years ago.

After missionary appointment in 1921, Allen taught Greek and New Testament to future Brazilian Baptist leaders at the former Baptist College and Seminary in Rio de Janeiro. When the seminary became a separate entity in 1936, he became head of its New Testament department.

The last 21 years of his career were spent as an editor with Bible Press of the Brazilian Baptist Convention. He contributed to a Portuguese Bible translation that was first published in 1944 and was assisting in another revision when he retired. He also wrote a commentary on Acts and the New Testament letters and translated a harmony of the Gospels.

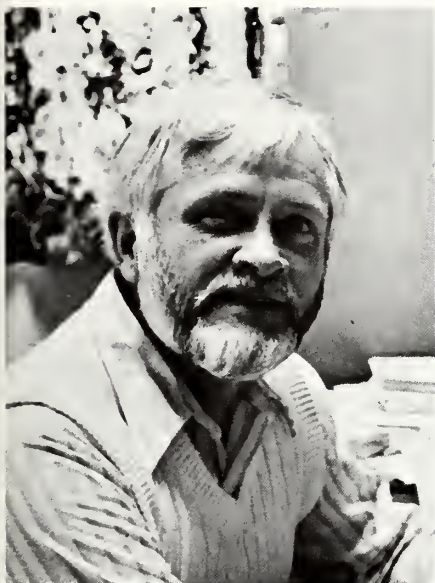

A younger missionary who worked with Allen on the Portuguese Bible translation joked, "...when I insist on my point of view, I am just being firm, but when he insists on his point of view, he is being obstinate." Still, the missionary noted, "W. E. Allen is God's man. How I thank God for him and the privilege of working with him."

Allen also served as a pastor during much of his career, 20 years at one Rio de Janeiro church, 14 at another.

The Allens regularly kept a jar atop a cabinet filled with money for helping people in need. A story is told that Allen once was puzzled when it suddenly became empty. After learning that his wife had given the money for a church-related need, he remarked, "That's all right. I didn't want us to waste it on food or something like that."

A native of Amory, Mississippi, and graduate of Mississippi College, Clinton, Allen earned master's degrees from Southwestern Baptist Theological Seminary, Fort Worth, Texas, and Colgate University, Hamilton, New York. He worked in state missions in Mississippi before going to Brazil.

## Don Bearden

Don Bearden was not like any man I've ever known. At first glance, he seemed like a full-sized "Papa Smurf" with graying hair and neat, mostly gray beard that covered his face except for that smile. His smile radiated not only from the mouth but from the eyes, even the countenance. That countenance lifted me on the dreariest of days.

When I first met Don, I was a sophomore church music major at Mars Hill College and he had been assigned to me as an advisor. I walked in his office, introduced myself, and he said, "Anna, sit down and tell me about yourself!" Such interest in me, I could not have imagined, let alone verbalize. But I began to know Don and the more I knew, the more I liked him.

He recognized in me a higher calling for music, a sort of goal of ministry through music that no other professor dared identify. In fact, other professors and students seemed to urge me to go another route with my music, "You know, there's not much money in church work," they'd say, "and you ought to get a teaching certificate so at least you'd have something to fall back on."

But not Don. He listened to me, encouraged me, taught me, helped me, believed in me, and ultimately gifted me by causing me to realize a dream and a goal I'd been struggling with for years before I ever got to college.

After college, I met a wonderful man with whom I knew I must share my life, and Don, Barbara, and Clint got to know him. We all grew closer together as friends and co-laborers. We lived in Weaverville so we were together often while the Beardens were still at

Mars Hill. Our families were enriched by the bond that drew us close together as friends. When Don left Mars Hill, I was saddened not only because we would be apart in greater distance and our time together would surely be decreased, but I was saddened for future students as well. I realized that there would be no one quite like Don to influence students in such a way as he had influenced me. No one quite like him to listen and guide and offer himself however he was needed. No one to laugh with you and cry with you when college life got to be overwhelming. No one to help you see what you really wanted somewhere out there after the days of college were long gone.

I know I speak for countless other students when I say, "thanks, Don." You gave us something we can never lose, something we can never forget. You were joy to us when doubt and despair seemed to encompass us. You believed in us when we could not believe in ourselves. Most of all, you were God's servant in a time when they are so hard to find.

And God used you in a quiet, unassuming way to make each of us see Him in a clearer light, in the light of a bouncing, cheerful man, who had a kind word for everybody, in the light of an encourager to all those around him, in the light of one who always put people first before things or schedules or methods or theories, in the light of one who truly cared. We shall miss you. The greatest tribute we could bring to you is for your life to live on in us for the rest of our time.

God, give us the grace to do just that.

## **Robert Lee Costner**

"He quietly, gently guided me in my search for God and the Christian way of life." Those words, written upon learning of the death of Robert Lee Costner, express the way many of us remember him. When Bob's death occurred on October 22, 1985, we were moved to recall the profound influence he had on our lives. As pastor, director of missions, and as friend he had been there when many of the most important decisions of our lives were made. Without force, but firmly and unrelentingly, he led us to acknowledge God's claim on us and to face honestly the response required of us.

While he had his share of success as the world measures it, that is not the way Bob is best remembered. Membership of churches he pastored always increased, but we loved him because he loved and cared about us as children of God, not statistics. He led the Raleigh Baptist Association in the planting of many new churches in the decades of the sixties and seventies, but we remember him for planting in our consciences the seeds that led us to become better people and called us to a commitment to the will of God in our lives. His congregation needed church houses, and so he led them in building well planned and attractive structures costing hundreds of thousands of dollars. But we remember him with hammer in hand, working with his congregation as he made his place beside them.

Genuine concern for people was an unwavering characteristic of Bob Costner. He wanted only the best for everyone. He saw the best side of each person, yet one friend remembers that he could spot a phony every time! He never compromised the truth as he understood it, and he preached with a clarity and confidence that left no doubt about his own convictions.

Bob's identification with people in a very personal way is perhaps best illustrated by his military service during World War II. Exempt from the draft as a minister, he said of others not so fortunate, "These are my friends and I must be there with them to help." He said it was not the government calling him into service, but God. He served with the Air Force in Germany and then volunteered for duty with the 101st Airborne Division in France, Holland and Germany. As a chaplain with the rank of major, he made numerous jumps behind lines to be with his men. After the war, while awaiting passage home, he organized a "prophets" group for Bible study. Some of those men came home to serve as ministers in several states.

Bob is remembered by others as a college student serving as state BSU president. He was an unlikely prospect for college, not having the money to attend. That circumstance never deterred him, and he attended Mars Hill and Wake Forest Colleges, and Southern Seminary. It was at Mars Hill that he met his life's companion and source of strength, Ruth Yates. It was to be at Mars Hill, many years later, that their two daughters and son would each also meet the persons who were to become their mates.

Bob held pastorates in North Carolina at the Guilford Baptist Church, Guilford College; at the Knightdale Baptist Church from 1946 until 1951; and at the Westwood Church in Durham. From January 1958 until his retirement in February 1978, he was Director of Missions for the Raleigh Baptist Association. Then, after three years of semi-retirement, he became pastor of Colonial Hills Church in Hillsborough, which he served until April 1985.

At the beautiful memorial service to celebrate Bob's homegoing, and in the hundreds of notes to the family, the one thought that ran throughout was Bob's genuine concern for people—all people. There are hundreds who can attest to his very personal interest in them. It was Bob Costner who influenced this writer and re-directed my career choice. It was Bob Costner who led my husband into an active role as a Baptist layman. It was Bob Costner who had time and patience for the young pastors of the Association, causing one to write that he was young, green, and thought he knew all the answers. He continued, "It was the patient, understanding work of Bob Costner that helped me through some rough spots."

Another pastor remembers, "I depended upon him to give me guidance and direction. Without his help in those early years, I would have made blunders that would have been detrimental to my ministry. He was never too busy to see and advise me. He was indeed a true friend to all of us."

And that is just what he was to all who came under his influence. His son, David, chose to walk with his father's casket at the cemetery service because he remembered his Dad saying that it was a fortunate man who had one friend to walk the last mile with him. Bob was "friend" to his son. He was also friend to the hundreds who were close to him. He sacrificed self and health to walk some difficult miles with many of us. We miss him.

## **Benjamin Coleman Fisher**

Benjamin Coleman Fisher (27 May, 1915-3 November, 1985) was born in Webster, North Carolina, the son of the late Ben F. and Amy (Long) Fisher. After graduating from Fruitland Institute (then a Baptist high school) in 1933, he completed post-secondary programs of study at Wake Forest University (A.B., 1938) and Andover-Newton Theological School, Newton Centre, Massachusetts (M. Div., 1942), in further preparation for the pursuit of his calling to the work of the Gospel Ministry. In later years, he did additional graduate studies at the University of North Carolina-Chapel Hill (1946), and served as a Research Scholar at the European Baptist Theological Seminary, Ruschlikon, Switzerland (1977 and 1979). He was also the recipient of honorary degrees from Campbell University, Grand Canyon College, Mercer University, and Wake Forest University.

Having been ordained to the Gospel Ministry by First Baptist Church, Canton, on May 3, 1938, Fisher served as pastor of the Castalia and Peachtree churches (Nash County), 1938-39; First Baptist Church, Nashville, 1942-45; and First Baptist Church, Newton, 1945-47. Thereafter, his service to the denomination lay chiefly in the fields of education and educational administration, culminating with his tenure as executive director-treasurer, Education Commission of the Southern Baptist Convention, 1970-78. The intervening years had found him serving the educational world in varied capacities, as follows: Chairman, Department of English, Gardner-Webb College, 1947-48; Executive Assistant to the President and Director of Public Relations, Gardner-Webb College, 1948-52; Executive Secretary,

Department of Christian Education, General Association of Baptists in Kentucky, 1952-54; Administrative Assistant to the President, Director of Public Relations, and Professor of Christian Education, Southeastern Baptist Theological Seminary, 1954-62; and Executive Secretary, Council on Christian Higher Education, Baptist State Convention of North Carolina, 1962-70.

Upon retirement from his position as Executive Director-Treasurer, Education Commission of the Southern Baptist Convention, Fisher purchased a home adjacent to the campus of Chowan College, Murfreesboro. He continued to be in demand as a speaker and a consultant in the field of Christian Higher Education—denominationally and ecumenically—until the last few months of his life, when the effects of ill health necessitated curtailment of all outside activities. Until the time of his death, Fisher continued to be retained as a Consultant to the Education Commission, Southern Baptist Convention; Adjunct Professor of Religion and Educational Consultant to the President, Campbell University; and as a member of the Board of Advisors, Chowan College.

Married to the former Sara Gehman of Ambler, Pennsylvania, on December 27, 1940, he was the father of two sons: David Lincoln Fisher and Hugh Robert Fisher. He is survived by his wife and two sons.

A “giant” of a man in body, mind, and spirit, Ben Fisher possessed a keen intellect and a broad perception of the basic issues at stake in maintaining a strong and viable program of denominationally-sponsored, church-related higher education. He was widely respected in his field—a respect which issued in his being named to numerous positions of leadership in higher education, regionally and nationally. He was the recipient of numerous citations and other honors indicative of his contributions to Christian higher education and of his advocacy of the role it must continue to play in a pluralistic and increasingly secular society.

A gifted “storyteller”—particularly of that brand of life and humor native to his beloved North Carolina mountains—Fisher was adept at using this gift to entertain, to instruct, and to inspire.

In the face of all of his attainments, Ben Fisher retained an unshakable faith in a personal God who has revealed himself in Jesus Christ. It was that same unshakable faith which he perceived as the foundation-stone for Christian higher education which would be both faithful to the Christian community which sponsors/supports it and adequate to the challenging demands of life in the secular world.

## John Grason Hicks

The motto of Buncombe County is "Men to Match Our Mountains." John Grason Hicks was that kind of a man. Tall, distinguished, strong, stable, solid, and respected are just a few of the attributes that made John G. Hicks stand head and shoulders above most men. He was compassionate, kind, and understanding. He was truly a Christian gentleman.

John was born in Cleveland County, North Carolina February 16, 1917, one of thirteen children. He was the third child and first son of Joe and Besless Hicks, devoted Christian parents. John soon realized the importance of a Christian life, and at the age of twelve, surrendered his life to Jesus Christ. As John sought God's will in his life he entered and graduated from Gardner-Webb College with an Associate in Arts Degree. He went on to Wake Forest College where he graduated with a Bachelor of Arts Degree. It was at the age of twenty-one that John surrendered to preach the Gospel. God opened the door for John to attend and graduate from Southern Baptist Theological Seminary in Louisville, Kentucky.

It was at Southern Seminary that John met, dated, and married Martha Eller, a student at Woman's Missionary Union Training School of Southern Seminary. John and Martha have three children. Mary Beth, a first year student at Southern Seminary and graduate of Gardner-Webb College, has committed her life to full time Christian vocation in the area of Christian counseling. Two sons, Mike and David, work and reside in Asheville.

John's life and ministry was spread over several states. Kentucky will

remember him as a young seminary student pastor. North Carolina claims him as a native son where he served pastorates in the piedmont and mountain areas of the state. South Carolina borrowed him when he became pastor of Mon-Aetna Baptist Church in Union, South Carolina. John longed for the hills and mountains of North Carolina. The Lord opened a door in Asheville with the Westwood Baptist Church where he served as pastor until he was called as Director of Missions for the Buncombe Baptist Association in 1972. John also served as trustee of Southeastern Baptist Theological Seminary, offering advice and assistance when called upon.

During the years 1972-1984 Buncombe Baptist Association experienced a great amount of growth on several fronts. Financial giving, programs, ministry, and an increase in staff moved the association forward in a good and positive way. John's easy going, pleasant, persuasive, stable style of leadership nurtured a spirit of cooperation and love not only in the Buncombe Association, but also across the state of North Carolina. John was well liked by his peer Directors of Missions across the state.

In December, 1983, John became ill and underwent two major surgeries. The following year was filled with hope and despair. Finally, the victory came when he went home to be with the Lord on January 13, 1985.

It was my honor and privilege to labor with this Christian gentleman for seven years. He was a model Christian.

## **Rebecca Jean Morris Lewis**

Jean Lewis (Mrs. John M. — nee Rebecca Jean Morris) died March 27, 1985 at 64 years of age. She was “first lady” of the First Baptist Church of Raleigh for over 25 years.

Mrs. Lewis was born in Richmond, Virginia on June 26, 1920. When she was three years of age her family moved to Florida where she grew up as the only child in her family. While she was a student at Stetson University in DeLand, Florida she met John Moore Lewis, a fellow student, who later became her husband on June 20, 1944.

Jean’s life was a classic illustration of the truism that “ministry” is often defined in terms that are much too narrow. She was not a minister in the formal sense, but she made a ministry out of being a wife, a mother, a homemaker, and a helpmeet.

Many people in her church family at First Baptist called upon her for counsel and guidance in matters large and small. Her wise and kind advice was sometimes couched in cryptic language, but never without love and tender concern.

One of Jean’s valuable gifts to Southern Baptists, and especially to North Carolina Baptists, was to make it possible for her pastor-husband to assume state-wide and convention-wide responsibilities. She did this not only as a grace to her husband, but through him as a service to the larger family of her beloved church and denomination.

Through the years Jean’s uninhibited and spontaneous manner became a legend. In any meeting other than a formal worship service she was as apt as not to interrupt the speaker with a very provocative question, a well-placed “Amen,” or a straightforward remark such as

"I do not agree," or "That is wrong!" or "You don't believe that yourself!" Her pastor-husband, John, was sometimes himself the target of one of these arresting interruptions. He has said about her recently that at least she never challenged him while he was in the pulpit.

To those who did not know her, these unexpected interruptions were sometimes a shock, but for those who knew her they were refreshing and thought provoking. They certainly served to keep the speaker on his or her best behavior.

Jean was a devoted wife, a loving mother of three children, and a proud grandmother of one grandson and two granddaughters.

Those who knew Jean best found her to be very sophisticated in both philosophy and theology though she had formal training in neither. This can be illustrated best by two things which came to light at the time of her death.

First, she willed her body to the medical school at the University of North Carolina in Chapel Hill so that anything that could be learned from the study of her earthly remains may be used for all time to come for the benefit of mankind.

Second, it was her wish that a marker be placed on her Ridgecrest, North Carolina property bearing the simple statement of faith, "alive in the mystery of the Resurrection."

## **Eugenia Sue Riddle**

God selected one of His most dedicated servants when Eugenia Sue Riddle went home to be with Him on April 26, 1985. Sue was born in Erwing, Kentucky on February 27, 1928 and began early to prepare herself for Christian service. A baccalaureate degree cum laude from Georgetown College and a Master of Religious Education degree from the WMU Training School in 1951 were foundational in the extensive service she was later to give in numerous areas of the Lord's work.

After serving as a summer missionary for the Home Mission Board in Oregon and Washington and a pastor's secretary in Oklahoma City, Sue married Ray Riddle in 1952 with whom she was to serve the Lord through the U.S. Air Force Chaplaincy for 22 years. Sue worked with the women of the chapel and in Sunday School while in the Air Force. A gifted musician, Sue used her talents freely in the music program of the chapel and later as she worked with her husband at Mountain View Baptist Church in Black Mountain, North Carolina. A talented teacher and lecturer, she was active in Christian Women's Club, Buncombe Baptist Association, and served on the resolutions committee of the Baptist State Convention of North Carolina for several years. She was a member of the Memorials Committee at the time of her death.

Sue Riddle was an excellent writer and was active in the Blue Ridge Christian Writers' Conference, which she served as a member of the Board of Directors and later as the assistant director. In August 1985, the Blue Ridge Christian Writers' Conference established the Sue Riddle Memorial "in memory of her outstanding physical, material

and spiritual contributions to the conference. A Christian Service Award will be given annually to an individual who has shown the same kind of self-giving spirit exemplified by Mrs. Riddle."

Sue Riddle was on the staff of Ridgecrest Baptist Conference Center for several years, having been appointed Purchasing Agent only a few months prior to her untimely death. She is survived by her husband and three sons, Allen, Mark, and Timothy.

## John L. Ryberg

John L. Ryberg, 60, pastor of First Baptist Church, Smithfield for 24 years, died December 13, 1984, at North Carolina Baptist Hospital in Winston-Salem where he had been a patient for two weeks. Death was attributed to heart failure. Funeral services were held December 15 in the church with burial at Riverside Cemetery in Smithfield.

A native of San Antonio, Texas, he had served as associate pastor of First Baptist Church, Atlanta, Georgia, when Roy McClain was pastor; also as pastor of Capitol View Baptist Church in Atlanta; and in Royal Ambassador work with the South Carolina Baptist Convention.

At his death, he was chairman-elect of the *Biblical Recorder* board of directors, a position he had held on two previous occasions. His contributions to the Recorder were immeasurable. In his own quiet manner, he championed editorial freedom for the paper and his leadership perpetuated that freedom. He also believed in freedom of the pulpit and exercised it without limitation.

His philosophy of the church was capsuled in this oft-repeated quote: "A church's ministry, if it is to be effective, must be intellectually respectable, socially responsible and spiritually redemptive."

In the turbulent 1960s, he was chairman of the Smithfield Good Neighbor Council, "greatly influencing the community's sober acceptance of the challenge of racial integration," according to Thomas J. Lassiter, church historian. He introduced a resolution against the Ku Klux Klan at the Baptist State Convention in the mid-1960s which passed unanimously. When Martin Luther King, Jr. was

killed in April, 1968, he spoke at many public gatherings in the community in an effort to diffuse the feelings that were created.

He is survived by a brother, Macon H. Ryberg of Edmonds, Washington, and two sisters, Mrs. Marjorie Brumley of San Francisco and Mrs. Myrtle Pace of San Antonio.

## Colin Stokes

Colin Stokes was a man of simplicity and directness, just like his name itself. His life was a steadfast journey guided by his faith in God, his allegiance to his own church, The First Baptist of Winston-Salem, and his belief in the integrity of the Christian family, proven by his devotion to his own family. From boyhood to manhood, his works reflected the man: hard work, faithful to the call of duty, always being a giver instead of a taker, and never seeking credit or public acclaim.

However, public acclaim sought him out. He graduated from Reynolds High School in Winston-Salem, then from the University of North Carolina, from which he moved into his lifetime career with R. J. Reynolds Tobacco Company. He advanced all the way from the starting ranks in the factories to the topmost leadership position as Chairman of the Board and Chief Executive. He served his home church, his community and his state in countless useful leadership positions: Chairman of the Board of Wake Forest University, also of the Bowman Gray Medical School Board of Visitors, and Chairman of the Independent College Fund of North Carolina. He never wavered in placing first the nourishment of his home church, where he served in almost every leadership position through the years, including Chairman of the Deacons and Lifetime Deacon.

He believed in family continuity and tradition. He never forgot the 40 years in which his grandfather, Dr. Henry A. Brown, was pastor of First Baptist Church of Winston-Salem, was the founder of the Pilot Mountain Baptist Association in October, 1885, and was one of the most beloved and respected pastors of churches of all denominations in Forsyth County.

Colin Stokes was married to Mary Louise Siewers of Winston-Salem, and they were blessed with three children, Louise Stokes Kinken, Henry S. Stokes and Daniel S. Stokes, and five grandchildren.

Surely, he was one of God's chosen laymen, who gave with outstanding generosity of his means, of his time, his leadership and service to his fellow man.

Those who plan to present resolutions to the Convention for consideration are urged to submit a copy of the resolution to the Committee well in advance of the Convention. This will not only give the Committee more adequate time to consider the resolutions, but will also make it possible to print the proposed resolutions in the Book of Advance Reports.

institution of the Convention shall serve as chairperson of this committee.

The North Carolina Brass Ensemble with James Davidson, director, presented a program of music as messengers and visitors assembled for the 155th annual session of the Baptist State Convention of North Carolina. Beginning at 6:35 p.m., the music included "Crown Him With Many Crowns"—Elvey; "All Creatures of Our God and King"—arr. Nelhybel; "Holy, Holy, Holy"—arr. Kerr; and "Cornerstone"—Kirkland. The musicians were introduced by Charles Gatwood, Raleigh, director of music for the convention.

2. Roy J. Smith, General Secretary-Treasurer of the Convention, presented President Norman A. Wiggins with a gavel made by Gordon Gibbs of Raleigh.

3. The Annual Session was called to order at 6:45 p.m. by the president.

4. Mr. Gatwood led the assembly in singing "All Hail the Power of Jesus' Name," followed by silent prayer at the president's request for this convention, the 36 other state conventions soon to be or now in session, state and Southern Baptist leaders, the president of the United States, Baptist institutions, missions and other work of Baptists.

5. Forrest C. Feezor of Shelby, retired pastor and former General Secretary of the Baptist General Convention of Texas, was introduced by the president and brought the invocation.

6. Second Vice President William E. Poe, Charlotte, introduced Mayor Harvey Gantt who officially welcomed messengers and visitors on behalf of the City of Charlotte and presented a key to the City to President Wiggins.

7. A. Lee Royal, Charlotte, chairman of the Committee on Enrollment, reported that as of 6:45 p.m., 2,239 persons had registered; 767 were pre-registered; 1,472 registered after arrival; and 77 visitors had registered.

8. Z. Warren Mallard, Charlotte, chairman of the Committee on Local Arrangements, reported on arrangements for the convention. He said that James Ballard, Sharon Church, would be in charge of ushers; Joe Burnette, First Church, tellers; Roger Coward, Providence Church, telephones; Mary Dodd, Hickory Grove Church, decorations and flowers; Dan Silver, Shady Grove Church, Cherryville, parking and police attention; Grady Faulk, Stough Memorial Church, Pineville, registration; Frank Marks, Eastern Hills Church, hospitality; Terry Smith, First Church, information booth.

9. Ann G. McAnear, Ridgecrest, chairman of the Program

Committee, moved that the program as printed with other adjustments that may be necessary, become the order of business for the 155th session. The motion carried.

10. The assembly was led in singing "Share His Love" by Mr. Gatwood.

11. James D. Russell, Perkinsville Church, Boone, spoke during the period of worship.

The Scripture was Acts 4:23-31. The message began with prayer and centered on the theme, "Good News North Carolina, God Loves You." It is a theme that should be developed into human experience.

He quoted from Dean Kelly's book, "Why Conservative Churches are Growing," that in 1970 all major denominations in the U.S. were dying with one exception—Southern Baptists.

"Is it a statement of fact? In N.C. from 1982 to 1984 we lost 52 churches. The number of people won to Christ in those two years diminished by 3,887. These appalling facts occurred when we were supposedly engaged in "Bold Missions Thrust."

"Our themes need to grow into a vision, a vision of what God can do in and through us. We need a great awakening. God is willing. Are we?"

12. Woman's Missionary Union President Bea McRae, Lumberton, and Nancy Curtis, Raleigh, executive director, presented the report of Woman's Missionary Union.

13. With First Vice President J. Dewey Hobbs, Winston-Salem, presiding, past presidents of the Convention were introduced and presented plaques: Allen Bailey and Mrs. Bailey; Claud Bowen and Mrs. Bowen; Mark Corts and Mrs. Corts; W. Perry Crouch, former General Secretary-Treasurer, and Mrs. Crouch; Tom Freeman and Mrs. Freeman; Howard Ford and Mrs. Ford; John Lawrence and Mrs. Lawrence; A. L. Parker and Mrs. Parker; and Coy Privette. President Wiggins presented a framed photograph and plaque to Forrest Feezor, the picture being taken on a recent visit to Campbell University.

14. The presidents of institutions and agencies of the Convention were recognized with their trustees and directors.

15. Southern Baptist Convention visitors were recognized: Ernest Sandifer of the Executive Committee and Stewardship Commission; and Larry Phillips, North Carolina missionary to Peru, representing the Foreign Mission Board.

### **28. Resolution of Appreciation**

WHEREAS, the 155th annual session of the Baptist State Convention of North Carolina is meeting in Charlotte, with the theme "Good News, North Carolina, God Loves You"; and

WHEREAS, we are indebted to the various committees and personalities for arranging and conducting the session of our Convention;

THEREFORE we express gratitude to these leaders, our host city and its citizens for making available the physical facilities both for our deliberative assembly and for our personal accommodations.

Mr. McEachern moved adoption and the motion carried unanimously.

### **29. Resolution on Religious Liberty**

WHEREAS, 16th and 17th century Baptists in Europe maintained the right of individuals and groups to worship God in their own way and to believe in God or to disbelieve in Him; and

WHEREAS, these early Baptists, who believed individual conscience stood supreme to government, maintained that church and state should forever remain separate; and

WHEREAS, many of these early Baptists were drowned, boiled in oil, and burned at the stake, because they were not tolerated due to their religious views; and

WHEREAS, Baptists came to America to seek religious liberty, led by Roger Williams in 1630, first to the Massachusetts Bay Colony; and

WHEREAS these Baptists were jailed, whipped and banished from Massachusetts because they were not tolerated for their views on church and state separation; and

WHEREAS, in 1638 Roger Williams founded Rhode Island Colony, with a guarantee of religious liberty and separation of church and state; and

WHEREAS, the Baptist movement with its belief in religious liberty spread to other colonies, including the Carolinas; and

WHEREAS, the Constitution of North Carolina now in force declares under Article 1, Section 13, that "All persons have a natural and inalienable right to worship Almighty God according to the desires of their own consciences, and no human authority shall, in any case whatsoever, control or interfere with the rights of conscience."

THEREFORE, BE IT RESOLVED that the messengers of the North Carolina Baptist State Convention meeting on November 11-13, 1985, in Charlotte, North Carolina, reaffirm our historic witness to religious liberty and to separation of church and state, by declaring the right of every individual to freedom of thought, conscience and religion; and

BE IT FURTHER RESOLVED that we encourage our people to pray for those throughout the world who are suffering persecution for their religious beliefs and practices.

Submitted by: Roger Sharpe, Raleigh

Mr. McEachern moved adoption and the motion carried with one dissenting vote.

### **30. The Resolution To Support North Carolina's New Law on Obscenity.**

WHEREAS, through the diligent efforts of The Legislative Network of our Christian Life Council, The Christian Action League, many dependable representatives in our State Legislature, and many concerned pastors and other civic minded citizens over our state we now have "The New Comprehensive North Carolina Law On Obscenity, Material Harmful to Minors, Child Exploitation and Child Prostitution," recognized as being one of the best such laws within our nation; and

WHEREAS, it has come to our attention that owners of adult book stores, dealers in pornography, newspaper editors, television stations, radio stations, and the mass media in general seem to be committed to telling the public that this new law is unconstitutional; that it is undue censorship, and that it limits liberties that should properly belong to our people; and

WHEREAS, we are convinced that this law is constitutional and is a law long overdue in our state and sorely needed to protect our society from the flood of that which contributes so much to crime and sexual abuse.

THEREFORE, we, The North Carolina Baptist Convention, meeting in

Charlotte in this 155th session do hereby resolve:

1. That we go on record giving our hearty approval and full support to this new law concerning obscenity and pornography;
2. That we express our appreciation to our Christian Life Council, to The Christian Action League, to every member of our State Legislature who supported this law, and to every civic minded citizen who helped to make it a reality;
3. That we appeal to the newspaper editors, television and radio stations and mass media in general to give the public a fair law;
4. That we return to our respective communities to make known our support for this law to our news agencies, our State Legislators, our courts, and our law enforcement agencies; and
5. That copies of this resolution be sent by our General Secretary-Treasurer to the Governor of our state, to the Attorney-General, to every District Attorney in our state, and to every person presently serving in our State Legislature and that it be released to the press for public information.

Mr. McEachern moved adoption and the motion carried unanimously.

31. Tom Womble, Clemmons, reported on the \$3 million capital improvement campaign for Caswell Assembly at Southport. He said that beginning next year 31,000 persons would be sought for contributions of \$100 each. A film strip on Caswell Assembly was presented.

32. Jim Greene, Raleigh, director of the Division of Youth and Campus Ministries, reported on the two-year-old Togo project and introduced Jacqueline and Walter Ford, construction project directors, and Julia and John Moore, returned hosts for N.C. volunteers in Togo. Mr. Ford and the Moores spoke briefly and persons who have served in Togo were asked to stand in recognition.

33. Mr. Gatwood led the assembly in singing "Higher Ground."

34. John Hunt, Long Leaf Church, Wilmington, spoke during the period of worship.

His Scripture text was 2 Kings 7:1-9 and he spoke on "The Miracle of the Lord." He said that his church is in a non-growing community without a new home in the community in 45 years, yet last year over 200 people were baptized.

Citing problems of the lepers in the Scripture, he said that someone has said all our churches have problems. Even so, God still has a divine plan and wants to do something in our churches.

He concluded that one of the most important works in our churches is personal soul winning.

35. President Wiggins outlined the duties of the General Board and introduced John Bunn, Sylva, president of the Board, for presentation of the Board's report which was printed in full in the October 26 issue of the *Biblical Recorder*.

36. Mr. Bunn asked that all retired pastors and convention workers

stand for recognition.

37. Henry Crouch, Charlotte, presented the program emphasis for 1986-1990 and moved adoption of two recommendations:

(1) Establishing New Work with goals by 1990 to be 250 new churches, 500 new work units, 500 families each year sponsoring work, \$10 million corpus for church loans, increased giving through Cooperative Program and special offerings, and "Good News America" simultaneous revivals.

(2) Spiritual Growth, with goals by 1990 to be each church with continuing intercessory prayer activities, one million persons enrolled in Bible study, 400,000 persons enrolled in discipleship training, 2,000 churches conducting stewardship emphasis annually, 300,000 persons enrolled in missions education, and 20,000 persons serving as mission volunteers.

The motion carried. (See Nos. 46, 47.)

38. Horace Hamm, Fuquay-Varina, chairman of the Blue Ribbon Committee on Farmers that was appointed by the General Secretary-Treasurer following a motion at the 1984 convention, presented the committee report and moved its adoption:

—That November 24, 1985 be set as Agriculture Appreciation Day in the Baptist churches of North Carolina.

—That every effort be made to recognize the farm families of each congregation.

—That these families be brought into the spotlight of a caring congregation.

—That every pastor make a special point of preparing for that day with the high hope that this attention to the contribution, loyalty, and faithfulness of the farm families of this country will help godly people to remember that much of the great moral strength and fiber of this country has traditionally been taught by and emanated from our farm families.

39. On a point of order, Steve Sells, Greensboro, requested that the moderator for this session ask for the motions and call for the votes. His request was honored by the president.

40. The motion made by Mr. Hamm carried. (See No. 38.)

41. David Langford, Raleigh, reported on plans of Baptist Men to sponsor a 15-acre demonstration farm at Campbell University to help foreign missionaries, local farmers and others with specific farm problems. It will be dedicated November 26, 1985.

42. William E. Poe, chairman of a committee to study the implications of supporting the Christian Action League, reported that the committee had, with the assistance of two lawyers, made an extensive study of the relationship. He said the study arose from use of the Convention's mailing list by the League and the possibility of tax exempt status problems for the Convention and its contributing churches. Recommendations were made by the committee to League directors that changes be made in its charter and bylaws which had permitted it to engage in overt political activity and support of candidates for office. These changes were adopted by League directors along with a clear delineation of how the League functions, a job description for the director of the League and a policy statement

that such political activity is no longer sanctioned. In view of the changes adopted by directors of the League, the committee recommends full funding in the 1986 Convention budget. Contrary to rumors, Mr. Poe said, there has been no escrowing of League funds and at no time has the Convention held funds that have been appropriated for the League.

43. Joe Lennon, Warrenton, spoke favorably on the report and said the League deals with moral and ethical issues only and does not engage in partisan politics.

44. Coy C. Privette, Kannapolis, director of the Christian Action League, expressed appreciation for the committee and moved that the report be adopted. The motion carried. (See No. 104.)

45. Richard Smith, business manager of the Convention, reported that with a goal of \$24 million for 1985, the Convention had received through the first ten months \$18,686,780, a 7.77% increase or \$1,452,000 more than in the same period last year. The Convention has received 98.24% of the Cooperative Program goal for the first 10 months of this year. World Hunger receipts through Oct. 31 are \$964,883, an increase over the same period last year of \$374,615 or a 63% increase. Mexico earthquake receipts are \$3,482. The Convention debt which was \$1,058,051 at the beginning of this year (an internal debt with no outside lending agent) has been reduced this year by \$408,014 leaving a balance of \$650,037. This indebtedness is on the Baptist Building in Cary, Fruitland Bible Institute, the Convention computer and the new wing at Caraway Conference Center. Other receipts include: Foreign Missions, a 22% increase over last year or \$5,885,723; Home Missions, a 6% increase or \$3,159,667; North Carolina Missions Offering, a 12% increase with \$1,610,745 in designated offerings and \$274,590 designated to the recipients for a total of \$1,885,336. There has been a steady increase in Cooperative Program and total gifts over the last seven years and as of Oct. 31, income exceeded expenses by \$425,710.

46. A parliamentary procedure was overlooked in adopting the motion made by Henry Crouch, Charlotte, so in order to avoid question, President Wiggins called for Mr. Crouch to make his motion again. (See No. 37.)

47. Mr. Crouch moved that the Convention go on record as adopting the two recommendations of the program emphasis for 1986-1990. On a vote by standing, the motion carried. (See Nos. 37, 46.)

48. The president recognized Tom Denton, Hillsborough, president of the Christian Life and Public Affairs Council, who led a discussion of what Baptists are doing to alleviate world hunger. Special guests were John Chane, Foreign Mission Board; Nathan Porter, Home Mission Board; and Phil Davis, pastor of Galilean Baptist Mission, Charlotte.

49. Lee Royal, chairman of the Enrollment Committee, reported that 3,763 messengers were registered as of 10:50 a.m. and moved that these messengers and those who will register, shall constitute the convention. The motion carried.

50. Mr. Gatwood led the assembly in singing choruses of "There Is A Name I Love to Hear," "He Keeps Me Singing," and "Take the Name

of Jesus with You.”

51. Mr. Burnette explained the procedure of voting on punched ballots that would be counted by computer.

52. In nominations for president, Tom Freeman, Dunn, nominated William E. Poe, Charlotte (See No. 72.)

53. Mark Corts, Winston-Salem, nominated Ned Matthews, Gastonia. (See No. 72.)

54. Nominations were closed and ballot No. 3 was used for voting. President Wiggins said that announcement of the results would be made from the platform only as early as possible. (See No. 72.)

55. In nominations for vice president, Billy Cline, Asheville, nominated Kenneth Ridings, Hendersonville (See Nos. 72, 133, 146.)

56. Don Bouldin, Charlotte, nominated Leon Smith, Goldsboro. (See Nos. 72, 133, 146.)

57. Dan Jolly, Greensboro, nominated Cline Borders, Shelby. (See No. 72.)

58. Mr. Burnette instructed messengers on voting, using Ballot No. 1. (See No. 72.)

59. Ron Davis, Farmville, asked if ballots were valid if not punched specifically according to instructions. Mr. Burnette was not available to respond so Mr. Davis agreed to have his question answered later.

60. Mal Schuman, Mount Airy, moved that time be extended five minutes so the question might be answered. The motion carried.

61. Mr. Burnette explained the vote counting procedure and moved that in view of apparent confusion, hand counting of ballots be used when ballots are punched on the correct line instead of in a specific block.

62. Dade Sherman, Monroe, requested that vote be taken at this time for second vice president rather than at the scheduled evening program. His request was delayed until after the vote on the motion before the floor.

63. The motion by Mr. Burnette carried. (See No. 61.)

64. The president explained that the order of business was approved by messengers at the Monday night meeting but since there is additional time, voting on the second vice president could take place if there is no objection; however, there would have to be a time extension.

65. Dade Sherman, Monroe, moved that time be extended 12 minutes for election of the second vice president at this time.

66. Paul Craven, Winston-Salem, spoke against the motion.

67. Don Taylor, Asheville, moved the question and in a standing vote, 2/3 majority approved.

68. Motion by Mr. Sherman on extension of time was defeated by 2/3 majority in a standing vote.

69. Mr. Gatwood led the assembly in singing “To God Be the Glory.”

70. Charles Allen, Buies Creek, read Scripture and led in prayer.

71. Gerald Goodwin, Durham, preached the convention sermon which is printed in the November 23 issue of the *Biblical Recorder*.

72. Mr. Burnette reported that William E. Poe was elected president with 1,878 votes or 54.5%; Ned Matthews received 1,530 votes or 44.4%. (See Nos. 52-54.) For first vice president, a runoff is required

between Kenneth Ridings, who received 1,516 or 44.4% of the votes, and Leon Smith who got 1,309 or 38.3% of the vote. Cline Borders got 417 or 12% of the vote. (See Nos. 55-57, 133,146.)

73. John Weems, president of Meredith College, Raleigh, gave the benediction.

## **Tuesday Afternoon—November 12, 1985**

74. Beginning at 2:20 p.m., James D. Reich, organist, presented "Chorale Preludes" on Mercy, St. Elizabeth, and Tallis' Cannon, arr. Gordon Young.

75. With Second Vice President Poe presiding, Mr. Gatwood led the assembly in singing "Blessed Assurance, Jesus Is Mine."

76. Jackson Hoyle, Winston-Salem, led in prayer and John E. Lawrence, Winston-Salem, spoke during the worship period.

His Scripture text was Psalms 92:12-15 and his message, "God Loves You as a Senior Citizen."

He likened the lives of many older people to roses blooming in December. The ingredients for roses to bloom in December are much the same as needed for human December roses.

"We must be the right kind of men and women, converted and committed to Him...We must have a good growing season...proper nourishment...rid our lives of the blight of sin just as roses need spraying...prune out the rotten places...share our lives with others. If a rose bush is to keep blooming, its blossoms must be cut and shared.

"A retiree is faced with the temptation of giving up when now there is more time for bearing fruit for God. Keep on blooming in December," he said.

77. Horace Hamm, Fuquay-Varina, chairman of the Committee on Memorials, moved that the 1985 convention annual be dedicated to the following Baptist leaders: William E. Allen, former Southern Baptist missionary to Brazil; Don Bearden, professor, Mars Hill College; Robert L. Costner, former pastor and director of missions, Raleigh Association; John G. Hicks, director of missions, Buncombe Association; Mrs. John M. Lewis, wife of the pastor of First Church, Raleigh; Mrs. Sue Riddle, member of the Memorials Committee, Black Mountain; John Ryberg, pastor, First Church, Smithfield; Colin Stokes, layman, First Church, Winston-Salem; and Ben C. Fisher, educator, Raleigh. The motion carried. Others who died during the year were R. H. Ashe, Icard; George N. Ashley, Roseboro; Clarence Austin, Sylva; Robert Barker, Murphy; Clyde Baucom, Swansboro; Worth Braswell, Hudson; Vaughn Bryson, Balsam; Molt Buchanan, Spruce Pine; Guy Cabaniss, Shelby; Earl Cable, Murphy; J. C. Canipe, Richmond, Va.; Gay Chambers, Canton; Ovie Cook, Casar; Karen Crissman, Boonville; Joe Crouch, Ayden; Jack Davis, Marshall; Vergie Duncan, Asheville; Roby Eggers, Zionville; Reuben Fields, Evergreen; Fletcher Ford, Smithfield; Dewey Foster, Hays; Thermon Griffin, Williamston; Luther Haas, Lenoir; Robert Holmes, Sr., Ketona, Ala.; John Pack, Marshall; Fred Price, Lenoir; Carlton Prickett, Burlington; Eunice Rhyne, Sanford; Frank Walker, Roaring River; Lee Woody, Spruce Pine; and Mary E. Yarbrough, Raleigh. Michael Hahn, instrumentalist,

played a medley of songs and Mr. Hamm led in prayer.

78. J. D. Grant, Sylva, moved that the convention instruct the Executive Committee and General Board to reconsider the action in which they elected an executive director for Fruitland Baptist Bible Institute. He said this motion has the support of the alumni, faculty and staff of Fruitland. (See Nos. 79-115.)

79. Ray Hodge, Kinston, vice president of the General Board, said that constitutional guidelines were followed in electing this personnel. He asked Del Parkerson, chairman of the Missions Committee, to outline the history of that action.

80. Mr. Parkerson said the action was taken to strengthen Fruitland Bible Institute following a study begun in 1977 which resulted in a \$1 million campaign that made possible several new buildings. In 1981 a committee was appointed to study other ways of strengthening Fruitland and it recommended employment of one or more additional administrative persons at Fruitland. Alex Booth, president of Fruitland, submitted recommendations for implementation of this committee's report with the hiring of an administrative person in 1985. The retirement on disability of Earl Haynes and one other person made possible the employment of an executive director to assume this responsibility and other assignments which the Executive Committee feels will strengthen Fruitland. Mr. Booth was given the choice of positions and he chose to work in the area of academics. Garland Hendricks, Wake Forest, was asked to give further information on the convention's relationship with Fruitland.

81. Mr. Hendricks told about Fruitland studies through the years and said the motion should be defeated.

82. Tommy Robertson, Creedmoor, member of the General Board Missions Committee and Fruitland Advisory Board, said they were not given a chance to discuss this issue before it was brought to the Executive Committee. He said the entire question should be reconsidered by the Executive Committee.

83. Steve Sells, Greensboro, spoke in favor of the motion.

84. Dean Henderson, Waynesville, spoke in favor of the motion.

85. J. A. Richardson, Salisbury, spoke in favor of the motion.

86. Mike Davis, Tryon, said that Fruitland should be in the budget on a percentage basis as are other educational institutions.

87. Phil Bolin, Henderson, spoke in favor of the motion, questioning the budget allocation for Fruitland.

88. General Secretary-Treasurer Smith said that the 1986 budget allocation for Fruitland does not reflect any new salaries and was made prior to any decision to add new staff. The increase in the budget reflects only the undergirding of the overall operation of Fruitland.

89. Tim Burleson, Sylva, said he felt the real issue was not being discussed and he challenged those who opposed John Bunn, who has been employed by the Executive Committee as executive director of Fruitland, to give their reasons.

90. John Chapman, Sylva, spoke in support of Dr. Bunn.

91. J. D. Grant read a resolution that asked for employment of Kenneth Ridings as vice president in charge of development, signed by the faculty and staff before the General Board action. He said the

resolution was never considered by the Board and the position of executive director is not needed at Fruitland.

92. General Secretary-Treasurer Smith said that the purpose of all that has been done is to undergird the work at Fruitland and there is no attempt to change the nature of Fruitland toward a college or seminary, nor is there any other attempt to change the faculty or nature of Fruitland, only to undergird and strengthen its ministry.

93. David Blackney, Horse Shoe, spoke in favor of the motion.

94. Mr. Burnette instructed messengers to vote on Ballot No. 10.  
(See Nos. 78, 115.)

95. With no objection, the time was extended 10 minutes.

96. Mark Corts moved that a committee of nine be appointed to study the feasibility of agency status for Fruitland Bible Institute and report with recommendations to the 1986 Convention. The committee shall be comprised of three General Board members, three Fruitland alumni, a current Fruitland student, one representative of the Council on Christian Higher Education, and Garland Hendricks who chaired the 1982 Fruitland study committee, and that the committee be appointed by the Convention president, the chairman of the General Board, and the General Secretary-Treasurer. The motion carried.

97. David Blackney, Horse Shoe, moved that the Convention "request our Council on Christian Life and Public Affairs to promote the observance in the churches of 'The Sanctity of Human Life Sunday' as calendared by the Southern Baptist Convention, and that such promotion begin in time for the January 1986 observance and that subsequent promotion of this observance, which would be aimed at reversing the policy of abortion on demand in our land, receive budgeting priority to at least the same level as the promotional budgeting for world hunger beginning with the 1987 budget year, and that the Council on Christian Life and Public Affairs report its response to this request to the convention, next year."

98. Second Vice President Poe said this should have been presented to the Resolutions Committee and since that time has passed, it be referred to the Council on Christian Life and Public Affairs. Mr. Blackney said this is not a resolution but a motion.

99. Burt Wilbur, Greensboro, spoke in favor of the motion.

100. The vote was taken by a show of hands and the motion carried.

101. Mr. Gatwood led the assembly in singing "Jesus is All the World to Me."

102. With First Vice President Dewey Hobbs, Winston-Salem, presiding, Mr. Hodge moved that time be extended 10 minutes. The motion carried.

103. John Bunn, president of the General Board, was recognized for presentation of the budget. He said that John Elder had worked with the budget process but has now moved to Missouri. Del Parkerson, Sanford, has assumed chairmanship of the Budget Committee and will bring this report.

104. Mr. Parkerson referred messengers to the budget which was mailed to all pastors. The proposed budget for 1986 is \$25,120,000 with percentage divisions remaining the same as last year. The challenge budget is \$1 million; the State Missions Offering goal is \$1,125,000 with

\$28,000 earmarked for the Christian Action League (See Nos. 42-44.) Mr. Parkerson moved that the budget as approved by the General Board and in the hands of messengers be adopted. (See No. 122.)

105. Larry Watson, Charlotte, asked why funds were not allocated for programs in Pastor/Church Relations. General Secretary-Treasurer Smith said funds were not needed for programs but rather for printing, travel, etc., and that is where the allocation is made.

106. Dade Sherman, Monroe, asked why names were not put alongside positions as previously. Mr. Smith said that positions are being funded and not persons. Mr. Sherman asked about allocations for the car fleet and annuity. Mr. Smith said the annuity plan is explained in the beginning of the budget book and that the car fleet allocation included depreciation and replacement cost. The fleet system, voted in 1977, has saved the Convention \$306,000, and the fleet is now valued at more than \$500,000.

107. Ray Rummage, Maiden, asked about voting at this time on the Missions Offering allocation since the Offering will be considered for possible change in a later vote. (See No. 182.) Mr. Hobbs said that if the recommendation concerning the Missions Offering is not passed, an amendment to the budget would have to be made. Mr. Smith said the particular order of considering the budget first was in response to request made at the convention last year. Mr. Rummage asked if a simply majority or 2/3 vote would be required to amend the budget vote taken at this time. Mr. Hobbs said a simple majority would be required and the parliamentarian concurred.

108. Walter Adams, Maiden, spoke about his concern for Convention salaries and moved that all Convention employees with a base salary of \$40,000 and above be cut 10 percent.

109. Mr. Parkerson, chairman of the budget committee, spoke against the motion.

110. Mr. Poe, second vice president, spoke against the motion.

111. Mr. Adams spoke again in favor of his motion.

112. John Lawrence, Winston-Salem, moved the previous question. The motion passed.

113. The amending motion failed to pass in a vote by standing.

114. John Reid, Sylva, asked what the responsibility of the Convention would be to the person employed as executive director of Fruitland if the Fruitland action is sent back to the General Board. Mr. Hobbs said that the motion was to refer this to the Executive Committee and it would make this determination

115. Mr. Burnette reported that the vote on the Fruitland motion was 1,516 for and 1,555 against. (See Nos. 78-94.)

116. Richard Porter, Clear Creek Church, Mecklenburg Association, spoke about the needs of pastors who have been dismissed from their churches and the lack of funds in the budget to help these persons.

117. Don Taylor, Asheville, made an amending motion that the figure approximating \$45,000 allocated for the salary of executive director of Fruitland be deleted from the budget.

118. Mr. Parkerson spoke against the amendment.

119. General Secretary-Treasurer Smith said the executive director had been elected by the Executive Committee which has authority to

take such action and this is equal to a legal contract; the convention has voted to request the Executive Committee and the General Board to reconsider that action; the convention also voted to appoint a special committee to study the entire Fruitland situation; that taking this figure out of the budget would be predetermining the action of the Executive Committee and General Board.

120. In a vote by standing, the amending motion failed to pass.

121. Tom Freeman, Dunn, moved the previous question. The motion passed.

122. The 1986 budget was adopted in a vote taken by standing. (See No. 104.)

123. Mr. Bunn moved an extension of 45 minutes for the afternoon session.

124. Virgil Holloway, Waynesville, made a substitute motion that since it is 5 p.m., consideration of the remainder of the General Board report be deferred and the message by Kenneth Ridings be heard. The substitute motion carried in a standing vote.

125. Mr. Bunn expressed appreciation to Chief Justice Joseph Branch of the North Carolina Supreme Court who delayed opening of the Court for one day so he could be present for discussion of the Wake Forest covenant renewal.

126. Mr. Gatwood led the assembly in singing "How Firm A Foundation."

127. Kenneth Ridings, Grassy Branch Church, Asheville, and professor at Fruitland Bible Institute was introduced for the afternoon sermon. He spoke very briefly, saying that "preaching is a mood; you prepare for it, you try to find the mind of God and try to go with the Lord. I just don't believe this is the time for me to preach."

128. Fred B. Bentley, president, Mars Hill College, gave the benediction.

## **Tuesday Evening, November 12, 1985**

134. In nominations for second vice president, Clay Warf, Durham, nominated Ernest W. Glass, Charlotte. (See No. 146.)

"We want it to be a first class medical center, but we also want it to be a place that manifests the love of God...The combination of medical care and Christian concern is a more effective method of healing...We are dedicated to providing the best of medical professional care and love in a professional manner...Jesus spent much time caring for the sick...There is no question about his concern for helping the sick and suffering but He cared for and ministered to the whole person...We have great satisfaction in knowing that what we do is in keeping with the teaching of Christ and that we are partners with you in this task.

144. President Wiggins introduced General Secretary-Treasurer Smith who addressed the convention.

He reviewed accomplishments of the past year and issued a challenge for the future:

(1) Define fully the purpose and meaning of the Convention and provide resources for our churches in mission, education and outreach ministries.

(2) Develop a planning and coordinating process that will better support the programs, agencies and institutions of our Baptist work. The Long Range Planning Committee should listen to our people and formulate recommendations for projects and programs.

(3) Develop an administrative style that makes management decisions based on best information available. Basic facts are available in reaching and involving more people in the work.

(4) Develop a means of budget allocation to support Bold Mission Thrust. We need to speed up winning the lost, starting churches, and the growth of support through the Cooperative Program.

"Therefore, let us determine ways and means to establish budget allocations in keeping with the priorities of Bold Missions: evangelism and baptisms, growth in church membership, establishment of new churches, growth in Sunday school enrollments, and enlarged support of world missions through the Cooperative Program. We need a commitment to this end," he said.

NOTE: Chairmen are elected each year to serve upcoming year.

156. John Chapman, First Church, Sylva, moved reconsideration of the motion passed yesterday in which request was made that the executive committee reconsider the appointment of the executive director for Fruitland Bible Institute. (See Nos. 78, 115.) The president, on advice of the parliamentarian, ruled that this motion must be made by someone who voted for the earlier motion. Mr. Chapman said he did not, so his motion was ruled out of order.

157. Mr. Chapman said he would like to make another motion but the president said an extension of time is needed. Elwood Perry, Raleigh, moved a time extension of 10 minutes. In a vote by standing, the motion failed.

158. Mr. Gatwood led the assembly in singing "Open My Eyes That I May See" and Frances Cook, director of trustee development, North Carolina Baptist Foundation, Raleigh, spoke during the period of worship.

She related the convention theme to the perspective of the Foundation. "Our response to God's love is an eternal continuing love. From its beginning 65 years ago, the Foundation has been a response to God's love. It was created to receive in trust two Liberty bonds to help build Baptist Hospital...To date we have more than \$11 million to be used as a source of income to all of Baptist work...The decision that every Christian must make about our possessions after death is a decision we must make in life...Through the establishment of trusts we continue to tell others of our heavenly Father's love even after death..."

159. The president paid tribute to the memory of Gilbert Thomas Stephenson, Pendleton, who first began the Baptist Foundation.

160. Bennie E. Pledger, Colony Church, New Bern, reported for the

Place and Preacher Committee. He recognized committee members and moved that Billy Mobley preach the annual sermon during the 1986 convention meeting in Greensboro; first alternate: Horace Jackson, Sunset Park Church, Wilmington; second alternate: Mike Minnix, First Church, Cherryville; and third alternate: Mark Corts, Calvary Church, Winston-Salem. The motion carried.

161. Second Vice President Poe recognized Mr. Hodge for the concluding presentation of the General Board report.

162. M. O. Owens, Gastonia, reported on the partnership work of the Convention and European Baptists, and introduced Weldon Causseau, London, who expressed appreciation for all that the relationship has accomplished.

163. James Langford, president of the Council on Christian Higher Education, reviewed the Wake Forest University/N.C. Baptist Convention covenant that was scheduled in 1979 for reevaluation and renewal in five years, or 1985. Throughout the year, a sub-committee of the Council has been reviewing the covenant. Its members are: Fred Bentley, Mars Hill; John Bunn, Sylva; William Bussey, Wilson; Jerry Harper, Durham; Bob Shepherd, Morganton; Jerry Wallace, Buies Creek; John Weems, Raleigh; Robert Mullinax, Raleigh; and Roy J. Smith, Raleigh. Report of this committee was recommended to the General Board which, in turn, recommends it to this convention for adoption.

164. Thomas Hearn, Jr., president of Wake Forest University, expressed appreciation for the covenant relationship and presented members of the Wake Forest Board of Trustees who serve on an ongoing Covenant Relationship Committee: Weston P. Hatfield, Winston-Salem, chairman of the Board; Chief Justice Joseph Branch, Raleigh, chairman-elect; J. Robert Philpott, Lexington, chairman of the Covenant Committee and member of the original covenant committee; Mrs. Louise Broyhill, Lenoir and Washington, D.C.; James W. Mason, Laurinburg, chairman of the original Covenant Committee; Alton McEachern, Greensboro. Members not present are Clifton Benson, Raleigh; Ronald Deal, Hickory; and Frank Campbell, now president of Averett College, Danville, Va.

165. Mr. Langford said the Council's Covenant Committee met with the 1979 committee and that two of its members were on the current committee: Fred Bentley and John Weems. He named other members of the original committee and detailed the meetings and other work which lasted throughout the year, including meetings with the Wake Forest Covenant Committee.

166. Mr. Philpott, chairman of the Wake Forest Covenant Committee, said he worked with the original committee that felt it was important to put into place a provision that would ensure the continuing development and a review of this relationship at least every five years. The covenant eliminated the large, fixed annual support of Wake Forest University by providing that it no longer be automatically included in the Cooperative Program. That change resulted in a reduction of over \$4 million for Wake Forest University, but churches have sent individual contributions and this support is increasing, a sign of approval consistent with the strong approval of

the system shown in a recent survey published in the *Biblical Recorder*. The income from N. C. Baptists goes to support a wide variety of Baptist causes at Wake Forest University and under the covenant, Wake Forest and the Convention have found more ways than ever to be supportive of each other. However, there are some problems. There is no clear understanding of the manner of selection of trustees under the covenant and the University committee has worked closely with the Council's committee to find solutions. He said the recommendations to this convention have the unanimous support of both committees with the purpose of the changes being to maintain a strong and effective working relationship between the University and Convention.

167. Mr. Mullinax, executive director of the Council, said that the 1979 convention annual contains a full report of the original covenant and every annual since that time has contained its substance in the Constitution and Bylaws. The Constitution and Bylaws reflecting the proposed changes were printed in the Oct. 19 issue of the *Biblical Recorder*. (See No. 196.) He said the provision for election of trustees in the present covenant is rich in potential for misunderstanding; there is awkwardness about the Convention's nominating committee dealing with persons from other denominations in other states and this has caused problems and misunderstandings. The proposed changes are an effort to clarify the process and make it more workable. There is no change in the funding arrangements; no church is coerced in any way to participate in the funding. Mr. Mullinax read each proposed change in the 1979 covenant with a detailed explanation of each. The original and proposed changes are:

#### **ORIGINAL:**

##### **V. ELECTION OF TRUSTEES**

Beginning in 1980, the Trustees of Wake Forest University shall be elected by the Baptist State Convention in the following manner:

#### **PROPOSED:**

##### **V. COMPOSITION, ELECTION, AND QUALIFICATIONS OF THE BOARD OF TRUSTEES**

1. Beginning in 1986 the Trustees of Wake Forest University (the "University") will be elected in the manner provided in this section. It is understood that all Trustees of the University will be qualified men and women who will assist the University in the shaping of its goals, policies and practices by Christian ideals.

2. Two-thirds of the Trustees will be selected from the membership of Baptist churches cooperating with the Baptist State Convention of North Carolina (the "Convention"). Each must maintain residence in the state of

North Carolina. Those trustees shall be elected by the Convention in the following manner:

The number of individuals selected shall be equal to the number of vacancies to be filled.
  2. A list of the names of the persons selected, together with individual biographical data, shall be submitted forthwith by the Board to the Committee on nominations of the Convention, with the recommendation that each of those named be nominated for election to the Board by the Convention at its next regular session, for a term which commences at the beginning of the succeeding year.

A list of the names of the persons selected shall be submitted forthwith by the Board to the Committee on Nominations of the Convention, with the recommendation that each of those named be nominated for election to the Board by the Convention at its next regular session, for a term which commences at the beginning of the succeeding year. The University will ascertain, document, and transmit in writing to the Convention's Committee on Nominations pertinent information with regard to membership in a church cooperating with the Convention, residence in North Carolina, and any additional biographical information relevant to the qualifications of the individuals nominated to serve on the Board of Trustees. The Committee on Nominations shall present to the Convention for election those candidates for whom these criteria have been met.

3. If the Committee on Nominations does not concur as to one or more of the recommended nominees, it shall so inform the Board of Trustees and request the submission of a substitute name or names with biographical data, for each nominee in question.
4. Except for the date referred to in paragraph 1 above, a similar procedure shall be followed with respect to any substitute nominee until the Board of Trustees and the Committee on Nominations are in agreement as to the complete list of nominees to be submitted to the Convention for election as trustees of the University.
5. The nominees so agreed upon shall be submitted to the Convention at its annual session for election. If any one or more of the nominees so submitted for election shall not be elected by the Convention, no substitute shall be elected by the Convention, and the matter shall be referred back to the Committee on Nominations and the Board of Trustees for handling in accordance with the foregoing procedure, except that the General Board shall be authorized to act for the Convention in the election of Trustees of the University.
6. If by the end of any given year there exists a vacancy on the Board of Trustees which has not been filled in the foregoing manner, a Trustee selected by the Board of Trustees of the University who

If any one or more of the nominees so submitted for election shall not be elected by the Convention, no substitute shall be elected by the Convention, and the matter shall be referred back to the Committee on Nominations and the Board of Trustees for handling in accordance with the foregoing procedure, except that the General Board shall be authorized to act for the Convention in the election of Trustees of the University.
- f. If by the end of any given year there exists a vacancy on the Board of Trustees due to be but not yet filled in the foregoing manner, a Trustee selected by the Board of Trustees of the University who

otherwise would have concluded his or her term of office at the end of the year shall continue in office pending the filling of the vacancy.

7. Any vacancy on the Board to which 6. above does not apply shall be filled in accordance with the foregoing procedure (without reference to the June 1 date), except that the General Board shall be authorized to act for the Convention in the election of the Trustee to fill the vacancy.

- g. Any vacancy of the Board, subject to election by the Convention, to which "f" above does not apply shall be filled in accordance with the foregoing procedure (without reference to the June 1 date), except that the General Board shall be authorized to act for the Convention in the election of the Trustee to fill the vacancy.

3. One third of the Trustees shall be elected by the Board of Trustees of the University in accordance with such procedures as that Board may prescribe. They shall be men and women of any evangelical Christian denomination and need not be residents of the state of North Carolina.

## VI. COMPOSITION OF THE BOARD AND FUNDING

Two-thirds (24) of the thirty-six (36) members of the Board of Trustees of Wake Forest University will be selected from the membership of any Baptist church cooperating with the Baptist State Convention of North Carolina, provided each maintains residence in the state of North Carolina. One-third (12) of the members of the Board of Trustees may be men and women of any evangelical Christian denomination and need not be residents of the state of North Carolina. It is understood that all Trustees nominated will be

qualified men and women who will assist the University in the shaping of its goals, policies, and practices by Christian ideals.

In view of the change in the composition of the Board of Trustees of Wake Forest University and the substantial alteration of the University's relationship with the Convention, Cooperative Program funds will go to Wake Forest at the sole discretion of each local church body. Each church may, upon the remittance of Cooperative Program funds, instruct that Wake Forest receive or not receive 6.04 percent being the share of the University for 1979. The University will not be included as part of the Convention's budget, except as a contingency item. In keeping with Convention policy, designated gifts for Wake Forest University will be remitted to the University in addition to Cooperative Program funds approved by churches. The University shall be entitled to its appropriate share, which is 6.04 percent, of Cooperative Program funds through December 31, 1980. Any funds allocated to the University in accordance with this paragraph shall be promptly remitted to the University by the Convention.

168. Mr. Langford moved that the proposed changes be adopted. (See Nos. 179, 186, 197.)

169. Chief Justice Branch spoke in favor of the motion.

170. Steve Sells, Greensboro, made an amendment to the motion to delete all the changes and revert to the 1979 covenant. Second Vice President Poe ruled this to be a substitute motion. (See No. 178.)

171. Dade Sherman, Monroe, spoke in favor of the substitute motion.

172. Michael Litaker, First Church, Saluda, spoke against the substitute motion.

173. Mr. Langford said that the proposed changes were being made to strengthen the relationship which is based on mutual trust.

174. Greg DeMarco, Corinth Church, Monroe, asked that the president of Wake Forest University explain why the University feels the need to go outside Baptist circles and the state to find trustees, and to clarify the term "evangelical" as it applies to these individuals.

175. Second Vice President Poe ruled that this question relates to the covenant relationship established five years ago and that further discussion is not necessary to resolve the question before the convention which is: proposed changes in the covenant relationship.

176. Mr. DeMarco insisted on clarification of the term "evangelical" and how it applies to the makeup of trustees of Wake Forest University.

177. Mr. Hodge said this issue was thoroughly discussed when the covenant relationship was established in 1979 and that the issue being considered is simply a refinement of this covenant relationship. He moved the previous question and the motion carried in a vote by standing.

178. The substitute motion failed in a vote taken by standing. (See No. 170.)

179. The results of a standing vote on the original motion by Mr. Langford was not clear, so a ballot vote was taken. Mr. Poe clarified that this vote is on the report of the Covenant Committee and it passes or fails on a majority vote. (See Nos. 168, 186, 197-205, 216.)

180. First Vice President Hobbs moved that the time be extended 10 minutes. The motion carried.

181. Sara Ann Hobbs reported that the General Board had voted an extension of three years in partnership work with West Virginia Baptists. The new emphasis will be on church development. (She said there is an emergency call for persons to go immediately to that state to help flood victims with carpenter work, repairs, etc.) Thomas E. Halsell, Executive Director of the Virginia convention, gave a slide presentation and expressed appreciation for the assistance of N. C. Baptists. He said that between 13,000 and 14,000 N. C. Baptists have been involved in mission work there. A plaque of appreciation was presented to Miss Hobbs for coordinating this work and she accepted it on behalf of all who have participated in the project.

182. Morris Hollifield, Lexington, chairman of a special committee to study the North Carolina Missions Offering, presented its recommendations and moved adoption: That there be two State Convention-promoted special offerings: 1. An offering for the three social service institutions (Baptist Children's Homes of N. C., Inc.; N. C. Baptist Hospitals, Inc.; Baptist Retirement Homes of N. C., Inc.), to be promoted and received during the month of May, and with the Council on Christian Social Services having the responsibility for promotion of this offering and recommendation of percentage distribution to the Budget Committee; and 2. An offering for State Missions (mission projects, Christian Higher Education, Heck-Jones, Brotherhood), to be promoted and received during the month of September. (See No. 107.) The committee further recommended that the World Hunger emphasis be moved from June to October to coincide with the Southern Baptist Convention promotion. The motion carried.

183. On behalf of Meredith College, James Langford presented a request for permission to borrow \$1.5 million for interim construction financing on an "as needed" basis for future construction. He moved it be approved and the motion carried.

184. There was a motion from the floor to extend the time 15 minutes. The motion carried.

Mr. Lark explained the change, moved adoption and the motion carried.

**9. Bylaw I.C.—The Recording Secretary**

**Present Reading:** (Second paragraph)

"The Assistant Recording Secretary will assist the Recording Secretary and in case of illness or death of the Recording Secretary during a Convention year, the Assistant Recording Secretary will succeed to the office of Recording Secretary."

**Recommended Reading:**

The Assistant Recording Secretary will assist the Recording Secretary during a Convention year. In case of **resignation** or death of the Recording Secretary the Assistant Recording Secretary will succeed to the office of Recording Secretary.

Mr. Lark explained the change, moved adoption and the motion carried.

186. With Vice President Poe presiding, Mr. Burnette expressed appreciation to the tellers and others who had helped with counting the votes. He reported the vote on the Wake Forest University covenant changes, which required a simple majority, to be: 1,064 Yes, or 56%; 799 No, or 42%. (See Nos. 168, 179, 187, 191.)

187. Vice President Poe asked the president to interpret the vote and President Wiggins said, "The interpretation that the

parliamentarian and I have placed on this...is that we have, by incorporation by reference, brought in an amendment to the Constitution, Article 14. The amendment to the Constitution requires the 2/3 vote and that would also apply to the Bylaws...both the amendment to the Constitution and the Bylaws will have to pass by a 2/3 vote. It did not, and therefore the recommendation that was made did not pass by the 2/3 vote and therefore is not effective and we are back where we were." (See No. 191.)

188. Allen Schuyler, Atlantic Beach, moved that the time be extended 15 minutes.

189. Mr. Hodge recognized four employees of the Convention who are retiring: Avenelle King, R. Tom Greene, E. C. Wilkie, Kathleen Short and expressed appreciation for their service.

190. General Secretary-Treasurer Smith presented a plaque to President Wiggins and expressed appreciation on behalf of N. C. Baptists.

191. To clarify his interpretation of the vote on proposed changes in the Wake Forest covenant, President Wiggins added, "...The request (for changes) was not made to deal with the Constitution or the Bylaws. The request was made only on the covenant itself which is separate and apart from the Bylaws or the Constitution...On the basis of the covenant relationship alone, ...only a majority vote is needed...But out of fairness, I am going to ask you to vote again."

192. After a standing vote, the president ruled that "the covenant relationship itself has carried."

193. Robert Tenery, Burkemont Church, Morganton, said that according to the president's ruling, the vote just taken is on the covenant relationship and that seems to be redundant because the covenant has been in effect a number of years. Mr. Tenery said he did not understand the president to say the voting was on the change in the covenant relationship.

194. President Wiggins said that the changes in the covenant were voted on by ballot and approved by majority vote.

195. Mr. Tenery asked if the changes were approved by 2/3 majority and President Wiggins said that 2/3 approval is not required for the changes in the covenant, only a majority vote. He said Marion Lark, Henderson, would present the revised Constitution and Bylaws which would require a 2/3 majority approval.

196. Marion Lark, Henderson, explained that a vote is necessary to reflect in the Constitution and Bylaws the change in language approved in the vote on the Wake Forest covenant relationship. (See Nos. 168, 186.) This was printed in the October 19 issue of the *Biblical Recorder* and requires a 2/3 vote. He moved adoption of the following changes:

## **Amendments to Constitution**

### **Article XIV. Relationship with Wake Forest University**

RESOLVED that Article XIV of this Constitution be, and the same hereby is, amended by deleting Paragraph C thereof entitled "Composition of the Board of Trustees of the University" and by inserting in lieu thereof the following new Paragraph C:

"C. Composition and Election of the Board of Trustees of the University.

Two-thirds of the members of the Board of Trustees of the University will be selected from the membership of any Baptist church cooperating with The Baptist State Convention of North Carolina, provided each maintains residence in the State of North Carolina, and will be elected by The Baptist State Convention of North Carolina as provided in Article IX of the By-Laws. One-third of the members of the Board of Trustees shall be men and women of any evangelical Christian denomination, need not be residents of the State of North Carolina, and shall be elected by the Board of Trustees of the University in accordance with such procedures as that Board may prescribe. All Trustees of the University shall be qualified men and women who will assist the University in the shaping of its goals, policies and practices in accordance with Christian ideals."

FURTHER RESOLVED that the words "Article IX, Section F" in line 6 of Paragraph D of Article XIV of this Constitution be, and such words hereby are, deleted, and that the words "Article IX, Subparagraph A.6" be, and they hereby are, substituted in lieu thereof.

### **Bylaw Amendments**

RESOLVED, that Article IX of the Bylaws be, and the same hereby is, amended by deleting Article IX and by substituting in lieu thereof a new Article IX to read as follows:

### **"IX. RELATIONSHIP TO WAKE FOREST UNIVERSITY**

In recognition of certain unique aspects of the relationship of Wake Forest University (the "University") with The Baptist State Convention of North Carolina (the "Convention"), this Article IX shall be the only Article of these Bylaws which shall apply to the University and this Article IX shall apply only to the University, except as otherwise expressly provided in this Article IX.

### **Composition, Election, and Qualifications of the Board of Trustees.**

Beginning in 1986 the Trustees of the University will be elected in the manner provided in this Article IX. It is understood that all Trustees of the University will be qualified men and women who will assist the University in the shaping of its goals, policies and practices by Christian ideals.

A. Two-thirds of the Trustees will be selected from the membership of Baptist churches cooperating with the Convention. Each must maintain residence in the state of North Carolina. Those trustees shall be elected by the Convention in the following manner:

1. Prior to June 1 of each year, the Board of Trustees of the University shall select qualified individuals whom the Board recommends shall fill the vacancies which are to occur on the Board at the end of the calendar year. The number of individuals selected shall be equal to the number of vacancies to be filled.

2. A list of the names of the persons selected shall be submitted forthwith by the Board to the Committee on Nominations of the Convention, with the recommendation that each of those named be nominated for election to the Board by the Convention at its next

regular session, for a term which commences at the beginning of the succeeding year. The University will ascertain, document, and transmit in writing to the Convention's Committee on Nominations pertinent information with regard to membership in a church cooperating with the Convention, residence in North Carolina, and any additional biographical information relevant to the qualifications of the individuals nominated to serve on the Board of Trustees. The Committee on Nominations shall present to the Convention for election those candidates for whom these criteria have been met.

3. If these criteria have not been met, the Committee on Nominations shall request the submission of a substitute name or names and documentation as provided in subparagraph 2 above for each nominee in question.

4. Except for the date referred to in subparagraph 1. above, a similar procedure shall be followed with respect to any substitute nominee until the Board of Trustees and the Committee on Nominations are in agreement as to the list of nominees to be submitted to the Convention for election as Trustees of the University.

5. The nominees so agreed upon shall be submitted to the Convention at its annual session for election. If any one or more of the nominees so submitted for elections shall not be elected by the Convention, no substitute shall be elected by the Convention, and the matter shall be referred back to the Committee on Nominations and the Board of Trustees for handling in accordance with the foregoing procedure, except that the General Board shall be authorized to act for the Convention in the election of Trustees of the University."

6. If by the end of any given year there exists a vacancy on the Board of Trustees due to be but not yet filled in the foregoing manner, a Trustee selected by the Board of Trustees of the University who otherwise would have concluded his or her term of office at the end of the year shall continue in office pending the filling of the vacancy.

7. Any vacancy on the Board, subject to election by the Convention, to which subparagraph 6 above does not apply shall be filled in accordance with the foregoing procedure (without reference to the June 1 date), except that the General Board shall be authorized to act for the Convention in the election of the Trustee to fill the vacancy.

B. One-third of the Trustees shall be elected by the Board of Trustees of the University in accordance with such procedures as that Board may prescribe. They shall be men and women of any evangelical Christian denomination and need not be residents of the state of North Carolina.

C. The Board of Trustees of the University may remove from office any Trustees in the manner provided by the University's bylaws, as amended from time to time.

D. In electing Trustees and filling vacancies, due regard shall be had to the provisions of Paragraph C of Article XIV of the Constitution of the Convention regarding the composition of the Board of Trustees of the University."

197. Second Vice President Poe ruled that the previous vote on the covenant relationship would be subject to the vote on the

constitutional amendment.

198. Don Taylor, Asheville, on a point of order, said the time had expired but the chair ruled that the time had been extended and the point of order was overruled.

199. Mr. Mullinax spoke in favor of the motion.

200. General Secretary-Treasurer Smith spoke in favor of the motion.

201. Elwood Perry, Raleigh, moved the previous question. (See No. 204.)

202. On a point of order, Mr. DeMarco asked whether the changes would be killed if 2/3 majority is not received.

203. The Parliamentarian advised that it would not negate the vote but would make it difficult to implement. Mr. Lark explained that the convention approved the new Wake Forest covenant language but a 2/3 majority is needed so these changes may be implemented in the Constitution and Bylaws.

204. The motion for the previous question carried. (See No. 201.)

205. Mr. Burnette gave instructions for voting on Ballot No. 6. (See Nos. 197, 216.)

206. Mr. Gatwood led the assembly in singing "O God Our Help in Ages Past."

207. With First Vice President Hobbs presiding, Mr. Poe presented members of the Committee on Nominations and moved adoption of its report. (See No. 211.)

208. Harrill Jones, Gastonia, in an amending motion, nominated James B. Fleet, Jr., Greensboro, as substitute for Wayne T. Adams, Carthage, committee nominee for director of the *Biblical Recorder*.

209. James C. Cammack, chairman of the Board of Directors of the *Biblical Recorder*, spoke in favor of election of Mr. Adams.

210. The amending motion by Mr. Jones was defeated in a vote by standing.

211. The motion by Mr. Poe carried. (See No. 207.)

212. The North Carolina Singing Churchmen, directed by Mr. Gatwood, and Singing Churchwomen, directed by Charles Storey, presented a concert of praise. The combined groups sang "Let All the Nations Praise the Lord"—Leisring; "The Majesty and Glory of Your Name"—Fettke, "Faith of Our Fathers"—Beck; "Stir Thy Church, O God, Our Father"—Butler/Red. The Singing Churchwomen sang "Jesus Loves Me"—Bradbury/Burroughs with Judy Ritchie, soloist; "Thee Will I Love"—Bluck/Lyall; "My Lord, What a Morning"—arr. Page. The Singing Churchmen sang "Ascription of Praise"—Schwoebel; "Precious Lord"—arr. Hemphill with Curtis Frederick, soloist; "Great Is Thy Faithfulness"—Runyan/Bock. They were accompanied by James Reich, Larry Kestler, and Carol Cone.

213. President Wiggins introduced Charles Fuller, pastor of First Church, Roanoke, Va., who brought the concluding message of the convention.

#### PRAY BELIEVING

Scripture: Acts 3-4.

Peter and John were enroute to carry out their religious duties—to pray, but they stopped and ministered to a man

in need. What these men did answers for us three most important questions:

(1) What are our priorities? In the midst of all that we are doing, can we not stop and answer those who cry out? In the time of catastrophe there is no time to discuss controversies. We ought to take a long look at the world and the needs of people.

(2) What are our potentials? There are 14.3 million Southern Baptists from 36,000 churches who give not 10%, but more like 2% of their income. A little over \$500 million a year for mission causes when it should be \$10-\$14 billion a year. What would happen if every Southern Baptist tithed? We could give that \$14 billion.

(3) What is our perspective? Peter and John preached unto him Jesus. We have not completed our task until we present Jesus. We minister to share Jesus. Jesus is our greatest gift to people as Savior and Lord.

We need to reemphasize evangelism and present Jesus. How can we say we love someone and not give unto them Jesus as Saviour? Southern Baptists do have diversities but our God is bigger than all of us and our God is marching on!

214. The assembly sang the refrain of "Battle Hymn of the Republic," at the request of the president.

215. New officers of the convention were presented by President-elect Poe and each responded briefly.

216. Mr. Burnette reported that the vote on the Wake Forest University constitutional change failed to get a 2/3 majority. The vote was 1,137 Yes or 63.4%; 644 No or 36%. The president explained that the proposed covenant changes were adopted by a simple majority but the convention did not choose to implement them by changing the Constitution and Bylaws which would have required a 2/3 majority vote.

217. President Wiggins thanked the convention for the privilege of having served as president.

218. J. W. Hutchens, director, division of Evangelism, Raleigh, gave the benediction and the 155th annual session was adjourned.

# General Board Report to The Convention, 1985

The General Board met three times during 1985: January 29-30 at the Baptist Building in Cary; May 28-29 at Chowan College; and September 24-25 at Caraway Conference Center. The Board, composed of 113 members, serves as the "Convention ad interim." In this capacity the General Board is charged with "general supervision" of the institutions and agencies, and with directing the work of the General Board staff and programs.

The Board's ten subcommittees perform much of the Board's function of directing the work of staff and programs. These are: Business Management; Christian Higher Education; Christian Life and Public Affairs; Christian Social Services; Church Programs; Communications; Missions; Evangelism; Stewardship; and Youth and Campus Ministries. These meet on a regular three times a year schedule and for called meetings as needed.

The Executive Committee, composed of 18 members, is the "General Board ad interim" and meets nine times a year. This group serves for the General Board and the Convention as the personnel committee, budget, plans, and policies committee.

The 1985 General Board functions include:

**1. Approved a change of status for Wingate College,** approving Wingate College's proposed Master's Degree program in Education.

**2. Convention Debt** — as of October 1 the Convention debt stood at: \$758,873.77.

|                           |              |
|---------------------------|--------------|
| Baptist Building          | \$164,613.67 |
| Fruitland Building        | \$141,496.42 |
| Computer System           | \$119,246.05 |
| Caraway Conference Center | \$333,517.63 |

During the first 9 months of 1985 the indebtedness has been reduced by \$302,664.12.

The Convention does not owe any debt to an outside institution. The entire indebtedness is carried internally and will be provided for through budget allocations.

**3. North Carolina Baptist Assembly at Caswell —**

The Executive Committee elected Mr Richard Holbrook as the director of the assembly, replacing Tom McKay who resigned to go into private business. Mr. Tom Womble was secured to give direction to the \$3,000,000 Capital Funds Campaign for the assembly.

**4. Planned Growth In Giving** —1985 was the launch year for Planned Growth In Giving. Twenty-six seminars have been held this year. Ten seminars are scheduled for 1986.

**5. Sunday School Enlargement** — 1985 completes the "8.5 x 85" emphasis. The Sunday School Department reports that it appears there will be a net growth in Sunday School enrollment in North Carolina during 1985.

**6. Committee to Support Farmers** — The General Board authorized the appointment of a Committee "to study ways where the unique and large gifts of North Carolina Baptist farmers can be used to alleviate and relieve the terrible problem of hunger in the world..." The committee will report to the Convention.

**7. Program Emphasis, 1986-1990** — The Executive Committee appointed a Program Emphasis Committee for 1986-1990. The committee will report to the Convention.

**8. North Carolina Missions Offering** — The General Board approved the recommendation of a special study committee that recommended that the North Carolina Missions Offering be divided into two offerings, one in May for the Homes and Hospital (Social Service Institutions) and one in September for State Missions. This recommendation will be presented to the Convention.

**9. Convention/Wake Forest University Covenant**

— 1985 is the year to "review and renew" the covenant by which the Convention and Wake Forest University are related. A Covenant Committee representing Wake Forest University and the Council on Christian Higher Education recommended a revised covenant to the Council on Christian Higher Education and the General Board. This recommendation will be brought to the Convention.

**10. 1986 Cooperative Program Budget** — The Cooperative Program budget recommended for 1986 includes a base budget of \$25,120,000 and a challenge budget of \$1,000,000.

**11. Christian Action League** —The General Board voted for the Executive Committee to conduct a study to determine the legal implications of supporting the Christian Action League. Mr. Bill Poe, chairman, Gaylord Lehman, and Ray Hodge were appointed to work with the General Secretary in conducting the study. The legal study indicated that certain language in the official documents and certain activities of the League put the Convention at risk. The leadership of the League has been most cooperative in addressing the concerns. The officers of the League will report to the Executive Committee following their October meeting of the board of directors.

FURTHER RESOLVED that the words "Article IX, Section F" in line 6 of Paragraph D of Article XIV of this Constitution be, and such words hereby are, deleted, and that the words "Article IX, Subparagraph A.6" be, and they hereby are, substituted in lieu thereof.

## **Bylaw Amendments**

RESOLVED, that Article IX of the Bylaws be, and the same hereby is, amended by deleting Article IX and by substituting in lieu thereof a new Article IX to read as follows:

### **"IX. RELATIONSHIP TO WAKE FOREST UNIVERSITY**

In recognition of certain unique aspects of the relationship of Wake Forest University (the "University") with The Baptist State Convention of North Carolina (the "Convention"), this Article IX shall be the only Article of these Bylaws which shall apply to the University and this Article IX shall apply only to the University, except as otherwise expressly provided in this Article IX.

### **Composition, Election, and Qualifications of the Board of Trustees.**

Beginning in 1986 the Trustees of the University will be elected in the manner provided in this Article IX. It is understood that all Trustees of the University will be qualified men and women who will

assist the University in the shaping of its goals, policies and practices by Christian ideals.

A. Two-thirds of the Trustees will be selected from the membership of Baptist churches cooperating with the Convention. Each must maintain residence in the state of North Carolina. Those trustees shall be elected by the Convention in the following manner:

1. Prior to June 1 of each year, the Board of Trustees of the University shall select qualified individuals whom the Board recommends shall fill the vacancies which are to occur on the Board at the end of the calendar year. The number of individuals selected shall be equal to the number of vacancies to be filled.

2. A list of the names of the persons selected shall be submitted forthwith by the Board to the Committee on Nominations of the Convention, with the recommendation that each of those named be nominated for election to the Board by the Convention at its next regular session, for a term which commences at the beginning of the succeeding year. The University will ascertain, document, and transmit in writing to the Convention's Committee on Nominations pertinent information with regard to membership in a church cooperating with the Convention, residence in North Carolina, and any additional biographical information relevant to the qualifications of the individuals nominated to serve on the Board of Trustees. The Committee on Nominations shall present to the Convention for election those candidates for whom these criteria have been met.

3. If these criteria have not been met, the Committee on Nominations shall request the submission of a substitute name or names and documentation as provided in subparagraph 2 above for each nominee in question.

4. Except for the date referred to in subparagraph 1 above, a similar procedure shall be followed with respect to any substitute nominee until the Board of Trustees and the Committee on Nominations are in agreement as to the list of nominees to be submitted to the Convention for election as Trustees of the University.

5. The nominees so agreed upon shall be submitted to the Convention at its annual session for election. If any one or more of the nominees so submitted for elections shall not be elected by the Convention, no substitute shall be elected by the Convention, and the matter shall be referred back to the Committee on Nominations and the Board of Trustees for handling in accordance with the foregoing procedure, except that the General Board shall be authorized to act for the Convention in the election of Trustees of the University."

6. If by the end of any given year there exists a vacancy on the Board of Trustees due to be but not yet filled in the foregoing manner, a Trustee selected by the Board of Trustees of the University who otherwise would have concluded his or her term of office at the end of the year shall continue in office pending the filling of the vacancy.

7. Any vacancy on the Board, subject to election by the Convention, to which subparagraph 6 above does not apply shall be filled in accordance with the foregoing procedure (without reference to the June 1 date), except that the General Board shall be authorized to act for the Convention in the election of the Trustee to fill the vacancy.

- B. One-third of the Trustees shall be elected by the Board of Trustees of the University in accordance with such procedures as that Board may prescribe. They shall be men and women of any evangelical Christian denomination and need not be residents of the state of North Carolina.
- C. The Board of Trustees of the University may remove from office any Trustees in the manner provided by the University's bylaws, as amended from time to time.
- D. In electing Trustees and filling vacancies, due regard shall be had to the provisions of Paragraph C of Article XIV of the Constitution of the Convention regarding the composition of the Board of Trustees of the University."

## **Pastor/Church Relations**

Pastor/Church Relations provide basic, factual informational services for pastors and churches. As churches lose a pastor by retirement or call to another church, guidance and assistance are offered in the search for a new pastor. Pastors coming to a completion of their present field of service are shared with available Pastor Search Committees.

### **Associational Correlation**

In 1985, this department has worked in partnership with 35 associational directors of missions providing literature, availability, and current data on Southern Baptist pastors and staff. Together we share the needs and hurts of ministers and churches.

### **Crisis Ministry**

Ministry is a part of life and faces the emergencies and difficulties of broken relationships. Pastors and church staff hurt and cry and need a friend. Thirty crisis situations were ministered through this office.

### **Support Ministry**

All human beings need support and affirmation, particularly those who may be recently retired, suddenly fired, or soon-to-begin servants of Christ. In the past year, 207 support/affirmation opportunities were provided by Pastor/Church Relations.

### **Ministerial Students**

Southern Baptist seminaries are leading the world in currently preparing and equipping 12,000 ministerial students. The office of Pastor/Church Relations assisted ministerial students from all of our seminaries in their beginning pilgrimage of ministry.

## **Career Guidance**

Our office aided 122 ministers and staff personnel in their desire to retool, restructure, and reorganize their skills in outreach ministry.

## **Pastor Search Committees**

This year 208 pastor and church staff search committees were assisted as they began their search. Many of these were in-the-field training sessions and other conferences.

**Robert Bruhn, director**

# **Business Management**

Business affairs of the Convention are many and varied. During this year we have seen a change in leadership at the North Carolina Baptist Assembly. Richard Holbrook, as the new manager, faced the immediate challenge of repairing storm damage, building renovations and large attendances this summer. The Baptist men and women gave of themselves and their money to help improve our facilities at Caswell. For this we are very thankful.

Betty Doyle came in the Business Office as a bookkeeper, filling the position of Avenelle King, who retired. Shirley Mersinger is filling a vacancy in Data Processing.

**Richard Smith, director**

## **Data Processing**

Both office staff and program staff are becoming more aware every day of ways to improve their area(s) of work using personal computers. With twenty IBM Personal Computers located within the Baptist Building, word processing has become an effective means of communicating with Baptists across the state.

The Data Processing Department continues to maintain church information such as staff positions, receipts, and statistical information. Along with the information on churches, Data Processing maintains the Convention accounting, fixed assets, and department budgeting.

## Caraway Baptist Conference Center and Camp

Caraway Baptist Conference Center and Camp has had a good year. The new addition has enabled us to have more church groups and enlarge our attendance for many Convention planned meetings. We serve about 650 groups during the year. The boy's camp had an excellent season with more than 1,600 campers attending.

The director served this year as president of the SBC Camps and Conference Center Manager's Association. In that position he visited and worked with 12 different camps and centers.

Our future needs are for additional space in the youth camp, which will make more group space available during off-season, and additional dining room space is needed for the conference center.

Bill Jackson, director

## North Carolina Baptist Assembly

Work continues on the renovation and modernization of existing buildings. This fall and spring, final touches will be made on Sand Dune, Yaupon, Sea Shell, and Riverside A, B and E. Riverside C and D will also be renovated this year.

130/Baptist State Convention

With the anticipated success of the Capital Campaign for Caswell, it is anticipated that we will break ground on a new church group cottage to be located facing the river and ocean.

Baptist men and others continue to provide labor through the volunteer program. We wish to express our sincere appreciation to our Baptist men and women and all our volunteers.

## Retirement Planning

North Carolina has 2,092 churches and associations with 2,936 employees participating in the retirement program. The number of new retirement applications received in the program in your convention during the first six months of this year has been 100. The following Baptist agencies participate in the retirement program:

Baptist State Convention of North Carolina, Inc.  
Biblical Recorder, Inc.  
North Carolina Baptist Foundation, Inc.  
Baptist Children's Homes of North Carolina, Inc.  
North Carolina Baptist Hospital, Inc.  
North Carolina Baptist Retirement Homes, Inc.  
Campbell University  
Chowan College  
Gardner-Webb College  
Meredith College  
Wake Forest University  
Southeastern Baptist Theological Seminary  
Fruitland Baptist Bible Institute

In North Carolina, there are some 1,321 annuitants. Out of this number, 681 receive from \$101 to \$200. This leaves 225 annuitants receiving over \$200 per month!

The Annuity Board and the Baptist State Convention work hand in hand in trying to improve this situation. On the horizon is the new Church Annuity Plan, along with improvements, which will become effective on January 1, 1988. Whereas the Baptist State Convention contributes \$200 per year to your pastor's retirement program, beginning in January, 1988, the Baptist State Convention will contribute up to \$420 per year. This will mean that \$210 will be going into actually building a retirement income for our ministerial career church staff personnel. This will represent a vast improvement.

After 23 years of faithful and dedicated service at the Baptist State Convention of North Carolina, eleven of those years as Director of Retirement Planning, Sam O'Neal took early retirement and is now serving as bi-vocational pastor at Salem Fork Church, Elkin, North Carolina.

# **Annuity Board**

## **Report to the 1985 Baptist State Convention**

The Annuity Board continued its reputation in 1984 of being a strong and financially sound Southern Baptist institution.

Total assets administered by the Board as of December 31, 1984 were \$1,430,966,407 compared with \$1,251,643,084 December 31, 1983.

Investment income for 1984 totaled \$115,374,232. Earnings on retirement and related funds for the six months ended June 30, 1985 totaled \$73,142,522. This compares to \$17,860,781 for the first half of 1984 or an increase of \$55,281,741.

As of June 30, 1985, total assets held in trust by the Annuity Board totaled \$1,562,021,356. This is an increase of \$253,083,356 over June 30, 1984.

Premiums and dues through the first two quarters of this year reached \$60,947,044 compared with \$52,551,012 a year earlier.

Through June, 1985, with a total of 37,955 churches and associations, there were 31,350 employees participating in the Southern Baptist Retirement Program. The Board paid a total of \$22,275,327 in benefits to 15,123 annuitants.

The Annuity Board is the agency that administers the retirement and insurance programs for the Southern Baptist Convention and helps meet the daily living needs for so many of these servants who have given their lives to the cause of Christ in a Southern Baptist church or institution. For a moment, try to imagine yourself living on less than \$200 per month. This is hard to conceive in today's economy. The hard fact is that approximately 80 percent of the retired ministers or their widows in the Southern Baptist Convention try to live on this amount. But this is not all. Approximately 50 percent of these get less than \$100 per month. The average amount of benefits for all annuitants is \$142 per month.

## **Church Programs**

The Division of Church Programs is composed of eight programs of work—Church Building Planning, Church Music, Church Training, Sunday School, W.M.U., Church Administration, Weekday Early Education and Church Library (Media). These eight areas of work are organized into five departments. (Church Administration is a part of the Division Director's job description.)

1984-1985 proved to be most successful. The number of field engagements for all of Church Programs surpasses all previous years.

The goal for Bold Mission Thrust continues to challenge the departments within the Division of Church Programs. The following five goals for 1985-1990 constitute the very heartbeat of interest and

activity. These goals are Reaching People, Developing Believers and Strengthening Missions.

The Minister Care Team continues to function with a great deal of enthusiasm and expectation. The recommendations of the Commission on Ministry (adopted by the Convention November 1981) continues to be very helpful. There are five subcommittees working on specific research projects for 1985-86. These projects relate to ministers' needs. These research areas are: Large Church Staff Training (Multi-Staff Relations), Retired Ministers, Wants/Needs Survey, Job Satisfaction Survey, and Suggested Events for '86-'87-'88.

The number of field engagements in the area of Church Administration has increased dramatically. "Shared Ministry" is the theme emphasis for 1985-1990.

During the second week of May each year, associational key leaders are invited to Ridgecrest Conference Center for updating and training. Each area of work within the Convention is responsible for directing the training of their particular counterparts from each association. This has proven to be a very helpful time for both state convention and associational leadership. This meeting was held May 13-15, 1985. The spirit of joint ownership and cooperation was very good. "Shared Ministry" was the theme emphasis for 1985. There were approximately 1000 in attendance.

The personnel of the Division of Church Programs numbers thirty-three. There are five department directors, eleven associates, seven secretaries, three part-time secretaries, one administrative assistant, one bookkeeper, two camp directors, two permanent part-time associates and the division director.

The only personnel changes this year occurred within the Church Training Department. Faye Comer, secretary/receptionist, resigned and Vicki Walker moved to that position from office secretary. The position of office secretary has been filled by two part-time secretaries—Cheryl Cruickshank and Doris Curtis.

Program directors have been ably assisted by a great host of special and approved workers throughout the state.

## **Church Building Planning**

The need for expanded and/or improved facilities has resulted in an increasing number of requests for assistance from our churches. On-site consultations were conducted throughout North Carolina and into Virginia and South Carolina, to churches affiliated with associations in North Carolina. In each instance, an evaluation was made of the condition of existing buildings, the current utilization of space in relation to the programs provided, the growth potential of the community and the desired outreach, plus the financial ability of the church to undertake a building or renovation project. When required, information and documents were gathered from the church

and processed to the Church Architecture Department in Nashville for preparation of plot development plans and preliminary floor plans.

Churches were provided with sources for all types of furnishings, equipment, materials and services available through various companies. Copies of floor plans were shared with churches planning to build parsonages.

Church Building Conferences which were held in Rocky Mount, High Point, and Marion were well attended by church staff, lay leaders, and committee members from churches planning for better facilities. Program personalities from the SBC Church Architecture Department, Stewardship Commission, Home Mission Board, and the Baptist State Convention shared their expertise in the various aspects of planning for and accomplishing a church building/renovation project. Samples of pews, pulpit furniture, baptistries, bells, carpeting, and other items were on display by product suppliers. Architects, bond program representatives, and contractors were available to discuss their services with those who expressed an interest.

Twelve churches became aware of the spiritual growth and financial savings experienced through Challenge To Build fund-raising programs conducted by in-state consultants assigned by this department. Another benefit derived from this effort was the release of more money for missions offerings and outreach of ministries.

## Church Music

The Church Music Department began its 30th year in April. Joseph O. Stroud served as the first director of the department until his death in March, 1977. Charles Gatwood came to the department in January, 1967 as associate and became director of the department upon the death of Mr. Stroud. Charles Storey joined the department as associate in June, 1977; Becki Canterberry is office secretary.

- Leadership training has always been of prime importance in the work of the Church Music Department. Much of this training is done through associational music projects as well as through special events such as the Methods and Materials Clinics which were held in Morganton, Winston-Salem, Durham and Goldsboro. These clinics included leadership conferences for pianists and organists and for leaders of handbells, instrumental ensembles, and the various age groups. The clinics were co-sponsored by the Baptist Sunday School Board and the Church Music Department.

- Work with leaders and choirs of small churches continues to be a special emphasis since almost 70 percent of the churches affiliated with the Baptist State Convention have 300 or less in total membership. Small Church Music Schools continue to be popular in providing training and inspiration for the small church choir program.

- Two retreats for volunteer music directors were held in September and October at Caraway Conference Center. In addition to the choral clinic, classes were provided for keyboard people and for leaders of

children's choirs. Special classes dealt with revival music in preparation for the simultaneous revivals—GOOD NEWS AMERICA... God Loves You! An exciting dimension of this year's retreats was in the area of personal growth—relationships and communication with co-workers, choir members and others—led by Brooks Faulkner and Fred Kelly of the Baptist Sunday School Board.

- Four Youth Handbell festivals were participated in by 399 ringers; four Adult Handbell festivals had 475 participating ringers. Nearly 1,600 singers took part in nine Adult Choir Festivals. The second Youth Instrumental Festival (23 players) was held in conjunction with the Youth Choir Festival (927 singers).

- The Singing Churchmen/Women sang for the Evangelism Conference in February and presented joint concerts in Rockingham, Cary and Charlotte. They also sang for a session of the Baptist State Convention. A recording was made by the Singing Churchmen in April.

- The three concerts by the Singing Churchmen/Women and three associational concerts by Charles Gatwood and Charles Storey helped to raise funds for the purchase of pianos for Caraway Conference Center.

- Four Approved Workers attended a five-day training seminar in Nashville.

- Anthem Reading Clinics were held in Winston-Salem, Cary, Wilmington and Asheville, providing opportunity for leaders to read a variety of music from nine publishers.

- The new music-drama, "The Perfect Gift," was presented at both Children's Choir Camps during the summer. Eighty-seven children participated in the camp at Mars Hill and 265 children were a part of the camp at the Assembly.

- Forty youth from nine associations in the western part of the state participated in a Youth Music Week at Camp Truett.

- The Youth-Adult Music Conference was the 30th annual conference sponsored by the Church Music Department. An auditioned choir of 43 youth along with 22 instrumentalists and two choirs comprised of 304 young people highlighted the week's activities in the final concert.

- Twenty ministers of music participated in a five-day Mega Focus project in the Chicago (Illinois) Association. Activities included orientation to the needs in that area, a Praise Celebration with the Singing Illinoisans and participation in local church worship services. Each minister of music led a three-day music workshop in one of the local churches.

It was a good year and the Department is grateful for the continuing opportunity of assisting churches in the development of a meaningful music program.

# Church Training

The Church Training Department staff consists of K. Maurice Cooper, director; James H. Simpson, III, consultant (adult/associational work); Doris Morgan, consultant (preschool and children's work); Dot Mills, part-time youth consultant; Ruth Prince, part-time consultant (growth area); Vicki Walker, secretary-receptionist; and two part-time secretaries, Cheryl Cruickshank and Dee Curtis.

The department is happy to report that we have shown enrollment growth in Church Training for the last seven years, and are very optimistic that we will show a gain in 1985.

The Church Training Department assists associational and local church leaders in equipping God's people for bold growth in discipleship through its emphasis upon Continuing Training, Short-Term Training, and Individual Training.

During the past year, assistance was given to leaders through the following projects and activities:

- Church Training Enabler Conference at Caraway where associational Church Training leadership from 51 associations received indepth training and update in leadership techniques, methods, and materials. 230 associational leaders participated.
- Five associational Church Training workshops for training local church leaders.
- Approximately 49 programs of work were begun in various associations as a result of the work of Ruth Prince, Church Training Growth Consultant, and other associational leaders.
- A "Mini-Assembly" for local Church Training leadership was held in August at Caraway.
- Nine area "Doctrine of Christ" leadership seminars were held at Franklin, Salisbury, Wilmington, Fruitland, Burlington, Greenville, Morganton, Raleigh, and Edenton.
- Seminars presenting new models of Church Training work called Pastor/Director Interpretation Meetings were held in the Buncombe, French Broad, Tuckasegee, Little River, New River, Robeson, and Yadkin associations.

State youth Bible Drill winner, Amy Mace, and State Speakers' Tournament winner, Martha White, represented North Carolina at Ridgecrest during Church Training week in July. In 1986, five area tournaments will be necessary to facilitate the tournaments.
- Area Children's Bible Skills Rallies were held in Brevard, Stony Point, and Ahoskie for purpose of introducing 1986 Children's Bible Drill material to children and their leaders.

- State youth and children consultants led conferences in several associations for training leaders of drills and tournaments.
- Special interpretation in Church Training resources and priorities was provided new religious educators.
- The department co-sponsored with the Baptist Sunday School Board a MasterLife Seminar at Caraway, reaching 88 pastors and church leaders.
- The department staff participated in eight associational "M" Nights in 1985.
- Church Training work was presented at eleven Pastors' Conferences.
- An area DiscipleYouth Workshop was held in Elkin. Area DiscipleLife Workshops were held in Raleigh, New Bern, and Wilmington. Attendance at the workshops totaled 141.
- Church Training staff assisted associational leaders in four Key Leadership meetings.
- Church Training staff interpreted MasterLife in three associations.
- "Back to Basics" (Curriculum interpretation) Conferences were held in Franklin, Lenoir, and Whiteville.
- Four Church Training Growth Strategy meetings were held for Directors of Missions and Associational Church Training Directors from 30 western North Carolina associations.
- The Church Training staff taught a course entitled "Christian Initiation and Discipleship Development" at Southeastern Seminary during the 1985 fall semester.
- The Church Training staff has held numerous individual and small group consultations in associations and churches across the state.
- Two staff members assisted two classes in Evangelism at Southeastern Seminary in the spring of 1985.
- Staff members led Church Training conferences during the fall Sunday School Conventions.

## **Sunday School**

### **Victory Today! Challenge Tomorrow!**

Although final enrollment reports in the three-year effort to enroll 855,000 in Sunday Schools across the Baptist State Convention are not available, we anticipate rejoicing in the great victories God is giving his churches! The Southern Baptist Convention 8.5 by '85 emphasis conclusion on Celebration Sunday, September 29, 1985 is the launching pad for an even greater goal. Consider having 10,000,000 people enrolled in our Sunday Schools by 1990, 1 million of those in North Carolina Sunday Schools!

*Victory Today! Challenge Tomorrow!*

## Victories in Leadership Training Diploma Plan

A few years ago Sunday School Leadership Diplomas were almost a forgotten tool. Fewer than a dozen were earned even state-wide. Rejoice! Victories in training Sunday School leadership show 14,655 enrolled in diploma plans, with 147 attaining the completed diploma with several months left this reporting year! An additional 2,002 are enrolled in the Advanced Sunday School Leadership Diploma with 12 already awarded this year.

## Victories in Leadership Development Conference Attendance

Concern for being trained for effective work is reflected in record attendance in state conferences: 136 during August Mini-Weeks at Caraway; 855 at Ridgecrest, 228 in Greenville and a packed 370 at Caraway during fall leadership conventions.

Throughout the year the Sunday School Department assists churches and associations in various training projects. A few examples are:

- Associational schools in Brier Creek, Robeson, Sandy Run, Avery, Buncombe, Chowan and Yates. The school in Theron Rankin was one of the largest with 215 participants from 33 churches.
- Training for Vacation Bible School associational teams provided at Greenville, Wallace, Caraway, Brevard and Hickory prepared over 600 workers from 76 associations to lead local clinics. A late spring clinic provided training for special mission VBS teams.
- Associational Sunday School Improvement Support Teams (ASSIST) participated in "Effective Workshop" training in Asheville, High Point, Rocky Mount and Fayetteville. Over 400 ASSIST leaders were equipped to lead workshops in their own associations.
- January Bible Study Institutes for pastors were provided in November on campuses of six of our Baptist colleges and at Southeastern Seminary, a cooperative effort of the schools and the Sunday School Department.
- CHURCH WEEKDAY EDUCATION, one of the extra assignments, provided opportunity to plan, staff and conduct three workshops involving 205 teachers in church kindergartens and day care programs from 14 associations.
- In MEDIA/LIBRARY work, another extra assignment, the state workshop involved 179 local church media personnel. A dream is to have a small model media center at the Baptist Building to be used as a training tool.

## Victories in Enrollment Growth and Goal-Setting

An enormous resistance to goal-setting is gradually being overcome. More churches are deciding not only that their Sunday Schools *should* grow, but that they *can* grow. Typical examples are four North Carolina churches listed on Andy Anderson's Super Spiral that increased Sunday School enrollment over 100 since October 1, 1984:

138/Baptist State Convention

|                                |             |
|--------------------------------|-------------|
|                                | increase of |
| Parkwood, Gastonia .....       | 104         |
| Catawba Heights, Belmont ..... | 123         |
| Osborne, Eden .....            | 210         |
| Grace, Gastonia .....          | 467         |

## Victories in Providing Growth Resources

Sunday School growth does not happen at state level, but rather in local churches. As individual classes enroll more people, and as Sunday Schools in the churches reach more lost and unchurched, the Sunday School Department has the privilege of compiling and sharing the growth records. Among the resources provided this year to help local churches build larger and stronger Sunday Schools three extra special tools were developed or distributed.

- A "From Here To Victory" Resource Kit was purchased and made available to each of the 3,500 churches at no charge.
- The NEW "U" AWARD plan provided recognition to every class and church that started a New Unit for any age group.
- INREACH '85, written by John Sisemore especially for the North Carolina Sunday School Department, gave help to pastors in enrolling their own resident church members in Sunday School. (There are over 400,000 of our resident members not enrolled in Sunday School!)

## Victory On The Roof With BTN

The satellite dish on top of the Baptist Building can receive all-day programming from Baptist TelNet now, and has capability for future expansion as we enter the telecommunications era of Sunday School work. The Communications Division and Sunday School Department cooperated in funding and providing BTN for the convention staff.

## Victories During Enlargement-Improvement Campaigns

The ten-day, intensive quantitative-qualitative Sunday School growth campaigns conducted in eight associations involved 111 churches. In addition to community surveys and people search, teachers and officers in each church were provided eight hours of leadership training. Guest directors enlisted from the 400-plus cadre of trained Sunday School growth consultants became "team" with pastors to evaluate, plan and recommend strategies for numerical growth and improvement in the teaching-learning process. If the churches perform any significant follow-through with the 11,790 prospects discovered, the 8.5 by '85 goals may indeed be achieved!

## Victory Now! Challenge Tomorrow!

Great victories accomplished are but springboards for the challenges ahead. If all 8.5 by '85 goals are reached, there will remain thousands more people unsaved, unchurched, not involved in life-changing Bible study. CHALLENGE 10/90 is the theme for the next plan of action, the next series of goals and strategies. Can Southern Baptists have 10 million people enrolled in Sunday School by 1990?

The answer depends on how churches, associations, and the Sunday School Department are willing to be used by God for the *Challenge Tomorrow!*

## **Possible North Carolina Goals for Challenge 10/90**

In various meetings with local church, associational and state Sunday School leaders these possible goals have been mentioned for accomplishment by September 30, 1990:

- 1,000,000 people enrolled in Sunday School.
- 100,000 Sunday School workers trained in personal witnessing.
- 3,000 Sunday School Leadership Diplomas earned.
- 1,000 churches with Outreach Bible Study Groups.
- 1,000 churches with weekly workers' meetings
- 325 new Sunday Schools started.

## **Can Tomorrow's Challenge Be Met?**

The Sunday School Department staff is ready and willing! Johnny Ross will give direction to adult strategies and will coordinate state-wide training events. Phil Stone will guide efforts in reaching and teaching youth in addition to guiding ASSISTeam development. Children's work will be in the capable hands of Janice Haywood, who also leads in Vacation Bible School work. Preschool Associate, Bob Goode, will help us plan to reach the mini-baby boomers and will give direction to Church Weekday Education, Media/Library work and to BTN coordination.

The field staff's work is multiplied because of faithful and effective secretarial support. Linda Hicks, Department Secretary, and Eva Teague, Assistant Department Secretary, do much of the detail, behind the scenes work and correspondence for which those of us traveling and leading conferences get credit. We are thankful, and we remind ourselves often we are privileged to be "team" together. The frequent surges in volume of work can be handled because of our extra secretarial helpers, Pam Furlow, Virginia Walker, and Simone Storey.

We celebrate victories now! We accept the challenge of tomorrow!

**Robert Stewart, director**

## **Woman's Missionary Union**

Woman's Missionary Union (WMU), auxiliary to the Baptist State Convention of North Carolina, exists to teach churches about Southern Baptist missions, lead them into an active ministry of prayer for and financial support of such missions, and help them become more involved in missions in their communities. The programs and activities of Woman's Missionary Union are planned and conducted with these tasks in mind.

The state work of WMU is administered by an Executive Board, comprised of the officers, age-level chairmen, and 15 members at large from the 10 state regions. The officers for 1984-85 were Bea McRae (Mrs. Horace), president; Dot Allred (Mrs. Hoyle), first vice president; Ann Smith (Mrs. Sanford), second vice president; Mary Stancil (Mrs. Alfred), recording secretary; Shannon Wyrick (Mrs. Robert), assistant recording secretary.

The staff consists of Nancy Curtis, executive director; Suthell Walker, Baptist Women consultant; Carolyn Hopkins, Acteens consultant; Jan High (Mrs. Larry), Girls in Action consultant; Pat Ritchie, Mission Friends/Baptist Young Women consultant; Leland Bingham, resident manager; Tammy Herring, camp director/consultant; Pina Maynard (Mrs. Robert G.), administrative assistant; Diane Hurlbut (Mrs. Don), bookkeeper; Kay Bisette (Mrs. David), receptionist/secretary; Belle Wilson (Mrs. Walter), part-time secretary.

There are approximately 230 North Carolinians currently serving as either associate or career missionaries with the Foreign and Home Mission Boards. A monetary gift of \$200 was given to each at the time of appointment, and gifts of books and magazines were sent to them at Christmas. Retired missionaries, MKs, Journeymen, and US-2 missionaries were also remembered.

WMU encourages people to be involved in short term mission work by giving financial assistance to those needing it, and by providing a retreat in which persons can share experiences and receive information about opportunities for volunteers through Mission Service Corps and other programs.

For several years WMU has provided three-day retreats at Camp Mundo Vista for incarcerated women from the North Carolina Correctional Center and from Fountain Youth Center. Each year women and girls from across the state share in giving special Christmas gifts to all women in these two institutions.

Language churches across North Carolina are becoming involved in mission programs, and WMU is seeking to train the women who are leaders in these churches by providing scholarships for them to WMU Week at the Ridgecrest Conference Center and by giving them special training as needed.

In an effort to assist developing states, North Carolina WMU has provided subscriptions to the age-level magazines in churches that are unable to afford them.

## **Leader Training**

If the goals of Bold Mission Thrust are to be reached, and if WMU is to effectively accomplish her tasks within these goals, women must be trained to take places of leadership. Thus, leader training is one of the most important aspects of the work.

Seventy-four associations were represented at summer associational leadership training in 1985. These women, in turn, teach WMU methods and materials to church leadership. It is estimated that well over 10,000 women in leadership positions are trained in this way each year.

Training was also held for associational Acteens councils, for women working with mission support, and for those teaching the home and foreign mission studies.

## Summer Camps

Woman's Missionary Union owns and operates Camp Mundo Vista near Asheboro, North Carolina. The camp is used by various groups during the off-season, and by Woman's Missionary Union for nine weeks during the summer. In 1985 these nine weeks of Girls in Action and Acteens camps were attended by 2,022 girls, 50 staffers, and five missionaries each week.

In addition to Mundo Vista, WMU assisted at Camp Truett and Camp Cale, with Marcia McQueen and Susan Thomason as special workers who conducted the training for the staff and directed the camping programs. WMU also gives financial support for a Girls in Action camp conducted by the Kings Mountain Association.

## Highlights

The Annual Session was held in the Benton Auditorium, Winston-Salem, North Carolina, on March 15-16, with 1,961 people attending. The theme for the meeting was "By Love Compelled." Speakers included Archie and Caroline Jones, missionaries to Chile; Barbara Joiner of Columbiana, Alabama; Cecil Ray, who spoke to the women about Planned Growth in Giving; and J. W. Hutchens, who challenged the women to be involved in personal witnessing. A special program focusing on North Carolina Baptist work with the blind, deaf, and mentally retarded was presented by the Department of Special Ministries of the Baptist State Convention. Other Activities included Acteens "Come Together," Gardner-Webb and Meredith colleges; State Acteens Convention, Ridgecrest; Girls in Action Super Saturday, Mundo Vista and Camp Bear Walla; Baptist Women Retreat, Mundo Vista; Bus Tour to the national WMU meeting and the Southern Baptist Convention, Dallas, Texas; Girls in Action Mother-Daughter Overnight Camps, Mundo Vista (2); and Girls in Action Leader Retreat, Mundo Vista.

## Other Emphases

Woman's Missionary Union leads out in the promotion of missions education through the churchwide studies of home, foreign and state missions. Other important emphases include weeks of prayer for foreign, home, state, and associational missions; Baptist Women's World Day of Prayer, World Hunger Day, Cooperative Program Day in the Church, and Focus on WMU.

## Statistics

Woman's Missionary Union of North Carolina continues to lead the Southern Baptist Convention in membership, with 141,806 enrolled, and in number of organizations, with 10,474. A major growth emphasis, "Come Grow With Us," was launched in 1984.

Woman's Missionary Union of North Carolina is committed to Southern Baptist mission causes, to strong support of the Cooperative Program, and to reaching the goals of Bold Mission Thrust.

**Nancy Curtis, executive director**

# Communications

Communications provides products and services for the several General Board departments, divisions, committees, councils and task forces in the area of publications, audio visuals, art services, media relations, research and development and other related public relations services. In addition, the division administers the General Board quick-copy print shop and publication and audio visual distribution centers.

During 1985, the division continued to provide assistance to associations in the development of ACTS (American Christian Television System), with several local ACTS boards added to the nationwide Christian TV network. There were also several churches and associations this year that affiliated with BTN (Baptist Telecommunications Network).

To date, ACTS can be received on the following cable television systems: Asheboro, Asheville, Brevard, Charlotte, Gastonia, Graham, Greensboro, High Point, Lincolnton, Shelby, Wilmington and Winston-Salem.

The print-shop averages approximately 250,000 copies of printing each month.

The Mail Services area is responsible for all bulk mailings conducted by the various General Board departments and divisions, including the regular Pastor's Monthly Mailing, all specialized mailings such as the North Carolina Missions Offering; Lottie Moon; Annie Armstrong and others. The mail-room is also responsible for filling of orders such as tracts, pamphlets, and materials for specialized mailings.

The division reorganized in 1985 into two major departments—to become effective in 1986—Publications/Distribution and Video/Audio Visual. Jane Callaway Richards was named director of Publications/Distribution and Frances Riley director of Video/Audio Visual.

The two major areas of work reports follow.

**William H. Boatwright, director**

## Art/Publications

The Art/Publications Department seeks to support the General Board divisions and departments by producing promotional materials

for various programs and projects. In 1985, materials were published in the form of posters, brochures, flyers, programs, bulletin inserts and other specialty pieces.

In addition to the normal General Board materials, the Art/Publications Department assisted in various convention-wide projects. These included the annual Baptist State Convention materials, Good News America materials, European Convention materials and the North Carolina Missions Offering materials.

This year the convention materials for the Annual Session, the 1986 Diary, and the 1985 Annual all carry the theme 'Good News North Carolina God Loves You.' The identity program is an effort to promote in North Carolina the 'Good News America God Loves You' revivals in March and April 1986.

Several times during the year, Art/Publications has also had the opportunity to design posters and bulletin inserts for the European Convention. The North Carolina/European Partnership has provided the opportunity to help European Baptists promote their mission efforts across their continent.

Art/Publications has also provided design and art for the North Carolina Missions Offering in their efforts to promote the missions work of North Carolina Baptists.

Jane C. Richards, director

## Video/Audio Production

The work of Video Productions is two-fold, producing programs 1) for General Board departments, the various institutions, agencies, associations and churches of the North Carolina and Southern Baptist Convention and for ACTS; and 2) producing programs for other mainline denominations (as defined by the Home Mission Board) and for certain non-profit, tax exempt, community service organizations.

In 1985, the Department produced a total of 71 original feature-length programs. These include the weekly *International Bible Lesson* (Sunday School), *Growing Young Christians* (Youth & Campus Ministry), a ten tape series on *Lay Evangelism Schools* (Evangelism), a three tape series in sign language on *Witnessing for Christ* (Deaf Ministries), *What is the Baptist State Convention?* (Administration), and a tape illustrating the department's video facilities to be used in promoting the facility. Also produced were two programs in the Japanese language (WMU), the Historical Festival at Jersey Baptist Church in Lexington (GB Historical Committee), a commercial television 'spot' for the North Carolina Chapels for the Retarded Committee; post-production on three programs for the Eastern Conference of the United Methodist Church and one for the Society of Friends (Quakers).

Audiovisual services include the audiovisual library, audio and video duplication and distribution, production of filmstrips and custom slide shows and providing audiovisual equipment for staff use.

The Audiovisual Library provides some 300 different video programs and over 2500 filmstrip titles to North Carolina Baptist churches for a small fee to offset postage and handling. More than 12,000 audiovisuals are booked each year in support of various church programs and emphases.

Audio Duplication/Distribution not only provides copies of messages delivered at several Convention meetings each year to purchasers, but assists the Department of Special Ministries and the Brotherhood Department of the Convention by making available tape recordings of the *Biblical Recorder* and *World Mission Journal* at no cost to visually impaired persons. Over 11,500 duplicates of these publications are mailed annually.

A filmstrip.....*Because of Jesus' Love*, was produced and distributed statewide in support of the North Carolina Missions Offering this year.

A custom slide program was developed to assist the Caswell Capital Funds Committee in securing monies for the renovation and expansion of the North Carolina Baptist Assembly at Southport.

Frances J. Riley, director

# Evangelism

The year 1985 has been a year of accomplishments for North Carolina Baptists in Evangelism. This year has seen more involvement by churches and associations in Evangelism than in recent memory. It was an absolute imperative that our church people come out of the beautiful church buildings and into the market place and share with lost humanity the message of Jesus Christ. This has been the year that this has happened across our state.

Baptists are signing up to participate in the "Good News America God Loves You" revivals in March and April 1986. The revival dates for North Carolina are: Eastern, March 8-16; Piedmont, March 23-30; and Western, April 6-13, 1986. Churches are being encouraged to plan revivals during one of these suggested dates. Please pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1986.

Churches are urged to have a Continuing Witness Training (CWT) or Lay Evangelism School training in preparation for the "Good News America" revivals. Bible distribution and a people search has been emphasized during October 1985.

Many of our churches have already scheduled revival training seminars, Growing Evangelistic Churches in North Carolina seminars, and Spiritual Awakening seminars for 1985-1986.

This year, in the midst of another snow storm, the Statewide Evangelism Conference was held in War Memorial Auditorium and

Coliseum, Greensboro. Joe Ann Shelton and Loeen Bushman led the music and John Sullivan, John Bisagno, Bill Jones, James Pleitz, William Tanner, and Charles Page preached to the 8,000 in attendance. On February 3-4, 1986 the 40th conference will be held in Greensboro Coliseum with George Harris, Frank Crumpler, Leonard Sanderson, Frederick Sampson, and Jim Henry bringing the messages. Larry Black will be leading the music.

The Evangelism Division sponsored 15 regional meetings in October designed for pastors and staff. These meetings will be held each year to inform and educate the staff on coming evangelism events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served. This year the emphasis was on the "Good News America" revivals.

Again, one of the hits of the year was the Single Adult Evangelism retreat. This is the third year for this retreat and it along with the vocational evangelists retreat are always well attended.

The third Mountain Pastors Evangelism Conference was held at Ridgecrest and was such a success the 1986 conference is already on the agenda. Designed for the mountain pastor and his wife, the conference begins on Friday afternoon and concludes Saturday at 2:00 p.m.

With baptisms up this year, let's pray God will use each of us to win one in 1985-86.

J. W. Hutchens, Jr., director

## Evangelism Development

The purpose of this department is to provide direction, strategy, and training for a broad spectrum of year-round evangelistic endeavor; i.e. encouraging aggressive pastoral leadership, rural as well as metropolitan applications, bi-vocational and ethnic leadership, spiritual awakening, and the mechanics of evangelism research, writing and utilization of mass media.

### Specialized Evangelism Planning

Growing Evangelistic Churches in North Carolina, a five-hour seminar, is basic to planning for evangelism year-round. Associations are encouraged to schedule this seminar.

### Revival Preparation

The Revival Training Seminar enables a church to organize and prepare in order to utilize the revival meeting for its maximum potential in reaching people. Revival Training is a primary strategy for emphasis.

## **Spiritual Awakening**

The Prayer for Spiritual Awakening seminar continued to be available for churches and associations. Some churches are opting for a retreat or prayer revival format. Since its introduction in 1980, renewed interest is being expressed in using this means of establishing and implementing a congregational prayer ministry as the foundation of a church's total ministry.

## **Metropolitan Evangelism**

Urban Evangelism Awareness Conferences continue to meet the needs of many. The content brings a focus on interfacing evangelism with Christian social ministries, new work, language, student, multi-family, and inner city work.

## **Tent Ministry**

Our convention has two revival tents which are available for use in resort evangelism, new work starts, area crusades, and local church revival meetings.

**Victor G. Cole, director**

## **Personal Evangelism**

The Personal Evangelism Department provides opportunities for witness training to Christians of all ages with emphasis given to several target groups such as youth, single adults and young adults. A major part of its work is to provide leadership training for key church and associational leaders who can continue training others at the local level.

## **Continuing Witness Training**

Interest in CWT continues to rise at a very exciting rate across North Carolina! Eleven National CWT Seminars have been conducted with approximately 150 churches, including pastors of each church attending. During 1985 seminars have been held in Asheville, Fayetteville, Hendersonville, Wilmington, Greensboro, and Morganton. The seminar, including nine sessions during four days, involves participants in actual witnessing. The most distinguishing factor of this process is the fact that it multiplies the witnesses as they are trained. A Model Presentation of the Gospel is used to share one's faith during visitation.

The Projected highlight for 1986 is a seminar for students of Southeastern Seminary to be held at Lafayette Church, Fayetteville. Students will receive academic credit for completion of the seminar. In addition, six other seminars are planned for 1986.

## Single Adult Evangelism Conference

During April 26-27, 85 single adults gathered at Caraway Conference Center near Asheboro for the third annual Single Adult Evangelism Conference. Leaders included Jerry Hayner, Raleigh; Cecil Seagle, Virginia Beach; Janice Haywood, Cary; Johnny Ross, Cary; and Ella Bowman, Asheville. Emphasis was placed on self-image, helping children in understanding salvation, and personal witnessing.

## Student Evangelism Team

The Team took on a vastly different look during 1985, using music as the vehicle with which the evangelistic message was shared. Eight college students made up the Team which worked in 17 churches, at youth Evangelism Week, Caswell, and SUPER SUMMER '85. Many decisions for Christ were recorded as well as many exciting comments about the excellence with which they performed ministry. The daily schedule consisted of rehearsals, prayer times, witness training, visitation, and evangelistic concert.

1986 will see the return of the three-member revival team as well as the continuation of the music team known as WITNESS.

## Youth Evangelism Week

With a theme like "How's Your Love Life?," you can imagine that we had no difficulty gaining and holding attention of 1,034 youth and their adult leaders during Youth Evangelism Week at Caswell during July 1-6! Led by youth evangelist Barry Wood of Texas, youth were challenged to let the Lordship of Christ govern the decisions which they are making about many crucial areas of life. Christian principles were applied to the areas of life and love. Was the week successful? One way to measure this is to say that on two evenings, over 330 youth made public commitments of their faith in Christ, with over 60 of these being first-time professions of faith! It was a great experience. Other leaders were soloist Linda Dove, WITNESS, Buddy Freeman, and Rick Trexler.

## Super Summer '85

This three-day event really proved to meet many needs. During July 10-12, 800 youth and leaders met at Wake Forest University to be trained in evangelism and discipleship. Youth were given training in prayer life, witnessing, scripture memorization, dealing with peer pressure, etc. Adult leadership focused on building a strong youth ministry in their local churches which includes witnessing and discipleship. The highlight of the conferences came on Thursday afternoon when this group went onto the streets of Winston-Salem to share their faith with strangers. Many wonderful testimonies were shared as a result of that experience! Barry St. Clair and Bill Jones of Atlanta led these seminars.

On Friday evening, 7,000 people joined together in Greensboro for an evangelistic crusade. St.Clair, Linda Dove, Gabriel, WITNESS, and

Mark Price of Georgia Tech led the service which saw over 650 youth make public decisions for Christ.

# Missions

There has been significant growth in work in each department in the Division of Missions. This progress is delineated in the reports that follow.

North Carolina has finished Phase I of Mountain State 200, the partnership with West Virginia Baptists. The goal of establishing 100 new churches was not met but significant work was done. Sixty new churches were started, 33 church buildings were completed, 42 churches or pastor's homes were renovated or repaired.

Approximately 514 churches and/or associations participated throughout the five year period with over 10,000 people going to West Virginia. West Virginia leadership has requested a continuation of the partnership. Recommendations will be presented at the Baptist State Convention meeting in Charlotte for continuation through 1988.

One of the major emphases of the Division is new churches. A goal of 2,000 new churches, 1,000 in North Carolina, was adopted in 1982. During 1985, the Baptist Foundation, Roberts Associates, an insurance endowment company and a special study committee on Funding New Work have helped design plans for raising \$10 million to help fund new language, black and traditional Baptist churches.

Staff of the division have worked throughout the year on a reorganization plan to accomplish two goals, 1) to utilize to maximum effectiveness existing staff of the division and 2) to allow development of ministry or expansion of ministry in four areas, prison ministries, leisure and resort, persons with handicapping conditions and church service groups to provide services (transportation, repair on appliances, legal services) to widows, widowers, homebound, ill and handicapped.

There was one staff change among field staff. Cleve Wilkie retired on August 31, 1985 after 28½ years on the staff in Stewardship and more recently as Coordinator for the West Virginia partnership.

**Sara Ann Hobbs, director**

## Area Missions

Area Missionaries work in three parts of the state, serving the more remote areas as the "convention on location." Efforts are made to bring the resources of the Baptist State Convention to bear upon the needs of the churches and associations and to provide leadership

opportunities, mission experiences, and training for members of these churches.

Northeastern North Carolina has been celebrating its 400th birthday this year. The many activities and much celebrating has once again shown to our state and nation the valuable resource the people of this area are to the world. The continued rapid growth in much of the area truly says that northeastern North Carolina has been rediscovered. From the early 1700's until the present the work of Baptists has been a strong element in molding the people that make up this vast area.

One example of this occurred July 21, 1985, when the Albemarle Baptist Mission was dedicated. The beautiful sanctuary and education building, built by volunteers in less than a year, expresses the strong community support and the commitment to missions that Baptists have in this part of the state.

The summer of 1985 has also seen the birthing of another new mission, the Outer Banks Baptist Mission, located near Nags Head. It has been exciting to see the continued support given to the new work in this area.

Because of people like Bob Crisp, associate pastor at Edenton Church, and migrant ministries coordinator for the Chowan Association, there has been great ministry provided for the migrants. Wanda Fane and Roudie Gustave have given their language skills and untiring ministry to these people. In the Elkin and Surry associations, George Pauley, Jane McRae and Bill Pearson (the latter are the directors of missions in the two respective associations), along with their missions organizations, have again this year provided leadership for reaching out in this type of ministry. Several migrants have made professions of faith and have been baptized. There seems to be a renewed dedication on the part of many churches to go to all with the Good News of Jesus Christ.

Key leadership workshops, Seminary Extension Centers, and missions retreats continue to be a valuable resource in preparing pastors and lay leadership to do ministry together. A series of conferences for bi-vocational pastors was held across western North Carolina, seeking to affirm these strategic leaders. Quentin Lockwood, director of the Rural-Urban Department of the Home Mission Board, worked with the area missionaries in holding conferences across the state on the work and the importance of the rural church. Several meetings were held in western North Carolina in cooperation with the Interfaith Witness program giving information and material to help understand and minister to the Mormons. In addition to conferences with the directors of missions and pastors, the area missionaries participated in World Mission Conferences, leadership conferences for all the church programs, and worked with numerous search committees.

Efforts at Resort Missions are being made in each of the areas. The Tent, long highly visible and well known at Kitty Hawk, has changed its style somewhat and launched several new programs. Thirteen summer missionaries, serving on three teams, made better than 16,000 contacts this summer in Watauga and Avery counties. Winter ministries are in place at three ski slopes using as many as 60

volunteers, several of whom serve on the Ski Patrol. In southwestern North Carolina, a ministry which will include the work of a US-2er has begun and will reach out to those who come to the Nantahala Gorge for rafting in the summer and to Maggie Valley for skiing in the winter. Missions to "people on the go!"

Jim Lambert, Area Missionary, Northwestern N.C.  
Tom Lolley, area missionary, Southwestern N.C.  
Larry McClure, area missionary, Northeastern N.C.

## **Associational Development**

The Department of Associational Development provides encouragement and assistance in the 79 associations in helping them to develop a strong associational program and ministry to meet local needs and opportunities. During this year, 44 associations have received financial assistance in the amount of \$154,690 for their basic associational program and for mission ministries. This assistance is being provided through the means of cooperative agreements. The cooperative agreement involves a joint planning process between the association and the Convention through which the association is assisted with its basic program and/or mission ministries and special mission projects.

During 1985, two associations, Piedmont and Pilot Mountain, have been involved in Mega Focus Cities: A Plan of Megalopolitan Strategy Development. This is a program of associational strategy planning to assist churches in carrying out the intent of Bold Mission Thrust. This Department also provides assistance in helping every association upon request to determine its purpose, objectives, resources, goals, and action plans. Associational strategy planning is the process of providing the association with the best possible direction and approach in accomplishing its purpose and mission. It is the necessary process by which the association defines its purpose and mission and then develops a program to attain them. Good associational planning in both strategy planing and annual planning is necessary for the association to effectively achieve its purpose and to be on mission for Jesus Christ in its setting.

## **Christian Social Ministries**

There are 11 full-time and six part-time Christian Social Ministries programs now in progress. In 1986, one additional full-time program and one part-time will be started. The full-time Directors of Christian Social Ministries are: Carolyn Ann Johnson, Buncombe Association; Marvin Southard, Dan Valley Association; Robert Davis, Kings Mountain Association; James H. Royston, Mecklenburg Association; Gerry Hutchinson, New River Association; Dennis Gabriel, Raleigh Association; and Marsha E. Cook, Wilmington Association. There are vacancies in the Gaston, New South River, and the Pilot Mountain associations.

## Resort Ministries

Resort Ministries is an effort of North Carolina Baptists to witness and minister in the resort and leisure time areas of our state. Basically, the thrust of our program is during the summer weeks. During 1985 there were 31 summer student missionaries serving in resort areas across the state. Their ministries included drama, clowning, puppetry, Bible teaching activities, music presentations, worship services, and serving as campground chaplains. In the Boone area, we share in a year around ministry to the ski slopes.

During 1985, new resort ministries were implemented to NASCAR racing fans, in flea markets, the truck stops on I-40 and I-85, the PGA golf tournament in Greensboro, in the leisure resort areas at Pinehurst, and in the river rafting areas of western North Carolina. A US-2 resort missionary is serving in western North Carolina to develop ministries to the river rafting groups and the ski areas. Likewise, a US-2 resort missionary is serving in the Wilmington Association.

With tourism up 12 percent in our state, the opportunities of Resort Ministries are greater than our resources and personnel. The challenge is ours to reach these leisure time people at a time when they are open and receptive to new experiences. It is exciting that both churches and associations are experiencing the challenge and joy of witnessing and ministering for Christ in resort areas.

George E. Shore, director

## Brotherhood

This basic task of Brotherhood is to involve men and boys in missions. It is felt that this is being done better today than ever in the history of Brotherhood work, both in North Carolina and the Southern Baptist Convention. In 1985, there were more men involved in mission action, study, and prayer groups than ever before. Men's prayer groups continue to grow at a fast rate. For both the church and Brotherhood, this is a vital sign of good things to come.

## Local Leadership

During 1985, the state Brotherhood Department continued to spend more time and resource in helping develop the local leadership (associational and local church). It is felt by the state staff that without good trained leadership at these most important levels, it will be very difficult to see sustained growth in mission outreach for men and boys. There was great effort given to train specialists in Brotherhood work that help in leading both at the church level and the associational level. This year, the training specialists went to the Home Mission Board to better understand how men and boy's work relate to our home mission enterprise and how, in leading in a conference, Brotherhood could better relate to this most important mission outreach of our denomination. There were more associational Brotherhood workshops in 1985 than in previous years.

## **Royal Ambassadors**

Under the leadership of Tommy Puckett, Eddie Pettit, and Richard Brunson, our Royal Ambassador program in North Carolina has become a model for the Southern Baptist Convention. New and innovative programs have challenged boys in grades 1-12 to become more involved in missions than ever before. From our sports programs that are involving thousands of boys to overseas missions project involving senior high young men, Royal Ambassadors has become the vehicle to challenge boys to be "Ambassadors for Christ."

Our summer camp program continues to be the very best in helping a young man to discover himself in new ways. Under the leadership of Richard Brunson, Camp Caraway for boys is a model example of what "decentralized camping" can be and should be. Over 1,600 boys this past summer spent a week at Caraway learning valuable lessons that will come back to them as they grow into manhood. This was the largest attendance in many years. Royal Ambassadors have a future that is very bright and, under the leadership of our present staff, will continue to grow.

## **North Carolina Baptist Men**

North Carolina Baptist Men is very appreciative to the North Carolina Missions Offering for providing three percent of that offering to operate this organization. NC Baptist Men continues to work hand in hand with the Brotherhood Department in enlisting men to various ministries. At the present time, there are 14 different ministries that men are involved in. David Langford, director of Brotherhood work, serves as executive director of NC Baptist Men.

In 1985, two new ministries are under consideration. A proposed Lawyer's Fellowship is in the organizational process. The purpose of such a group will be to provide a fellowship both on a local level and a state level for lawyers to come together to discover ways to use their profession in a Christian way. Also, it will allow lawyers an opportunity to discuss with fellow lawyers ways to deal with issues that affect their profession. In addition, a Mechanic's Fellowship study is underway. Hopefully, in 1986, there will be similar pilot projects that will challenge men to use their skills in ministry.

In 1985, we saw a renewing of emphasis on Men's Prayer Units. A video cassette presentation on prayer has begun to become a means of involving men in prayer. Baptist Men will continue to challenge in 1986 every Baptist church in our state to have a Baptist Men's prayer group. It is a reasonable expectation, and one that, without doubt, will provide power for both the church and their men to do great things for our Master.

## **Staff**

With a complete staff on board, the office ran very adequately with the help of Lynn Tharrington, office coordinator; Sharon Dixon, office secretary; Jetta Allen and Tracy Wood, part-time secretaries. Countless letters, programs, and memos were sent to leadership across our state that enabled our work to be accomplished. With capable office staff

and dedicated field staff, good days are still ahead for Brotherhood work in North Carolina.

David Langford, director

# Chaplaincy And Language Ministries

## Chaplaincy

Prison Chaplaincy Ministries have taken a great step forward as a Clinical Pastoral Education program was established at Woman's Correction Facility in Raleigh under the direction of Chaplain Phil Carter, a Baptist chaplain who was originally trained under the intern program established by the Chaplaincy Department of the Baptist State Convention. This is a first for the Baptist State Convention to be able to train prison interns with a C.P.E. program in the prison setting.

Volunteer Chaplaincy programs are expanding as a result of associational priorities being directed toward this program. Five associations have or are in the process of beginning Volunteer Chaplain programs to hospitals, rest homes, jails and prisons. These ministries are developing on the local level, a base of ministry that is resulting in many persons coming to a knowledge of our Lord and Savior.

Approximately 22 military chaplains who are Southern Baptists are serving in North Carolina. These are joined by many pastors and staff members of North Carolina Baptist churches who serve in the active military reserves to give a strong ministry in the name of our Lord to military personnel. Each of these appreciates the support given by North Carolina Baptists through the Chaplaincy Department.

## Language

Many language and culture groups live and reside throughout North Carolina. Agriculture and industry continue to lure peoples of the world to our beautiful state. Presently North Carolina Baptists are ministering to other nationalities living among us in 10 different languages. These include: Spanish, American Indian, Middle-Eastern (Arab), Korean, Japanese, Chinese, Vietnamese, Laotian, Cambodian and Asian Indian. We support these direct ministries with Migrant Missions, Interfaith Witness and Literacy programs. It is the feeling of personnel who work with The Home Mission Board in Atlanta that North Carolina has developed an excellent program of ministry to ethnic-Americans who now reside in this state. This commendation should be directed to the excellent attitude of our associations who have seen the need and made Language Ministries a vital part of their program.

# Church Extension

## PRAXIS

Fifteen Student Church Planters from Southeastern Baptist Theological Seminary worked in five associations this summer. For ten weeks they made evangelistic visits, conducted Big A Clubs, Backyard Bible Clubs, Mission Vacation Bible Schools and Home Mission Bible Fellowships. Several of the teams established New Works. Foundations were built by the other teams. New works could easily be born in these situations in the future. PRAXIS Teams served in the following Associations:

- Mecklenburg Association, Ron Honeycutt, Mike Saul, and Greg Wise
- New River Association, Glenn Crumpton, James Moynihan, Keith and Tammy Summey
- Raleigh Association, Sponsoring Church—Greenwood Forest, Lee Ray and Beth Greene
- Wilmington Association, Cynthia Leach, and Donna Yost
- Yates Association, Fred and Sherry Hilder, Richard and Eleanor Kuter

## New Work Corps

Another group of seminary students from Southeastern served as Church Planters in a different facet. There were six associations who worked with New Work Corps Church Planters. Four new works were begun and two were continued by the New Work Corps at the six target areas. This year one of the group served in the area of public relations to build an awareness of what has been done and what can be done by Church Planters.

- Brunswick Association, W. A. Barnhill
- Chowan Association, Tony McKee,
- Little River Association, Elizabeth Ware
- New River Association, Curtis Clark
- Raleigh Association, An Pham and Nancy Lee
- Transylvania Association, Carl Graham

## Church Pastoral Assistance

In 1985 there were 39 New Works (1-5) and 15 established works (six years old and older) who received Church Pastoral Assistance. The General Board in the September 1985 meeting will approve 1986 assistance for new works and established works.

Fifteen pastors received assistance for the Southern Baptist Convention Annuity Program through the Church Growth Assistance ministry.

## New Work

As of this date (9-16-85), there have been 33 new starts.

## **PACT Blitz**

Raleigh and Yates Associations have rescheduled the PACT Blitzes. Other PACT Blitzes may be scheduled for 1986 by contacting the Church Extension office.

## **Statewide Church Growth Conference**

The second statewide Church Growth Conference will be conducted February 28 and March 1, 1986 in Greensboro. Ron Lewis and Cal Guy are keynote speakers. Early registration is encouraged.

## **Church Extension**

We covet your prayers that we may meet the challenge of new work in North Carolina. The thousands without Christ must be reached. Our Bold Mission Partnership with the people of this state must have priority as the local churches, the associations, and the staff of the State Convention work together to share Christ with a state population that is 51 percent unchurched.

Robert E. Watson, director

## **Cooperative Ministries And Seminary Extension**

Two observations will summarize the report of our department concerning the past year:

1. All our programs reveal growth and successes. Our work with black youth was exciting and encouraging as usual. The Seminary Extension programs continue to grow in spite of budget limitations. Prison inmates challenge us to reexamine our thinking as miracles in ministry are happening in correctional institutions. The number of people in bivocational ministries is increasing and they are becoming more aware of their possibilities. College students are open to much needed programs in in-service guidance.

2. There is a growing sense of apathy in race relations among Baptists in North Carolina. Members of the Joint Committee find it difficult to create excitement regarding cross-cultural activities. This is a reflection of an atmosphere permeating our state and nation wherein a "cooling" response is given to race relations in general. Black and white Baptists need to reexamine their relationships at this crucial time when unchurched people need to see a united witness in Christian ministry.

## **Seminary Extension—Baptist State Convention**

With a total of 71 centers established during the year, we had the largest statewide program in the United States for the eleventh consecutive year. Representing eight associations, 15 people completed requirements as follows: seven diplomas in Pastoral

Ministries, two diplomas in Bible Studies, one Growth in Ministry diploma, three Advanced Diplomas, and two Certificates of Merit. An important decision was made in June as the National Alumni Organization of Southeastern Baptist Theological Seminary voted to accept into membership “persons holding the Advanced Diploma of the Southern Baptist Convention Seminaries’ Seminary Extension Department.”

## Seminary Extension— General Baptist State Convention

We were pleasantly pleased and surprised as a record 75 courses were requested by General Baptists during the year. They were responsible for 1,368 registrations in 26 centers. This is believed to be the largest program among National Baptists in the United States. Thirteen ministers were awarded the diploma in Pastoral Ministries in Ansonville in November. These were the first diplomas granted to General Baptists under this program. Four other diplomas were granted at a commencement service in Asheville in June.

Since the department identified this program with the Shaw Divinity School, Raleigh, in 1970, the total record among General Baptists is as follows:

|                                 |       |
|---------------------------------|-------|
| Number of people enrolled ..... | 2,486 |
| Number of registrations .....   | 6,832 |
| Number of courses taught .....  | 324   |

## Seminary Extension—Prison Inmates

The prison program continues to grow as a total of 424 registrations were approved during the past year. Scholarships were provided by individual churches and the North Carolina Missions Offering.

Nine inmates received diplomas in Pastoral Ministries at the Eastern Correctional Center in Maury during a commencement program in May. The South Roanoke Association was instrumental in conducting the classes.

## Summer Youth Program

We appointed 61 black summer workers who served in 26 locations throughout the state in a variety of ministries. Youth Orientation Week was held for them at Wake Forest University, Winston-Salem.

## Student Aid Fund

A total of 27 black Baptist students preparing for church-related vocations were provided \$14,576 in scholarships. Matching funds amounting to \$5,000 were provided by Southeastern Baptist Seminary, Wake Forest. The students attended eight different institutions.

## Bivocational Ministries

The fourth annual conference for bivocational ministers and their spouses was held at the Caraway Conference Center in Asheboro. Conferences were held in 10 associations for bivocational ministers

along with their chairmen of deacons and Sunday School directors. Attendance totaled 407.

## Staff

Those associated with this department in addition to the director are: Cecilia S. Davis, office secretary; Leo Williams, Jr; J. Z. Alexander; and Micheal J. Darby.

Corbin L. Cooper, director

## Deaf Ministry

This is the year of deaf leadership and this report might better be called the 1952-1985 report, for this is clearly the year that deaf ministry has come full circle.

In 1952 there were 22 deaf classes, all led and taught by deaf people. But the leaders were untrained in both leadership and teaching. After numerous speaking engagements by the deaf ministry department in the 'hearing' churches many people volunteered to learn sign language and they eventually became the teachers and leaders of the deaf classes.

Because these interpreters did such a great job of leading the deaf people into the full fellowship of the church and encouraged in them a love for Christ and his church, these deaf people have grown to become eager learners of leadership. This department has conducted leadership seminars in which the details of leadership have been taught to deaf Christians. So the deaf ministry has come full circle from deaf-led to hearing-led back to deaf-led ministries.

Evidences of the genuine desire to serve Christ show continually. A deaf Christian called the director of the deaf ministry to say that a young deaf lady he had witnessed to wanted to accept Christ. She did so at a service in the church where he is a member and in a short time brought her deaf husband with her to accept Christ. They have both been baptized into the membership of that church. Another deaf Christian went with the director of this department and assisted in a revival for deaf people in West Virginia where he witnessed to many unsaved deaf people.

This is a tribute to those hearing people who have learned sign language and have labored without pay after learning another language so they could share the love of Christ with those who live within the curtain of silence.

This department has continued a schedule of preaching to deaf people, teaching Bible studies, conducting revivals, funerals, weddings, retreats, workshops, counseling and visiting in homes and hospitals.

But there are still thousands of deaf people who are saying, "The harvest is past, the summer is ended, and we are not saved." (Jeremiah

8:20). Please pray with us for these silent sheep whom the Saviour loves.

**Jerry F. Potter, director**

## **Fruitland Baptist Bible Institute**

Fruitland has been officially notified of a gift of some \$260,000 from the estate of Dan Foster of Asheville. This should make it possible to end 1985 in the black and add a considerable amount into the endowment fund.

### **Return to Old Schedule**

In an effort to cut expenses, Fruitland Baptist Bible Institute condensed the daily program and reduced the quarter schedule to four nine-week sessions during 1985. This made it possible to close the operation during the seven coldest weeks of winter and the seven hottest weeks of summer. The plan was successful in saving some money; but much harm came to the program. In 1986 a ten-week quarter will begin the first Tuesday in January, April, July and October.

### **Development**

During January, 1985 Earl Haynes, vice president for development, was hospitalized. Since he was not able to return to work, he resigned in July. Due to his illness, plans for the Board of Development Counselors to raise \$200,000 during the spring of 1985 were scrapped.

The Fruitland Alumni Foundation, established during the Fruitland Dinner at the Baptist State Convention meeting in Asheville last November, has set a goal of \$2 million for endowment by the end of 1987. The faculty and staff were unanimous in the choice of Kenneth Ridings to head this campaign, since he has been serving as director of alumni affairs and has a close relationship with the alumni.

### **Statistics**

Twenty-five faculty members teach one day each week of school. During 1986 we will offer 58 two-hour courses and four one-week seminars leading to the advanced diploma. Albert McClellan of Nashville will lead a seminar on Baptist Polity. John Rymer, vice president for academic affairs, will teach Bible 502. David Langford, of the Brotherhood Department, will lead Missions 502. Robert Watson, of the Church Extension Department, will lead Ministries 502.

The number of students remains at near 150 and the average age remains at about 37 years. The majority of students come from North Carolina. About two-thirds commute daily

**Alex L. Booth, Jr., director**

# Special Ministries

The Special Ministries Department is responsible for helping churches to become aware of and to provide a ministry with persons with handicapping conditions. Our primary emphasis has been with persons with visual impairments or mental retardation. Our goal is to help all persons to develop their full potential in experiencing salvation in Christ and service within His church.

A highlight of the year was an invitation from the WMU to present the work of the Special Ministries Department at their annual March meeting in Winston-Salem. Over 2,000 women saw persons who were deaf, blind, or mentally retarded lead in inspirational worship. The WMU ladies were challenged to go back home to make their churches accessible to persons with handicapping conditions and their families.

## Ministry With Blind/Visually Impaired Persons

May Waugh has served effectively as field consultant for ministry with blind persons. She has traveled extensively in helping North Carolina Baptists and their church leaders become aware of ways they can minister to the needs of blind/visually impaired persons, and ways those persons can serve Christ and His church.

The cassette tape ministry of the department remains strong and in much demand. Two hundred sixty-seven persons received each issue of the *Biblical Recorder*. In addition we sent 33 sets of the foreign mission study book, 42 sets of the home mission study book, and 51 sets of the January Bible Study book to those requesting them.

## Ministry With Retarded Persons

There are now over 100 North Carolina Baptist churches that have special classes for persons with mental retardation, and the demand for the services of the field consultant, Susan Reed, is at a peak level. She continues to do a superb job!

The Happiness Retreat was expanded to two retreats at Caraway this year. The retreat is a training session for teachers of MR classes as well as a retreat for persons with mental retardation. There were a total of 250 persons at both retreats, 130 of those were persons with mental retardation. The Western Happiness Retreat at Truett Camp was also a great success!

Day camp programs for mentally retarded persons were held at Wingate College, Campbell University, and Mars Hill College. Groundwork was laid for similar programs at Chowan College and Camp Cale for 1986. Recreation departments, BSU students, Christian Service Clubs, associational WMU, and our department work together to make these Saturday events possible.

We promoted Mental Retardation Sunday in March by sending information to churches about how to observe it. We provided 46,000 bulletin inserts to churches requesting them.

We worked cooperatively with the Sunday School Department in

providing leadership for ASSIST Conferences, VBS Clinics, and Fall Leadership Conferences.

The "Open Doors" newsletter was mailed quarterly to 800 persons and/or churches needing information about activities, events, teaching materials, etc., available for ministry with persons with mental retardation.

Parents of persons with mental retardation have continued to express deep interest in residential care facilities for their sons and/or daughters. Our department has responded to these requests by setting up meetings with parents and leaders from The Cross Road Church in Asheboro. The Cross Road Church is building a 12-bed MR group home in conjunction with their already established Rest and Retirement Center.

# Stewardship

The Division of Stewardship seeks to plan, develop, and promote a plan of biblical stewardship to aid the churches in enlisting members in the practice of and growth in Christian stewardship.

This plan of biblical stewardship includes the individual Christian's response in terms of giving, life style, and money management. It also includes the local church and its stewardship responsibilities.

Biblical stewardship also includes the support of missions through the Cooperative Program.

The Division's goal for 1985 is to fulfill this purpose and help churches and individuals to reach Bold Missions giving goals.

The addition of Ken Batts as Associate for Stewardship Development and Cooperative Program Promotion brings the Division staff to full strength for the first time in three years. He began his work in January, 1985 and is serving effectively in the areas of training for associational stewardship directors and consultants and the Great Challenge Stewardship emphasis.

The Division staff seeks to achieve its goals through the following programs:

## Planned Growth In Giving

Serving as staff for the State Planned Growth in Giving Task Force has preempted much of the time of the Stewardship Division staff during 1985. However, this is in keeping with the goals and objectives of the Division and is the central thrust of 1985 programming. Twenty-five Planned Growth in Giving Seminars have been held in 1985 and ten are scheduled for 1986. A more detailed report on Planned Growth in Giving can be found in the report of the Task Force to the General Board.

## **Missionary-in-Residence**

The missionary-in-residence program continues to utilize a furloughing missionary couple to interpret mission support needs to the churches. James and Maxie Kirk, missionaries to Brazil, are serving from August, 1984-May, 1986.

## **Key Associational Leadership Conference**

The Division participated in the training of key associational leadership by preparing materials for and training the 45 associational stewardship directors who attended the conference at Ridgecrest.

## **Cooperative Program Promotion**

Materials have been prepared and distributed to aid churches in emphasizing missions support through the Cooperative Program. Special emphasis was given to Cooperative Program Day in April.

## **The Great Challenge**

The Division sponsored and provided a consultant to lead Great Challenge Stewardship Programs in approximately 25 churches. The Great Challenge is a stewardship program designed especially for smaller churches.

## **Special Seminar**

A Family Financial Planning Workshop involved 13 couples in a process of clarifying Christian commitments, financial goal setting, assessment of resources and the development of a family spending/saving/giving plan. Lee Davis guided the study of his new book, *In Charge: Managing Money for Christian Living*. Each couple is asked to plan and lead a church or associational Family Financial Planning Workshop within the next year.

## **Church/Association Staff Support**

Based on new information and data church/association staff support recommendations were published in a booklet entitled *The Reapers Should Receive Good Wages*. The booklet was sent to church and associational leaders as well as church and association staff.

O. D. Martin, Jr., director

# **Youth and Campus Ministries**

This has been a year of growth, change and preparation. The members of Baptist Student Union (BSU) groups and the total number 162/Baptist State Convention

of its members across the state have increased. Numbers of young people are committed to missions service, witness training, church involvement and personal growth as Christians.

## **Continuing Youth Ministry Coordination**

Rick Traylor, who has served effectively as a convention member for 16 years, has resigned to accept a position as associate dean of students, Samford University, Birmingham, Alabama.

Reexamination of this position is involving conversations with Roy Smith, General Board Youth and Campus Committee, Sunday School Board and seminary staff workers, convention staff members who carry youth-related program responsibilities, youth ministers across the state, campus ministers, division staff workers and selected other Baptist leaders. We are working on a job qualification listing which emphasizes convention youth-related programming, continuing encouragement of volunteers and professional youth ministers and the inter-lacing of youth and campus ministries. A job description will be developed, then, and the search for a person to assume these responsibilities will be underway. The position will be defined and the person employed through regular channels of convention decision-making.

## **Staff Responsibilities**

Baptist State Convention employees who serve on campuses and as consultants for this ministry and the campus ministers located in our seven Baptist schools work with students in the planning and projection of programs locally and at the state level. In many cases these persons are joined by creative and responsible ministers from local churches; the resulting quality of programs and healthy modeling of Christian interaction is most valuable. Monk Ashley, for example, campus minister at Gardner-Webb, whose salary is paid jointly by the college and the convention, worked for almost a year alongside students from nine different campuses in the planning of the student convention, held in late September. Ginger Graves, St. Johns Church, Raleigh; Bert Welch, First Church, Winston-Salem; and Jane Harris, University Church, Chapel Hill, also invested their time and energy, as did Otis Donaldson, volunteer campus minister at Winston-Salem State, and Cary-based staff. This committee, chaired by Kelley Milstead of Meredith and Stoney Medlin of NCSU dreamed and struggled with logistic questions as they decided on theme, speakers, seminar leaders and topics, worship leaders and format. This is a part of our training for leadership in the churches. It is exciting and challenging to learn alongside students who have come to North Carolina colleges from churches across the country and who are making commitments to Christ for the first time in campus groups and churches.

Staff persons, in addition, spend time as possible with faculty and administration in their local campus setting and find ways of cooperating with other student workers in local communities across North Carolina.

## New Responsibilities

Winston Hardman, who has served with vision at Pembroke for the last several years, has been transferred to Western Carolina. He and his family have moved to the area and are in the process of building relationships with students, university personnel and local Baptists in that community.

Stan Yancey, from Wendell, a graduate of Campbell and Southeastern Seminary who has completed training experiences in Forest Hills Church, Raleigh, and an internship at Georgia Tech has been elected as campus minister at Pembroke. These two men, especially, need your prayers as they serve Baptists and these institutions.

## Renewed Vision

"Old-timers" have benefited from missions involvement and are now back at work in their respective positions. Geneva Metzger has returned to UNC-Greensboro after a year's service with the Foreign Mission Board in Japan. Don Norrington served within our Togo Partnership in Lome, Togo, for five months, and Kay Huggins directed the youth and young adult work for the European Baptist Convention for five months at the request of that body and within our Partnership guidelines. These individuals, with their families, will enrich the ministries of their local churches as well as the convention's campus ministry program as they return. A major concern of division leadership is that we teach and model for students and young people commitment to a world-loving God whose children inhabit all the earth. Contact with our missionaries and national Baptist leaders can help provide staff and young people that vision of God's world and kingdom.

Chris and Joy Gambill have been appointed as student workers by the Foreign Mission Board in Taiwan. They have just completed the two-year campus ministry Associateship in missions and ministry in Charlotte. This unique program involves the Foreign Mission Board, Mecklenburg Baptist Association leaders and Don Rogers, convention-employed campus minister in Charlotte, in the training of missions candidates for creative and wise student work in an overseas setting. Mark and Stacey Pennington, recent graduates of Southern Seminary, are in this ministry position in Charlotte at present. We have been enriched by the Gambills' vision and will benefit from working alongside the Penningtons in the months ahead.

## Local Programs

The major ministry of Baptists with those in the academic community is at the local level. Each group is involved in regular worship, witness training, outreach on campus, Christian nurture and support, and ministry in the churches and beyond. Bible study groups meet in the student centers, on campuses and in the dorms all across our state. Materials like Peter Rhea Jones' *Parables of Jesus*, published in inexpensive format by the Sunday School Board for students, are used in guiding these studies. Leadership training is a key dimension

of all that we do because our commitment is to the preparation of students to be involved and capable Christians and church leaders in years to come.

Missions trips and ongoing ministry with persons in nearby communities are other ways in which students are encouraged to see and respond to physical and spiritual needs as followers of Jesus Christ.

In every case, there are Christian lay persons and Baptist ministers who lead music, teach the Bible or struggle with questions of faith and doubt with the students. It is our intention to provide on every campus a group of trained and sensitive Christians who love students and will work with them in building programs of Christian nurture, evangelism and service. In a number of locations BSU alumni are now at work as volunteers in helping another student generation develop faith as they grow intellectually and socially.

## Video Films Available

Two excellent videos are available for use in understanding our work and the challenge of ministry with students.

A newly released 13-minute film is entitled "Growing Young Christians: The Work of Youth and Campus Ministries" and presents the work of the Division. Doug Berky, a talented and creative mime, represents in a delightful manner a youngster who grows up and encounters Baptist ministries with youth and students.

A 23-minute film being used widely by Sunday School Board leadership and those in dozens of other states is, "On the Road Again" and depicts the needs of commuter students and the opportunities which churches have to meet those needs.

Both of these resources are available through the division office or the Convention's Communications Division.

## Thanksgiving

Our heartfelt word to North Carolina Baptists is Thanks! *Thank you* for giving us the privilege of working with the young people you send to campuses and with your youth and youth leaders. *Thank you* for your support through the Cooperative Program. *Thank you* for the vision of Directors of Missions, ministers, and church leaders who help us financially, who lead our programs occasionally and who help to tell our story in Baptist churches over the state. *Thank you* for your prayers and your faith in the ministries we guide on your behalf. May God continue to use us and you in His service.

## Professional Development And Youth Ministry Coordination

Youth Ministry is coming of age among North Carolina Baptist churches. There are 394 ministers of youth serving our churches in a full-time staff position and 383 ministers of youth serving on a part-time or volunteer basis. These 777 ministers often find that leading a church to develop a healthy concept of youth ministry is a major challenge of their ministry. A major task of the Department of Professional Development and Youth Ministry Coordination is to present a balanced philosophy of youth ministry to these youth ministers and their churches.

Youth ministry in a local church is more than Sunday night fellowships, recreation, and an occasional out-of-town trip. It is, rather, the coordination of church programming, designed to help staff, volunteers, and parents guide youth in maturing Christian growth. The church's youth ministry (Sunday School, Church Training, Youth Choir, Acteens, Pioneer RAs, Church Recreation, Worship, and Counseling) must grow out of the needs of youth and should include them in planning and program implementation.

### Professional Development

To assist the youth ministers' and campus ministers' growth in their ministry, programs and materials have been provided: Youth Ministers' Workshop—More than 50 professional youth ministers gathered at Wintergreen, VA, February 18-21, to participate in a conference designed to (1) enlarge the areas of expertise of church staff members in Youth education; (2) provide a spiritual climate where personal growth could produce commitment to God and loyalty to His church; (3) provide a retreat where the fellowship of kindred minds could be affirming and regenerative.

## **Associational and Local Youth Ministry**

To assist the local church and association to grow in their effectiveness, Youth Ministry Conferences have been held in eleven associations with emphasis being given to the development of a sound philosophy of youth ministry. Associational youth ministry coordinators have been enlisted in 61 of our 80 associations and were provided training in associational youth ministry at the Key Leadership Conference.

The North Carolina Baptist Youth Ministers Association selected 10 regional youth ministry coordinators who will serve as resource persons to work with the Directors of Missions and the Youth Ministers Association to discover and relate needs, ideas and resources. They will also serve as recruiters for the Youth Ministers Association.

## **Key Leadership Conference**

Two Youth Council Retreats helped 47 church youth councils with more than 300 youth and their sponsors to become Christian leaders. The retreats focused on the work and function of the youth council, new and proven ideas for youth ministry, and guidance on how to motivate youth.

A Christian Drama Conference provided entertainment and growth for approximately 150 youth and adults at Guilford Baptist, Greensboro, October 25-27. "Curtain Call" emphasized the "how to's" of Christian drama in the local church.

## **Youth Conferences I, II, III, IV**

Four weeks during the summer more than 4000 youth congregated at Caswell for a week of learning how God uses "Ordinary People" for extra ordinary purposes, and how the "ordinary" person becomes "EXTRA-ORDINARY" through a life-changing experience with Jesus Christ.

The theme "Ordinary People," based on Exodus 3 & 4, Luke 15:11-32, I Samuel 18 & 19, and John 20, was enhanced by materials adapted from the Serendipity Youth Bible Study Series by Ka'thy Gore, Thomas Hinton, Ann Johnson, and Don Vigus.

During the four weeks 649 decisions were made, with 89 first-time professions of faith, and 530 rededications. We celebrate in the victories during the hot summer days on the North Carolina coast.

# Missions And Organizational Development

As the name would imply, a major emphasis of this area of work is that of Missions. Mission education and opportunities for student involvement in missions are provided throughout the school year. However, the most concentrated time for student mission involvement is in the summer.

More than 250 students are involved in some type of summer ministry program sponsored through the Baptist State Convention. Baptist Student Union-raised mission money is used to fund a number of these positions.

During the 1985 school year, students in BSUs across the state pledged and gave more than \$43,000 for student missions. Some of this money helped fund students working with Cooperative Ministries, in local churches in North Carolina, and helped fund a resort/youth ministry team in Boone. This money also assisted seven BSUs in their Spring Break Mission Projects. In addition, the student money made it possible for 19 students to serve in ministry positions in North Carolina as well as in other states and countries.

These students worked in some difficult situations, but all of them experienced growth in their own lives as they made significant contributions to the area in which they worked. In North Carolina, students worked in Children's Homes, in a juvenile center, the Cheoah Association and Dorothea Dix Hospital in Raleigh. Seven students worked outside the state in inner-city and general missions in Washington, New York, Virginia, Iowa, Atlanta and with Habitat for Humanity in Americus, Georgia.

Three students had the opportunity to serve outside the US with European Baptist Churches as a part of the North Carolina partnership with the European Convention.

Four students worked with small churches near Burgaw in the Wilmington Association on the Apostoloi Team. These students had an impact on the people with whom they worked. Likewise the summer had an impact upon the students. They have been sensitized to the needs around them and are finding ways to respond to these needs.

## Volunteer BSU Directors

Even though there are 18 fulltime Baptist Campus Ministers in North Carolina, Baptists are dependent upon a number of persons who serve as volunteer BSU directors. Were it not for these persons Baptists would have no presence or witness on many of the campuses in our state.

Persons serving as volunteer directors include: Frank Bryan at Atlantic Christian; Barbara Smart at Brevard; Robin Davidson and Susan Bennett at Elon; Frank Smith at High Point; Marsha Fanning at Lenoir Rhyne; Lorelle Martin, Rose Pleasants, and Amanda Van Vactor at Mt. Olive; Steve Jolly at NC Wesleyan; De Hillyer at Pfeiffer; and Kathy Ratcliff, Randy Barnett, and Eddie Morgan at UNC-A; Otis Donaldson at Winston-Salem State University; Gaylin Huff and David

Clemens at Davidson Community College; Robert James at Fayetteville State University; Jo Hendrix at Wilkes Community College; Dr. Ruth Kennedy at North Carolina Central University.

These volunteers meet regularly with BSUs on their respective campuses. The groups average between 10 and 40 at regular meetings. In addition, these BSU groups are involved in ministry outreach projects. The schools also participated in a joint retreat in January. The volunteer leaders participated in a leadership workshop at Caraway in March.

## **Church Workers With College Students**

The campus ministry personnel works closely with persons in local churches responsible for ministry with college students. The partnership is valid because of the vast number of college students who commute or are at home on the weekends.

One of the ways in which the staff of Youth and Campus Ministries has assisted these in local churches has been through the provision of resources and training opportunities. Cooperatively with the Sunday School Department, training and resource sessions have been planned in September and October.

## **Orientation for High School Seniors**

The Division of Youth and Campus Ministries also works closely with local churches in providing orientation for the high school graduates going on to college. Division personnel are available to assist local churches and associations as they prepare students for college. Teams from local BSUs also help in this way. A major statewide event which focuses on this orientation is the High School Seniors Retreat. More than 100 seniors attended this event at Caraway in February.

# **Church And Campus Program Development**

A significant and major portion of ministry with college students is our encouragement in their participation in church. Though much of our work involves the church's witness on the campus on behalf of Baptists in North Carolina, our hope and efforts lie, as well, in relating students to the local churches.

## **Baptist Youth Corps/Local Church Ministry**

An exciting program designed to involve college students in the life and ministry of the church is the Baptist Youth Corps/Local Church Ministry. Forty-nine students from the seven Baptist colleges participated in the Baptist Youth Corps, and fifteen students from

other North Carolina colleges and universities were involved in the Local Church Ministry. These sixty-four energetic and committed students served churches across North Carolina for ten weeks in the summer, assisting in youth, children's and music ministries. The purposes of the seventeen-year-old program are to develop young adults for a church-related occupation or for significant lay leadership; to assist the local church in strengthening its ministries; and to promote interest in our seven Baptist colleges and the Baptist Student Unions on non-Baptist campuses.

## **Commuter Student Ministries**

North Carolina has 117 colleges and universities, half of which are community and technical colleges. Of the approximate 280,000 students attending schools about half are commuting each day from home. Though our ministry has over the years been one directed primarily to residential colleges, we are much more aware now of this major shift of commuting in student patterns. Consequently our efforts to reach and minister to these students has meant shaping some new directions. Presently, associate pastors, youth ministers, pastors, and other lay persons are carrying the on-campus ministry in a volunteer-directed arrangement, in cooperation with this office. In some cases the shape of the ministry focuses on before class prayer and Bible study breakfasts; sometimes luncheon meetings provide a chance for fellowship and inspiration. What we have discovered is that ministry in these settings often is "ministry on the run," for commuting students leave campus as soon as classes are over, usually traveling home or to jobs. In other words, a "captive audience" of students, able to come back for afternoon or evening meetings, is often both impractical and impossible.

In addition to on-campus ministries, we are seeking ever-effective ways to assist Sunday School teachers and church leaders in their ministry to the students, who most often have grown up in their "college church." Workshops, seminars and personal consultations are employed to give tools, strategies and methods to these workers.

A very helpful twenty-three minute video tape has been produced and is available to churches, entitled "On the Road Again: Toward Ministry with Commuter Students."

New ministries continue to develop, and established work continues to grow among several North Carolina community and technical colleges. Presently, Western Piedmont, Central Piedmont, Wilkes, Caldwell, Davidson County, and Coastal Carolina community colleges have functioning student ministries.

## **Partners in Ministry**

The Baptist State Convention of North Carolina places ministers on college campuses to serve students and the campuses in Christ's name. Funds are provided for salaries and facilities, but support for programs has suffered a serious decline. With a staff that is able and willing to attempt even more effective ministry, and, with the campuses open to the gospel in a new way during the last few years,

funds are needed in addition to those available from the regular Convention budget. Three years ago the General Board of the Convention authorized a planned giving emphasis, called "Partners in Ministry," to raise endowment for programs only through the Baptist Foundation to support and supplement these programs.

Each state campus where there is a full-time Baptist campus minister has begun or is organizing a local council of "Partners in Ministry," for the purpose of planning and projecting fund-raising activities in its locale and among respective BSU alumni. Active councils exist now at Appalachian State, UNC-Chapel Hill, UNC-Greensboro, Western Carolina, and are being organized at NCSU, UNC-Charlotte, East Carolina and Pembroke State. Contributions and gifts, mostly from alumni, total through mid-year nearly \$50,000. Already, some of the interest accrued has been used to begin a ministry to students at Fayetteville State University.

## **Student Evangelism**

Alongside Bible study, worship, missions and fellowship, a continuing emphasis on bearing witness to their Christian faith is vital to students in North Carolina. SHARE Seminars, book studies, and other training sessions are provided and implemented on individual campuses. Under the direction and planning of a very active state Student Evangelism Committee, "hands-on" ideas for campus witness training and sharing are offered; in addition resources of people, strategies and events that can be of assistance in such programs as Evangelife, Share Seminars and Lay Evangelism are provided. The Committee also seeks to find ways to encourage and educate students and campus ministers regarding campus evangelism, such as a conference held at Caraway in February for BSU evangelism committee leaders.

# **Christian Higher Education**

## **Council Membership**

The quality of education, harmonious relationships among the colleges, and cooperation with the Convention have been important to North Carolina Baptists since the colleges came into being. It was with these ideals and goals in mind that the Council on Christian Higher Education was formed in 1944. Unique within the larger family of 52 Baptist colleges, the Council draws its membership from those who head the colleges and those who lead the denomination.

The Council's membership is made up of the following persons:

presidents, academic deans and chairmen of boards of trustees of the colleges/universities; and the General Board's Committee on Christian Higher Education. Ex officio members of the Council are Roy J. Smith, general secretary-treasurer, Baptist State Convention; John Bunn, president, General Board, Baptist State Convention; Norman A. Wiggins, president, Baptist State Convention; Mrs. Horace McRae, president, North Carolina Baptist Woman's Missionary Union; and T. Robert Mullinax, executive secretary, Council on Christian Higher Education.

New members elected to membership last year from the General Board are William R. Bussey and Jerry E. Harper, Sr.

## Enrollment

The total head count enrollment of the colleges as of October 1, 1985 is 16,926. The college registrars provided the following "full time equivalent" enrollment figures, based upon a 12 semester-hour load.

|                        |        |
|------------------------|--------|
| Campbell University    | 2,850  |
| Chowan College         | 954    |
| Gardner-Webb College   | 1,576  |
| Mars Hill College      | 1,268  |
| Meredith College       | 1,624  |
| Wake Forest University | 4,765  |
| Wingate College        | 1,501  |
| Total                  | 14,538 |

## Wiggins Leads Convention

Norman A. Wiggins, President of Campbell, is completing his second year as president of the Baptist State Convention. Leading in a time of denominational strife at the national level, President Wiggins' terms of office have been characterized by fairness and harmony. In cooperation with other state convention presidents, he led in the effort to establish the Southern Baptist Convention Peace Committee, currently at work seeking solutions to the disharmony in the Southern Baptist Convention.

## Mars Hill Vice President, Dean Honored

At the Council's meeting on May 28, 1985, at Chowan College, a resolution of appreciation was brought in honor of Richard Lee Hoffman, Vice President for Academic Affairs at Mars Hill College. A Council member since 1969, Dr. Hoffman served the Christian higher education enterprise on his campus and beyond. Following a study leave, he will return to the college as Assistant to the President for Planning.

## Schmeltekopf Joins Mars Hill, Council

Donald D. Schmeltekopf was named Vice President for Academic Affairs at Mars Hill College, effective July 1, 1985. A native Texan, he is a graduate of Baylor University, Southeastern Baptist Theological Seminary, and earned the Ph.D. degree from Drew University. Dr. Schmeltekopf reflects a rich background of college teaching and

administration in New Jersey and New York. He comes to Mars Hill from the National Endowment for the Humanities, where he was program officer.

## **Wake Forest Covenant Renewal**

The Convention's Constitution gives to the Council on Christian Higher Education the responsibility, along with Wake Forest University, of reviewing the Covenant Relationship at least every five years. Approved by the convention in 1979 and begun in January of 1981, the terms of the Covenant are set forth in a document so named, and in Article XIV and Article IX of the Convention's Constitution and Bylaws.

Serving with Council president James E. Langford, who chaired the Council's Covenant Review Committee, were the following persons: Fred B. Bentley; John T. Bunn; William R. Bussey; Jerry E. Harper, Sr.; T. Robert Mullinax; Bob D. Shepherd; Jerry M. Wallace; John E. Weems; and Roy J. Smith, ex officio.

The University's standing Covenant Committee of the Trustees was led by J. Robert Philpott and these trustees: Clifton L. Benson, Jr.; Mrs. James T. Broyhill; Frank R. Campbell; Ronald E. Deal; James W. Mason; and Alton H. McEachern.

Following numerous meetings and joint sessions of the two groups, agreement was reached concerning changes to be recommended to the Convention. A spirit of partnership and good fellowship pervaded all of the committee sessions. Special credit should be given to President Thomas E. Hearn and General Secretary-Treasurer Roy J. Smith for their determined efforts to reach an agreement which would be beneficial both to Wake Forest and the Convention.

## **Gardner-Webb President Resigns**

Craven E. Williams, president of Gardner-Webb College since August 1, 1976, is serving his final year in that post. He will conclude his presidency on June 30, 1986, or earlier, depending upon the naming of a new president. Hobart C. Smith, chairman of the trustees, is leading the presidential search committee.

Gardner-Webb has prospered under Dr. Williams' leadership, for which the Council and North Carolina Baptists are grateful.

## **Baptist College Opinion Survey**

North Carolina Baptists expressed overwhelming confidence in their seven colleges and universities in a statewide opinion survey.

Respondents to the survey were 29 percent women; 40 percent were lay persons. Eight-four percent were from churches with memberships between 100 and 999.

Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life. More than 90 percent would strongly recommend or encourage a child or grandchild to attend a North Carolina Baptist school.

The study was done, at the request of the college presidents, to help the schools assess their standing with the churches and to identify

specific areas where progress is needed.

The 19 questions asked on the survey covered concerns such as the future of Christian education, success of graduates, strengths and weaknesses of Christian education, stewardship of Cooperative Program funds and channels for distributing information about the schools.

The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses. The overwhelming weakness cited is the cost of education.

Responding to a question about the Convention's Covenant Relationship with Wake Forest University, 77 percent favored the funding arrangement approved in 1979.

## **North Carolina Leaders in Christian Education**

Among the 52 colleges related to state conventions, the seven North Carolina Baptist schools emerge as acknowledged leaders in their collective contributions to Christian education and Christian missions. It is necessary, if the mission of the denomination is to be whole and complete, for Baptists to be involved in the field of enlightenment and scholarship. For a cumulative total of 778 years, North Carolina Baptists have supported Christian education. Such moral and financial support continues today, giving health to the missions of Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate.

James E. Langford, president  
T. Robert Mullinax, executive secretary

# **Campbell University**

On January 5, 1986, Campbell will launch its Centennial Celebration which is being described as "A Century of Vision and Service—Celebrating the Past and Anticipating the Future." Many special events have been planned, and these will be announced throughout the year.

In an effort to bring about a better understanding of the purpose of the University, the faculty orientation theme this year was "Celebrating One Hundred Years, the Baptist Tradition and Campbell University." Participating in the orientation, along with the faculty and staff, were Dr. Lewis Nobles, president of Mississippi College; the Reverend Jack Coffey, pastor of New Hope Baptist Church; Dr. J. Winston Pearce, former Professor of Preaching at Golden Gate Theological Seminary, now Writer-in-Residence at Campbell; Dr. B. Donald Keyser, the Charles B. Howard Professor of Religion; and the Reverend Paul Early, Missionary to The Bahamas, serving this year as the Missionary-in-Residence at Campbell University.

The opening Convocation was held on August 27, with Dr. David B. Funderburk, former Ambassador to Romania, delivering the principal

address. Dr. Funderburk has returned to Campbell following a four-year leave of absence in order to carry out his assignment in Romania. Upon his return, he was named the Graham A. Barden Professor of Government and Chairman of the Division of Social Sciences.

The 1984-85 school year was one of the finest in the history of the University, with all campuses enjoying a highly successful year. In addition to the main campus at Buies Creek, Campbell operates programs at Fort Bragg, Raleigh, Sanford, Rocky Mount, and Goldsboro. The overseas program carried on in cooperation with the University of Ulster, Belfast, Ireland, and Tunku Abdul Rahman College, located in Kuala Lumpur, Malaysia, enjoyed another outstanding year. The University offers the Bachelor of Science degree to some of the most able students to be found on any campus.

Plans to establish a School of Pharmacy were announced to the General Board of the Baptist State Convention on January 28, 1985. Dr. Ronald W. Maddox was appointed dean of the Campbell University school of Pharmacy beginning with the fall semester. With the appointment of Dr. Maddox as dean and the recently received permission to apply to the American Council on Pharmaceutical Education for pre-candidate status, the charter class will be enrolled in August of 1986.

Campbell is extremely pleased with the successes to date of the School of Law. This spring's graduating class numbered 87 and although there has been a decline in admissions nationwide, Campbell's enrollment has remained stable. Recently, the School of Law received a major grant from the Legal Services Corporation to fund an elderlaw clinical project, the first hospice assistance program in the nation.

Campbell's Century Fund Campaign raised over \$7.3 million last year, the biggest fund-raising year in the school's history. This brings the figure to \$34,844,603.25 for the seven-year goal. A significant contributor to the advancement effort was the fourth annual phonathon. Volunteer students, faculty, staff and friends of the university manned the phones and reached 10,446 alumni, raising \$248,835.

Several important additions have been made to the university. The Taylor Bott Rogers Fine Arts Center was completed and dedicated October 7, during Homecoming festivities. The University laundry burned on September 6, 1984, and a new structure to replace it has been completed. Campbell has also installed on its campus a new 300,000 gallon water tank of Hydropillar design.

Campbell held its 99th Commencement on May 6, in an outdoor ceremony highlighted with an address by Congressman Charles O. Whitley. The graduating class, numbering 567, was the largest in the school's history. Dr. Lloyd Elder, president of the Sunday School Board of the Southern Baptist Convention, delivered the Commencement Sermon on May 5. Dr. Elder was also awarded the honorary degree of Doctor of Humane Letters during the service. Three honorary doctorates were presented at the Commencement. Dr. John Tew, a leading neurosurgeon and Campbell alumnus of 1955, was awarded the degree of Doctor of Humane Letters; Boyce Brooks of Roxboro, a

noted pastor of many churches, was awarded the Doctor of Divinity degree; and Congressman Whitley received the Doctor of Laws degree.

Campbell University was saddened by the loss of several friends, former employees and benefactors during the past year. Dr. Alexander Roman Burkot, vice president and provost emeritus and a member of the staff and faculty for forty-nine years, died November 8, 1984. Mr. John T. Simpson, benefactor and friend of Campbell, died November 24, 1984. Mrs. K. M. Lloyd, a devoted friend of the university, died November 15, 1984. Mrs. Marjorie Borders Rhyne, benefactor and wife of Trustee Clyde Rhyne, died February 25, 1985. Mr. Wilton F. Walker, a member of our Board of Trustees, died February 5, 1985. Mrs. Mary Kivett Ragland, daughter of Z. T. Kivett for whom Kivett Building was named, died December 24, 1984. Mrs. Amanda Katherine Turlington, Campbell's first chairman of the Department of Home Economics, died March 3, 1985. Mr. William Walter Kitchin, brother of Presidential Board of Advisor member, Jack Kitchin, died January 25, 1985. Mr. Willard Hugh Edwards, benefactor and friend of Campbell, died March 26, 1985. Miss Ruth B. Johnson, a strong supporter and member of the Presidential Board of Advisors, died on January 25, 1985. The Reverend Howard Dawkins, a former trustee of the university, died April 7, 1985. Mr. Diffie Phillips, distinguished alumnus and benefactor, died June 19, 1985. Mr. J. D. Cave, a devoted friend and benefactor, died June 12, 1985.

At the close of the fiscal year ending May 31, 1985, the Vice President of Business reported Campbell's Capital Plant liabilities were as follows:

Campbell University has a net plant indebtedness of \$5,351,408.11. The major portion of this indebtedness is in the form of residence hall bond notes, and carries an interest rate of 2½ to 3 percent. The minor portion of the indebtedness, which is non-liquidating, carries an interest rate of 7½ to 12 percent. The present indebtedness, both self-liquidating and otherwise, constitutes no threat to the sound fiscal operation of Campbell University.

J. Leon Rumley, chairman, Board of Trustees  
Norman A. Wiggins, president

## Chowan College

The 138th year in the history of Chowan College was inaugurated with the President's Banquet—prelude to the annual Faculty/Staff Workshop—on Thursday, August 22. Featured speaker for the occasion was John T. Henley, President, North Carolina Association of Independent Colleges and Universities, Raleigh North Carolina. The two-day Workshop focused attention upon the theme "Maintaining Academic Excellence," with presentations by three members of the teaching faculty serving as springboard for faculty/staff discussion

groups related to the same topic. The completion of the registration process resulted in a matriculation for the Fall Term numbering 963. Further analysis of this total rendered the following results: sophomores and other returning students, 310; freshman and transfer students, 639; and "special students" (those enrolled for less than 12 credit hours and/or enrolled on an "audit" basis), 14. The full time equivalency enrollment (FTE) totalled 954.

Graduation Exercises on May 12, 1985, brought the academic year 1984-85 to a successful conclusion. The traditional baccalaureate sermon for the occasion was delivered by Dr. Ira D. Hudgins, Pastor Emeritus, Franklin Baptist Church, Franklin, Virginia. The Commencement Address was brought by Dr. Norman Adrian Wiggins, President, Campbell University, and current President, Baptist State Convention of North Carolina. Degrees and/or diplomas were awarded to one hundred fifty-seven (157) candidates for graduation. The entire year preceding had been characterized by various significant achievements—curricular and co-curricular—which are noted in the paragraphs below.

In terms of curriculum development, one new degree program was begun during the academic year, with one additional program approved for institution when deemed appropriate by the Administration of the College. In the former instance, an associate degree program was inaugurated in Business Administration (Computer Information Systems), including twenty (20) semester hours of required course instruction in introduction, analysis, design, and the "languages" used in programming computer systems. In the latter instance, trustee approval was granted for the offering of a two-year associate degree program and/or a three-year diploma program in Commercial Art, utilizing the teaching/laboratory skills and expertise of both the Division of Art and the Department of Graphic Communications. Neither of these two curricula will necessitate the employment of additional faculty personnel at present.

The completion of the Horner Graphic Communications Center and the renovation/expansion of Green Hall (Visual Arts) have now placed the college in a position of having no immediate need for construction of additional facilities. For the foreseeable future, it is anticipated that capital needs expenditures will be directed towards modernization, up-grading, and preventive maintenance projects related to existing campus structures and facilities. Accordingly, a project designed to modernize Simons Hall (a residence hall for male students) occupied much of the attention of the college's maintenance staff throughout much of the Spring-Summer of 1985, with that project completed in time for the opening of the Fall Semester in August, 1985. Completion of this renovation project leaves only one major campus building which is not yet air conditioned. It is anticipated that this facility (Jenkins Residence Hall for Women) will undergo similar modernization/renovation during the Spring-Summer of 1986.

Virtual attainment of those facilities—academic, residential, and co-curricular—which are necessary to the maintenance of the kind of educational program which the College envisions and to which she is

committed has now freed the Trustees and the Administration to direct more specific attention to another kind of developmental goal: namely, the securing of resources needed to insure appropriate faculty development and adequate institutional resources desired for student financial aid. In this regard, the Board of Trustees earlier authorized the consulting firm of Marts and Lundy, Inc., Lyndhurst, New Jersey, to conduct a feasibility study relative to the prospects of conducting a successful development campaign, aimed at the realization of these—and related—objectives or goals. A report on that feasibility study, with recommendations regarding such a campaign effort, has now been received and approved by the Board of Trustees. It is anticipated that appropriate committees will work throughout much of fiscal 1985-86 developing the case for such a campaign effort and engaging in preliminary solicitation efforts, prior to any public announcement.

In addition to recognition which the college continues to enjoy as one of the top two-year colleges in the nation, academically, 1984-85 brought further national recognition to the institution through athletic endeavors. The women's varsity basketball team participated in the National Junior College Athletic Association National Tournament in Senatobia, Mississippi, advancing to the second round in that tournament before being eliminated from further competition. This marked the first time in the history of the school that a women's athletic squad had advanced to national tournament competition, and the second successive year in which one of the school's athletic teams has competed in a national tournament. The determination to do everything possible to strengthen all aspects of the educational experience at Chowan—curricular and co-curricular—will be pursued, in the belief that quality in each will serve to enhance the quality of all.

Current net indebtedness on the physical plant stood at \$272,770.00 as of July 31, 1985. It might be noted that this represents a decrease in net indebtedness of slightly more than \$1,000,000.00 over the comparable report in July, 1984. Such a sharp reduction in indebtedness was made possible by the decision of the Board of Trustees to pay-in-full the amounts still outstanding on certain long term loans, using accumulated sinking fund reserves for that purpose. Moreover, debt retirement on the remaining long term, low interest loans by which certain campus facilities have been constructed is on—or ahead of—the required payment schedule.

Cooperative ministries or programs were conducted, jointly, during 1984-85 with various divisions/departments of the Baptist State Convention of North Carolina. Among those divisions/departments who assisted with the sponsorship of programs or emphases were the Council on Christian Higher Education; Youth and Campus Ministries (BSU and related ministries); Church Programs (January Bible Study Institute); Missions (Royal Ambassador emphasis, Baptist Resource Center); and Cooperative Ministries. The geographical location of the college, together with her facilities for the accommodation of both large and small gatherings, makes the campus an admirable setting for seminars/conferences/rallies designed to serve the interests and

needs of church constituencies in the eastern Piedmont and Coastal Plains regions of the State.

Finally, both the college community and the general cause of Christian higher education have suffered the loss of particularly devoted friends and supporters during the course of the past year, as follows: Mrs. William C. (Lessie) Roberts, late of Rolesville, trustee (1968-71, 1973-76), who died on December 26, 1984; Elwood W. Parker, late of Murfreesboro and Indian Lake Estates, Florida, trustee (1947-49), advisor (1927-85), who died on February 15, 1985; Miss Arelia Ruth Adams, late of Holly Springs, college bursar (1952-70), who died on April 12, 1985; John William Sledge, late of Oak City, trustee (1979-82), who died on April 23, 1985; and Mrs. Frances White Coleman, late of Boykins, Virginia, Professor of English and Religion (1953-68), who died on June 2, 1985.

# Gardner-Webb College

Entering its 80th year, Gardner-Webb College continues its commitment to providing liberal arts educational opportunities under distinctive Christian influences. This fall a total of 1815 students are enrolled at the College.

Three new academic programs were begun last fall, giving students the opportunity to select courses leading to a bachelor's degree in communications, an associate's degree in interpreter training, or a bachelor's degree in either physical education or religion, with a concentration in church recreation.

Practical experience is an integral part of the communications studies program, as students who are interested in broadcasting are able to work at the College's 5000-watt FM radio station.

Gardner-Webb's Interpreter Training Program was initiated in the spring of 1983 with a grant from the Kate B. Reynolds Health Care Trust. The Program was expanded in the fall of 1984 by offering a variety of courses such as Advanced American Sign Language and Psycho-social Aspects of Deafness, providing students with a combination of theory and practical experience.

With the special support services provided by the College, such as interpreters and tutors, deaf students can participate in a wide variety of academic programs and extracurricular activities.

Like the College's Program for the Deaf, Gardner-Webb's Program for the Blind and Visually Impaired is the only program offered by a Baptist college that provides full support services to the blind.

In addition to making physical modifications to its campus such as labeling doors with Braille and large print, GardnerWebb is also meeting the mobility needs of blind students by providing an orientation and mobility specialist from the N.C. Division of Services for the Blind. Specialized equipment, such as Braille writers and talking computers have also been purchased for use by blind students.

Essential to the success of Gardner-Webb's programs for all students, including those with hearing, visual, or ambulatory handicaps, is job placement for its graduates. The placement office, along with directors of the above special programs actively seeks job placement for students with handicaps, as well as employment opportunities while the students are still attending college.

In the field of church recreation, students seeking a degree will take a variety of courses such as "Outdoor Living," "Recreational Leadership" and "Organization and Administration of Church Recreation." Students must also take courses in first aid and religious education, and will be required to demonstrate competency in such areas as music and drama, games and sports, church administration, and communications.

Students at Gardner-Webb in 1985 have seen renovation begin on two key classroom buildings, Hamrick Hall and Elliott Hall, as well as several dormitories. Hamrick Hall, completed in 1925, is the oldest building on the Gardner-Webb campus and has been placed in the National Register of Historic Places. Upon completion of the renovation project, the building will house offices, classrooms, a computer center, student activity areas, and will be a prime location for public lectures, meetings, and social functions.

Elliott Hall, formerly known as Church Annex, was named in 1984 for Philip L. Elliott, the College's President from 1943 to 1961. Renovations were virtually completed on the building this summer with new windows, new roof, painting and carpeting. The redesigning of the front entrance, in the near future, will complete the project.

Two Gardner-Webb employees retired this year. Dr. Robert Abrams, Registrar, retired after having spent 23 years at Gardner-Webb. Dr. Arthur Nuhrah, Professor of History, retired after 16 years with the College.

The 1985 Spring Commencement services graduated 320 associate's, bachelor's, and master's candidates. Gardner-Webb alumna Linda Morrison Combs received the honorary degree, Doctor of Humanities. Also, former Dean and Professor of Social Sciences, James O. Terrell, was named Dean Emeritus.

In late Spring of 1985 the College also reported a record \$2,252,525 in gift income. Also, the College's "Getting Ready for Tomorrow" program for endowment and capital development entered its third year.

Gardner-Webb concluded the 1985 year with no operating deficits at the College. Total indebtedness of the College as of June 30, 1985 is \$1,475,447. The budget for the current academic year is \$11,314,320, an 11.4 percent increase over the 1984-85 budget.

Fall Convocation officially launched the beginning of the school year on August 29. Sara Ann Hobbs, Director, Division of Missions for

the Baptist State Convention, received the honorary degree, Doctor of Divinity.

# Mars Hill College

In May, 1985, President Fred B. Bentley reported to the trustees that "Of the nineteen years that I have been privileged to serve Mars Hill College, this has been one of the most enriching periods of my life." The college experienced an excellent summer with diverse programs offered through the regular summer school, the Continuing Education Program, and special institutes, workshops, and conferences. The fall semester got off to a good start with a stable enrollment, which reflected a much higher academic profile student. In October, notice was received from the Andrew W. Mellon Foundation that the college would be the recipient of a \$350,000 challenge grant for faculty renewal. Since October, college officials and trustees have been busy making contacts with corporations and foundations to generate the college portion of the match. By the end of the calendar year, 1984, more than \$100,000 had been generated, qualifying Mars Hill College for the first \$50,000 from the Foundation.

The second semester enrollment demonstrated the highest retention rate in recent history. Approximately 92% of the eligible students remained, thus giving the college increased stability. It is difficult to come to a "cause-effect" conclusion as to why this high retention rate, but it is believed that the higher profile student and the increased emphasis on academics within the athletic programs have led to these favorable numbers. Disciplinary problems during the year were also fewer in number.

There were many enrichment activities within the college year, such as the Visiting Artists and Lecturers Series, concerts, recitals, guest lecturers, and a large number of small group-faculty dialogue sessions. The community meetings continue to focus on topics critical to the college community. In September, the President gave an address entitled "A Call for Leadership." In October, Dr. C. Allen Laymon, Pastor of First Baptist Church, Wilmington, brought an address on "The Pilgrimage of Commitment." In November, Dr., David Smith, former College Campus Minister and now Southern Baptist missionary in South America, spoke on "God's Percentages." Dr. Samuel Proctor, a pastor from New York City, spoke on "Pluralism and Community in America" in the March meeting.

The Christian environment of the campus has been greatly enhanced through the joint efforts of the Campus Minister, Marie Bean, and the Director of the Center for Christian Education Ministries, Sue Fitzgerald. Regular chapel programs, Bible study, meetings of the Fellowship of Christian Athletes, revival teams, the

Staley Christian Lecture Series, and Outreach Ministries have touched virtually every aspect of college life.

One of the most challenging responsibilities of the college community was to seek the successor to Dr. Richard L. Hoffman, Vice President and Academic Dean for sixteen years. Following a sabbatical leave, he will return to teaching and administrative duties as Assistant to the President. After a nationwide search, we are pleased to announce the appointment of Dr. Donald Schmeltekopf, a graduate of Baylor University, Southeastern Baptist Theological Seminary, and Drew University. The entire Schmeltekopf family has strong Baptist ties, and he will add a new enthusiasm to the college family.

For the second year in a row, the college has demonstrated financial stability, completing the academic year with a slight excess of income over expenditures. Gifts from Baptist churches through the Cooperative Program totaled \$800,011. This, in large part, accounted for the financial stability of the college. We are truly grateful for our Baptist heritage, and for the Cooperative Program.

Total indebtedness of the college at the end of the year was \$2,948,127. Total assets exceed \$40 million.

As the academic year 1985-86 proceeds, there are many reasons for optimism. Mars Hill College has been richly blessed, especially with the leadership from the Board of Trustees.

# Meredith College

Meredith is only six years away from its centennial anniversary. In 1985, as much as at any time in its 94 years, the College can look to the future with optimism and confidence.

Despite a continuing move toward co-education, coupled with a dwindling population of college-age young people in the United States, Meredith is still healthy in the ideals of its founders, who decreed more than a century ago that the new Baptist school be for women and that it be of high quality academically. Enrollment is stable; the already-strong academic program has the added emphasis of a new honors curriculum; endowment and reserves continue to grow; and the purpose of the College includes the high aspiration of instilling in its students "a Christian attitude toward the whole life."

In May 1985, 328 women were awarded degrees: 118 Bachelor of Arts, 178 Bachelor of Science, 14 Bachelor of Music, 17 Master of Education, and 1 Master of Music. The total number of graduates included 40 who were older than the average 18 - 22-year old student. In August 1985, ten women completed requirements for the Master of Business Administration.

Enrollment for the fall of 1985 is 1,824, which represents full

182/Baptist State Convention

residence hall capacity plus a significant number of commuting students.

Meredith continues to expand its service to adult women in the area. Other methods of serving that constituency are through a re-entry program, in which special provisions are made for women 23 years old or older to begin a college education or to resume an interrupted one; through enrichment courses, and through professional certification programs.

In undergraduate studies, new majors have been added to the curriculum in social work, international studies, musical theater, theater, home economics concentrations, mathematics/computer science, piano pedagogy, and health sciences. The newest degree in the area of health sciences is a B.S. in Nursing offered by Meredith College in cooperation with the Medical Center of Duke University.

Meredith continues to expand its usage of computers in the various academic disciplines and administrative divisions, as well as to encourage personal usage of computers by the students in their rooms.

Looking ahead to future directions of the College, there has been a campus wide involvement in strategic planning, and a director of strategic planning has been appointed.

Now in its sixth year and ahead of schedule, the Visions Program for faculty enrichment, capital outlay, and general endowment has realized over three-fourths of its \$20 million goal. As a result of the program, the Mary E. Yarbrough Research Center was constructed and used for the first time during the summer of 1985, plans have been approved for a new art facility, several scholarships have been established, and the Board of Associates has made a commitment to securing the necessary funds to endow the chairmanship of the Department of Business and Economics at Meredith.

For the fiscal year ending June 30, 1985, Meredith's assets were \$34,102,000 and its indebtedness was \$3,804,000. Gifts, grants, and pledges for the same period totaled \$1,792,342, which figure included \$817,461.81 from the Cooperative Program. The support from North Carolina Baptists makes it possible for the College to minister to the educational needs of the young women of North Carolina and beyond at a reasonable financial level. The College was also proud that during the 1984-85 year, it received financial support from 46.6 percent of its alumnae.

Meredith regrets the loss during the past year of Dr. Mary E. Yarbrough, alumna, professor of chemistry at the College, 1929-72, chairman of the department, 1938-72, and assistant director of Cooperative Education, 1973-78; Mary Francis Craig Davis, alumna, friend, and trustee, 1972-December 1984; Jack A. Sneed, friend and trustee, 1967-May 1985.

# Wake Forest University

Now in the second half of its second century, Wake Forest University maintains its strong and continuing commitment to its Baptist heritage.

President Thomas K. Hearn, Jr. reflected that commitment in his 1984-85 annual report when he said, "Wake Forest has always stood for the freedom that is fundamental to the best expression of the Baptist faith. To my mind, and that of many others, Wake Forest represents the best in the Baptist tradition and must continue to do so."

Dear to the hearts of people at Wake Forest and to many University friends throughout the state is the William Louis Poteat Scholarship program. The scholarships are designed for North Carolina Baptist students and provide \$2,250 each year for four years for one student from each of the 11 Congressional districts. This splendid program provides the University with a core of some of the best young Baptist minds in the state and offers a positive contribution to the future life of the state.

A new and similar idea, equally indicative of Wake Forest's interest in Baptist life, is the Matthew T. Yates Scholarship Fund for children of missionaries of the Southern Baptist Convention. The program has been incorporated in the 1985-86 budget. Each student selected will receive a \$2,500 scholarship. Mathew Tyson Yates was an 1846 graduate of Wake Forest who became a "pioneering and distinguished missionary to China."

Cooperative Program gifts and those designated by the churches to Wake Forest for the 1984-85 fiscal year amounted to \$521,385. Total gifts to the University came to \$12,492,795. The endowment as of June 30, 1985 was \$145,635,654. The 1985-86 budget for the Reynolda campus (College, Graduate, Babcock and Law) is \$51,760,000 and for the Bowman Gray School of Medicine \$90,212,155 for a total of \$141,972,155.

Apart from the classroom there are many services and opportunities available to students. There are five campus ministers who provide counsel and offer opportunities for worship, growth and service in religious channels. The University Counseling Center advised over a third of the student body, and gave many, many hours to personal adjustment, study skills, reading improvement, pre-marital education, career development, and other areas of human growth which are so important, especially to those of college age. The Department of Student Affairs, of which the Counseling Center is a part, was responsible for a "wellness" program which focused on the physical, social, intellectual, spiritual, emotional and occupational phases of the life of the students. The Educational Planning and Placement Office assists students in their post-graduation plans. During the year this office had over 200 companies and agencies on campus for recruiting

purposes and within one year after graduation the class of 1984 had 96% of its members employed or engaged in further study.

Many of the services and extra-curricular activities for students are also available for the community at large. For example, the Artists Series, the Tocqueville Forum (eleven lectures this year on democracy and American foreign policy), the Samuel Robinson Lectures sponsored by the Department of Religion, the James Montgomery Hester Seminar, sponsored by the Philosophy Department, and the annual Pastors' School and Spring Preaching Conference sponsored by the Office of Denominational Relations.

The enrollment at the College for the 1985-86 school year is 3,347, at Babcock Graduate School of Management 272, at the Bowman Gray School of Medicine 430 (its allied health division has an additional 97 students), at the Law School 497, and at the graduate School 323, for a total of 4966 students.

The Bowman Gray/Baptist Hospital Medical Center has begun a \$120 million building program which will include two new buildings for patient care and a six-story addition to the research building. The full-time clinical faculty of the Bowman Gray School of Medicine has pledged \$10 million to the program.

The University was saddened by the untimely death of one of its trustees, Colin Stokes, as well as by the death of two of its longtime and gracious benefactors, Nancy Susan Reynolds, co-founder of the Z. Smith Reynolds Foundation, and Winifred Penn Babcock, a member of the board of directors of the Mary Reynolds Babcock Foundation. Both foundations are generous supporters of the university. The University also suffered the loss of Franklin R. Shirley, founder of the Department of Speech Communication and Theatre Arts and former mayor of Winston-Salem.

The University community is proud that Roy J. Smith, a 1953 graduate of Wake Forest, was elected General Secretary-Treasurer of the Convention. It was the privilege of the school to award the Doctor of Divinity degree to Harold Clark Bennett, Executive Secretary-Treasurer of the Southern Baptist Convention and a member of the class of 1949.

# Wingate College

Officially declaring the 1984-85 academic year open during the fall convocation, Dr. Paul R. Corts, college president, took note of why the college is what it is today:

"The words emblazoned on the college seal summarize the historic commitment of the college: faith, knowledge and service. Our Christian orientation, our determination for quality education, and our conviction to be active in

establishing God's Kingdom in the world are encapsulated in these three words—they embody the Wingate spirit."

1984-85 was a significant year in that the College received the approval of the Baptist State Convention to offer Masters level degree programs. A Master of Arts in education program was begun in June for teachers in early childhood, intermediate education, and middle grades.

Continuing its special commitment to international studies and global awareness, more than 200 students participated in the annual Winternational experience during the 1984-85 Christmas recess. Students chose destinations among London, Paris, Athens, and Rome. In addition, Wingate developed a new, three-week-long program in Ruschlikon, Switzerland. The program's home base in Ruschlikon will be the International Baptist Theological Seminary. Additionally, 18 students participated in the Wingate-in-London program during Fall 1984.

New degree programs in technology and allied health have been approved and will increase the level of service Wingate offers. The Bachelor of Technology (B.T.) degree is designed specifically for technical college graduates, and the Bachelor of Science (B.S.) degree in allied health is designed for students who have already developed technical competency in one of the health occupations. New majors have been developed in English (with or without certification to teach), chemistry, sociology, psychology, and computer information systems.

A highlight of the 1984-85 academic year came on February 5, 1985 when Jimmy Carter, the thirty-ninth president of the United States, arrived on campus. Mr. Carter's visit was made possible through the generosity of Mr. and Mrs. Harold C. Shirley of Monroe, N.C., who have established an endowed lectureship program. As this year's Shirley lecturer, former president Carter participated in a series of dialogues and lectures. Other prominent individuals and special programs on campus this past year included the Cotton Patch Gospel; Donald S. Sutherland, organist; the North Carolina Dance Theater; George K. Schweitzer, lecturer; Robert McDonald, pianist; Carolina Brass; Robert Short, author of *The Gospel According to Peanuts*; and The Honorable Jim Martin, Governor of North Carolina.

A milestone was passed on March 7 when the College received the largest gift in its history. Two grants totaling \$1,600,000 were received from the Charles A. Cannon Charitable Trusts No. One and No. Two. The funds are earmarked for the sports/recreational complex, renovation of Burris Hall, and the construction of a campus service center. These grants, coupled with the grants awarded in the spring of 1984, represent over \$3 million from the Cannon charitable interests within the past two years.

Ground breaking ceremonies were held on May 2 for the new \$3.5 million sports/recreational complex which will officially be named the Charles A. Cannon Complex.

After several months of intensive investigation into the advantages and disadvantages, the Board of Trustees authorized the College to initiate an intercollegiate football program. A head football coach

has been selected, and the College will have its first season of play in Fall 1986.

Significant honors have come to Wingate College students and organizations in the course of the year. Cheryl Barrineau and Stark Welch were named to the ten-women All-American basketball team in the small college division of the American Woman's Sports Federation. The Lady Bulldogs basketball team was ranked in the NAIA top 20 for six weeks and climbed as high as 13 in the ratings, the first-ever Wingate basketball team to enjoy a spot among the NAIA elite. Frank Pait, baseball player, was named to the first team NAIA All-American. Phil Nickell, a member of the golf team, captured Carolinas Conference and NAIA District 26 Medalist and Player of the Year honors and qualified for the NAIA national golf tournament. The College's student newspaper, *The Weekly Triangle*, won second place in national competition with other colleges and universities with an enrollment of 1000-1700.

Miss Helen Cowsert, professor of modern languages, retired at the end of the 1984-85 academic year after 44 years of teaching. The College community honored her for her Christian dedication. She was presented the Charles and Hazel Corts Award for Excellence in College Teaching as a part of the commencement exercises.

Commencement '85 saw 223 baccalaureate degrees and 23 associate degrees awarded to Wingate College students.

Approximately 2,000 donors made direct contributions to join with North Carolina Baptists who provided funds through the Cooperative Program to sustain Wingate's ministry. The College was able to operate on a balanced budget during 1984-85 and it continues to enjoy a position almost unique among the nation's private colleges in that it has no indebtedness and operates without use of borrowed funds. A great debt of gratitude is owed Baptists of North Carolina and other friends who have made it possible for the College to operate in this fashion.

# Christian Life and Public Affairs

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1984. The Council made available bulletin inserts, posters, world hunger calendars, and hunger banks, in addition to free offering envelopes.

## Christian Citizenship Education

The work of Christian Citizenship Education has focused on the 1985 session of the General Assembly, which convened in February and ran into July. As usual, money matters took center stage, with much time going into the preparation of the state's budget and into debate regarding tax reductions. In addition, the legislature dealt with significant issues affecting the environment, education, alcohol abuse, pornography, gambling, and day care. A major victory was won late in the session when the proposed state lottery died in the Senate. Proponents of the lottery promise to bring it up again in 1987. The Department continued to make legislative news available to Baptists through the Legislative Information Network, made up of nearly 900 people who received regular updates on issues facing the General Assembly. For the first time, summaries of L.I.N. materials were prepared and mailed to all pastors through the Pastor's Monthly Mailing. Some associations took advantage of the opportunity to have an Associational Day at the General Assembly, bringing a group of interested church members to Raleigh to see first-hand the work of the legislature.

World hunger continued to be a matter of great concern to many Baptists. The ongoing crisis of famine in Africa has stirred new awareness of the problems and new generosity in response. In 1984, for the first time, North Carolina Baptists gave a little more than one million dollars through Baptist channels to fight hunger. In 1985 giving is running ahead of 1984. Yet so much remains to be done. While millions face death in Ethiopia, Sudan, Mali, Mozambique, Chad, Niger, and Burkina Faso, our gifts still average less than one dollar per Baptist per year. Please be in prayer —for the millions facing hunger and starvation,

- for rain to relieve the African drought,
- for caregivers (missionaries and others) who seek to help,
- for ourselves, that our compassion may lead us to greater generosity.

J. George Reed, director

## Christian Family Life

A wide range of family life events was made available in 1985 through the Department of Christian Family Life. Six associational or church-wide Family Enrichment Conferences were highlighted by topics dealing with marriage and family relationships. These included areas of interest to single and senior adults as well as the various age-levels making up the church as a "family of families."

Three Marriage Enrichment Retreats were held in churches in which couples sought to "make good marriages better" through examining and experiencing the dynamics of their relationships, communication, handling conflict as well as the affirmation and celebration of their marriages. Also the annual three-day Clergy Couples Marriage Enrichment Retreat was held in January at Caraway. In August the four-day Basic Marriage Enrichment Leadership Training Workshop helped twelve couples to achieve accreditation in this vital area of "Strengthening the Family."

Two area-wide (approximately ten associations) Single Adult Seminars attended by some two hundred and twenty-five singles were led to consider such topics as "Developing Intimacy Skills;" "Self-awareness;" and "Our Journey to Wholeness." An Associational Leadership Conference was conducted.

The Director spoke at Better Homes Clubs, church night family emphases, family life revivals, as well as preaching on Christian family emphases in the churches. He spoke to Baptist Associations on ministering to families. Parenting workshops were conducted in a number of churches.

A major emphasis of the Department this year was to make available four Domestic Violence Conferences in which the Director offered leadership. Another key focus was family life specialist Roger Crook's leadership of three Divorce Adjustment Workshops held in each area of the state under the department's sponsorship.

Consultations by the director assisting associations, churches, and pastors in their crucial task of strengthening family life were offered. Two conferences for pastors' wives were underwritten by the department's budget.

Attendance by the Director at two planning meetings of the Family Ministry Department in Nashville and Houston will assist our churches in using the new parenting program, "Parenting by Grace" in 1986.

# Aging

Ministry with Senior Adults in North Carolina has experienced significant growth this year. Churches are becoming increasingly aware of the potential for ministry among older persons. Senior adult leaders received training in several workshops across the state and a number from North Carolina attended the National Seminar on Aging in Atlanta, Georgia in January. In addition, more than 100 pastors participated in the "Pastoring Older Individuals and Their Families" seminars held in April in four locations in the state.

Six conferences/retreats for senior adults were held at Caraway Baptist Conference Center with more than 800 persons in attendance.

The department continues to cooperate with the Christian Family Life Department in family enrichment conferences with sections for older persons.

Many churches observed senior adult emphasis day.

## Baptist Retirement Homes of North Carolina, Inc.

This past year has been one in which your Baptist Retirement Homes have been in a period of transition. William A. Poole retired in October, 1984 after more than 24 years of providing leadership to the Homes as president. Jack Hoyle has served as vice-president - interim director since August, 1984. A Trustee Search Committee is actively seeking a new president, and we anticipate an appointment later in 1985. A solid foundation on which to build was provided through the leadership of Jimmy Hayes and Bill Poole, and a new president will face many challenging opportunities in providing an enlarged program of ministries to our older adults.

Baptists of North Carolina have every right to be pleased with and proud of the ladies and gentlemen they elected to serve as trustees of the Retirement Homes. Much more is required of trustees when the agency they serve is without a chief executive, and they have responded to the challenge with excellent leadership through their officers, executive committee, and working committees. They have not only maintained and sought to improve the programs and services already in place, but have been seeking an answer to the future ministries of the Homes. Your Retirement Homes are in good hands, and you will be electing five new Trustees in November who will add strength to the leadership your Trustees provide.

Your Retirement Homes continue to serve older persons in five geographic locations in the state. The Hayes Home campus in Winston-Salem has all the services to qualify it as a Continuing Care Retirement Center. Independent living is available to 32 persons in eight duplex apartments. These apartments are located on the same grounds as the Hayes Retirement Home. The Hayes Home can accommodate 36 persons. The Health Care Unit, providing skilled and intermediate level nursing care, can serve 85 patients. These four levels of care at the same location provides a person whatever help he/she needs as long as he/she lives. Current plans call for the addition of a health care unit and apartments at the Western North Carolina Baptist Retirement Home site to qualify it as a Continuing Care Retirement Center. Presently residents of the Western North Carolina Home, Albermarle, Hamilton, and Yanceyville Homes must come to the Health Care Unit in Winston-Salem when nursing home care is needed. The Trustees are now studying the need for other Baptist Continuing Care Retirement Centers in other parts of the State.

Your mission gifts are vital to the Benevolent Care Ministry of the Retirement Homes. The total operating expenses of the Homes in the 1983-84 fiscal year amounted to \$3.3 million. Operating income (payments from residents and patients) amounted to \$2.1 million, leaving an unpaid balance of \$1.2 million. The Homes' share of your Cooperative Program dollar gift amounted to \$354,586. You gave the Home through your gifts to the North Carolina Missions Offering another \$337,901, or a combined total of \$692,487. These gifts were applied to the \$1.2 million deficit, and left an unpaid balance of approximately \$450,000. All other income the Homes received was applied to this deficit. These figures illustrate how important your gifts are to the ministries of the Homes and also point up the need for those gifts to be increased by some \$400,000. Without your gifts of \$692,487 last year, the Homes would not have been able to provide care to 120 residents. They and we thank you for your compassionate support.

A recent survey revealed that 101,925 persons over age 60 are now enrolled in the Sunday Schools of Baptist churches in North Carolina. We know that the older age group in our society is growing at a rapid rate. The need for adequate retirement and health care facilities for this growing population of older persons is well known. In addition, a wide range of services to older persons in their own homes must be developed. These growing needs provide Baptists of North Carolina a tremendous challenge and a great opportunity for enlarged and improved ministries to older adults. The Retirement Homes, as an arm of the church, can now serve 286 persons. Many others are asking and waiting to receive the care the Homes provide. The Lord has blessed this ministry through the years, and our hope and our dream is that we will let Him lead us as Baptists to provide in the future a greater and more effective ministry in His Name.

Jackson S. Hoyle, vice president - interim director

# Baptist Children's Homes of North Carolina, Inc.

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children, unwed mothers and their children; and the rendering of related services to their families. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid whenever possible, the placement of the child away from home.

During our 100th year of service, the trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

Services of the Baptist Children's Homes are delivered from eight Family Services Areas. Four are located on our campuses: Mills Home, Thomasville; Odum Home, Pembroke; Kennedy Memorial Home, Kinston and Broyhill Home, Clyde. The four additional area offices are in Charlotte, Raleigh, Hickory and Jacksonville. The placement of children as well as individual and family counseling are all within the scope of each Family Services Center.

The services rendered by the Children's Homes, which began November 11, 1885, include the following:

- Group Care: Mills Home, Thomasville; Kennedy Memorial Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Clyde.

- Nine Emergency Care Homes located on our campuses and in Forest City, Charlotte, High Point, Henderson, and Supply.

- Maternity Home, Asheville

- Therapeutic Camping, Cameron-Vass

- Foster Care Homes

- Child Development Center, Thomasville

With the Governor's proclamation of May 19, 1985 as "Baptist Children's Homes Day" in North Carolina, the centennial celebration was well on its way. Phil Young of Henderson was commissioned to write "Praise Book," a musical about children and families. The musical was performed by adult and children's choirs in 12 Baptist churches across the state. Dr. Alan Keith-Lucas wrote *A Hundred Years of Caring*, an updated history of the Homes. Baptists from across the state submitted their favorite recipes for a cookbook which was published this fall. In cooperation with the Convention's Communication Department, a new video, "100 Years of Caring," was released in February. Both the book and the video were underwritten

by the Broyhill Foundation. During May, June and July a 1,400 mile "Run for the Children," the longest in the history of North Carolina, allowed hundreds of people to participate in and celebrate the spirit of caring for children.

The Baptist Children's Homes' Proclamation Day was held on the Mills Home Campus on November 10, 1985. During the celebration ceremony, a time capsule was buried near the Mitchell Museum, the oldest standing facility used for child care in North Carolina. One of the final events of the Centennial will be a worship celebration on November 12, 1985 at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise and thanksgiving.

We are grateful to North Carolina Baptists for their faithfulness in this ministry as expressed through the financial support of the North Carolina Missions Offering and the Cooperative Program, as well as individual gifts from churches, friends and supporters. We commit ourselves anew to honor their trust and our noble heritage as we remain faithful to our mission of serving children and their families.

# North Carolina Baptist Hospital, Inc.

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with ultrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important

consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing program of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totaled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has an operating budget of \$124,187,316. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital \$566,307.24 in financial support through the Cooperative Program and \$374,237.77 through the North Carolina Missions Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at \$86,344,000.

# North Carolina Baptist Foundation, Incorporated

Among the more important objectives in life for the Christian should be the presentation of the Gospel of Jesus Christ to those who need to know and accept Him as Lord and Savior. One of the exciting aspects of being a Christian is to feel the joy that comes in serving Him now as well as having influence on others in the future.

Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our

lifespan and, secondly, through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes from knowing that a portion of their resources will be set aside in trusts to further the spread of the Gospel, in perpetuity. The Baptist Foundation provides the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Foundation to serve as trustee. These gifts totaled \$265,029.34. Additions and contributions to new and existing trusts totaled \$741,153 for the year. When maturity value of bonds in the invested portfolio is considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totaled \$10,930,279. Real estate holdings have an estimated value of \$4.478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totaled \$471,563 during 1984.

Investing of Foundation assets is carried out under the direction of the Board of Directors elected by the State Convention. Day to day management is given to the investments by two fiscal agents selected by the Board. Investment philosophy now used calls for maximum return with some internal growth. Throughout the 65 year history of the Baptist Foundation, its directors have taken seriously their fiduciary responsibilities as related to the trusts held as well as to the Convention.

Support of new church growth through trusts will receive increasing attention by the Convention in the immediate future. A variety of methods are available to North Carolina Baptists through Baptist Foundation. Information concerning these and other services of the Foundation is available by contacting the Foundation office at P.O. Box 1107, Cary, NC 27511-1107.

## Biblical Recorder

The first full year of operations for the state Baptist paper in the Biblical Recorder Building confirmed the efficiency and economy of operations anticipated when the building was constructed.

The Recorder moved into its own building July 18, 1984 at 232 W. Millbrook Road, Raleigh, and dedicated it debt-free October 9 of the same year. The generosity of so many North Carolina Baptists and other friends made it possible to dramatically reduce the cost of overhead operations through the debt-free building. The only costs for operation of the building are utilities, insurance and the condominium fee which provides for exterior insurance and maintenance, including landscaping. In recent years, the paper has paid between 11 and 15 thousand dollars annually for rented space.

196/Baptist State Convention

The savings in overhead costs have been plied into the cost of producing and mailing the paper. For the fourth consecutive year, the paper has not raised its subscription rates. Leadership of the paper feels the prices should be kept as low as possible to encourage churches to put the paper in the budget for the entire church family.

Circulation is stable with some degree of transition. The crisis in Southern Baptist life which the paper must report has caused some critics of the convention to become critics of the paper. Some subscriptions have been lost because of the *Recorder's* loyalty to the denomination and its leadership. Simultaneously, other churches which love and support the convention have enlarged their subscription lists in order for the people to have the best, single source of reliable information about the denomination.

A special introductory offer is now available for the church budget plan. The *Recorder* will put any church's mailing list into the subscription system for ninety (90) days free of charge and without any obligation other than that the congregation will discuss in a regular business session the matter of including the paper in the budget. Many churches have already used the free offer to introduce the paper to more of the members. Some have voted to put the paper in the budget even before the 90-day free offer goes into effect which enables the church to have 15 months of subscriptions for the price of 12 months. (The paper has forms and additional information to assist in obtaining the 90-day free offer for the church budget plan.)

The *Biblical Recorder* has a computer system and typesetting facilities equal if not superior to any state Baptist paper in the Southern Baptist Convention. The mailing list is maintained in an IBM Systems 36, giving the staff people complete control over it in the Recorder Building. Programming and print-out-time for the mailing labels is the shortest time in the *Recorder's* history. The high number of address changes in the subscription list requires at least three weeks for changes to take effect.

Telecommunications with Nashville, Atlanta and other key Baptist cities make possible fast and accurate news information for the paper. Also, the telecommunications link was completed this year between the Division of Communications at the Baptist Building in Cary and the paper's offices in Raleigh. In-house computers make it possible for the editors to write their stories and have them set without other staff persons having to set the type. All of these features have reduced cost of operations and improved efficiency.

The U.S. Postal Service announced in September that second class postage rates for non-profit publications, which would include some churches as well as state Baptist papers, would be increased more than 30 percent for the coming year. This creates an unusually heavy financial burden for the churches and the papers. For this reason, the *Recorder* is exceedingly grateful for accomplishments in the immediate past and the faithful support of its readers and subscribers. We request your continued prayer support and readership in the years ahead. In an ever changing world, Baptists need to be informed and the state Baptist paper remains the best single source of information as the North Carolina paper enters its 154th year.

# Historical Committee

The Historical Committee assisted the Jersey Baptist Church in the celebration of its 230th Anniversary on Sept. 14, 1985. Roy Smith, general secretary-treasurer, Baptist State Convention of North Carolina and a former pastor of the church, brought the main address. His message was so inspiring that many in the audience expressed a wish that it could be heard by the State Convention.

Members of the congregation presented a drama of the church's history written by the chairman of the Historical Committee; it was titled, *The Mirror of Our Past*. Their performance was a memorable experience. The first part memorialized the church's present involvement in missions in West Virginia as a partner in the North

198/Baptist State Convention

Carolina Baptist work with that state. Morris Hollifield, church pastor, has led the church in a splendid and successful effort. Other parts of the drama included a presentation of humorous events from the pastorate of Smith, a revival in the 1880s, church discipline, and the Regulator movement in which a member of Jersey Church, Benjamin Merrill, was hanged in 1771.

The last part covered a meeting between the first pastor of the church, John Gano, played by Roy Cantrell, and Elder Shubal Stearns, played by Manuel Cunnup. This episode explored the grounds for unity among Regular and Separate Baptists. A.L. Parker of Greensboro narrated the drama.

An address on women in ministry, "The Genius of Orthodoxy: Eldresses," was delivered by the chairman of the Committee.

Mrs A.L. Parker presided during the morning session.

In the afternoon session greetings from the Baptist State Convention were brought by Norman Wiggins, president of the Convention and of Campbell University. John Woodard, director of the Baptist Historical Collection at Wake Forest University, spoke on the subject of oral history and presented two video tapes, representing the first effort of the state convention to encourage churches to produce oral and visual records of their past. The tapes consisted of interviews of Forrest Feezor and Roy Smith. Jersey Church is Feezor's home church; from it he went forth to serve Baptists for many years. Due to ill health he was not able to be present. Both films were informative, entertaining, and inspiring.

Garland Hendricks spoke concerning his work, *Saints and Sinners*, a history of Jersey Church which he had written for the 200th anniversary of the congregation.

A photostat of Gano's signature was presented to Rev. Hollifield.

Members of the Communication Division of the State Convention videotaped the drama on Friday evening, Sept. 13, 1985. They also taped the addresses on Saturday morning.

The Historical Committee had its annual meeting on Friday afternoon, September 13, 1985, in Lexington. In his report concerning the Baptist Historical Collection at Wake Forest University Library, John Woodard stated that the collection is now the "official depository of the Woman's Missionary Union of North Carolina." He also pointed out that the collection is now using an IBM XT computer purchased with funds from the sale of indexes and an appropriation of \$2,000 from the Baptist State Convention. Current indexing for the volumes of the *Biblical Recorder* from 1858 and 1985 is being done. The volumes for 1857 and 1894 are waiting to be printed. Mr. Woodard and his staff continue to do a fine job in preserving and expanding the collection. Space is becoming a real problem.

James Smiley was unable to be present so that a report on the History of North Carolina Baptists from 1932-1976 was unavailable.

The Committee considered possible locations for future Heritage Festivals. Among those mentioned were the Western Convention site in Hendersonville, the 250th anniversary of the Shiloh Church in Chowan Association and the 200th anniversary of the Yadkin Association. A committee was appointed by the chairman to

investigate the possibilities, giving primary consideration to the Western Convention site and the Shiloh Church. The committee included A.T. Roberston, Jr., chairperson, Francis Eppley and Hugh Richardson. Another committee appointed consisted of John Woodward, chairperson, Kathryn Greene and P.M. Johnson. This committee will set up guidelines for selecting the best church history written each year to be recognized at the State Convention.

The Historical Committee voted to recognize churches beginning at their 150th anniversary and 25 year intervals thereafter. A certificate will be presented to the recipient at the Convention each year.

Special thanks were expressed to Mrs. A.L. Parker for chairing the program committee which worked with Jersey Church's committee on the project. Thanks were also expressed to Ruth Williams, administrative assistant of the State Convention, for her help in making the Historical Committee's work easier and more effective.

Thanks are due John Ray who was to present his film, *A Third Great Awakening*. Due to circumstances beyond his control, he could not give the showing. Thanks are also due Hugh Richardson, secretary of the Historical Committee, for his speedy response on providing the Chairman with minutes of the meeting.

James Willingham, Chairperson

## Cooperative Ministries Committee

The Cooperative Ministries Committee consists of eight members each from the General Baptist State Convention and the Baptist State Convention.

The purpose of the committee is to promote better relations between the two conventions and to explore ways in which the conventions, and churches from each convention, can cooperate more fully.

Our goals are to help our churches in dealing with racism, to reduce stereotyping, and to build positive self-images.

Russell L. Wimmer, co-chairman

Executive Committee of the General  
Board of the Baptist State Convention  
of North Carolina

We have examined the balance sheet of the Baptist State Convention of North Carolina as of December 31, 1985, and the related statements of changes in general fund balances, receipts and transfers by fund, activity of restricted reserve funds, income and expenses of General Board and Convention, and divisional summary departmental income and expenses of General Board and Convention, and education and social services institutions funds income, expenses, distributions, and fund balances for the year then ended. Except as explained in the first two sentences of the following paragraph, our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The funds shown as sent direct on the statement of receipts and transfers by funds, were taken from reports received by the Convention and were not otherwise verified by us. Our examination as detailed by Note 3 was, in some instances, limited to recorded receipts. The statements presented in this report are, in our opinion, in accord with generally accepted accounting principles and with statements prepared on the accrual basis, except for differences explained in Note 1 relating to income, expenses, and depreciation. Additions to fixed assets are recorded at cost; dispositions of fixed assets are deleted from fixed asset accounts to the extent known; and provision is not made for depreciation (Notes 1 and 2).

In our opinion, except for the effects of the matters referred to in the preceding paragraph, the aforementioned financial statements present fairly the financial position of the Baptist State Convention of North Carolina at December 31, 1985, and the results of its operations and the changes in fund balances for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The financial information presented in Schedules 1 and 2 has been subjected to the same auditing procedures that were applied for the aforementioned financial statements. In our opinion, it is fairly presented in all material respects in relation to the financial statements taken as a whole, although it is not necessary for a fair presentation of the financial position and the results of operations of the Convention.

The accompanying notes are an integral part of these financial statements.

BAPTIST STATE CONVENTION OF NORTH CAROLINA  
Notes to Financial Statements  
December 31, 1985

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Convention is on a modified cash basis and adheres to the principle of fund accounting. The financial statements presented in this report are in accord with generally accepted accounting principles, and agree materially with financial statements prepared on an accrual basis, with the following differences:

- (a) Income is recorded as received in cash because it is not generally susceptible to accrual.
- (b) Expenditures for inventory type items, prepaid expenses, and new fixed asset outlays are recorded as expenses in the account in which originally budgeted when paid.
- (c) There is no provision for depreciation of fixed assets.
- (d) Interest on long-term debt is recorded when paid and charged to a budgeted account.

Financial transactions are controlled by a Convention passed budget and accounted for within budgetary accounts. Distributions of income to Southern Baptist Convention areas or accounts and other external recipients are charged to the same period as the income. Salaries are expensed as paid; however, payment dates always correspond to the period in which salaries are earned. Other policies are described below:

- (a) Notes and accounts receivable not involving income accruals are recorded.
- (b) In a few instances, inventories and prepaid expenses at year end are recorded at cost in asset accounts. Amounts in this category are not material and are recorded to conform to budget procedures.
- (c) Investments are recorded at cost. Earnings thereon are added to the investing fund.
- (d) Purchases of fixed assets and improvements are charged to operating expenses as they are paid. The assets are also recorded at cost in the fixed assets accounts of the general fund, and credited to the fund balance.

BAPTIST STATE CONVENTION OF NORTH CAROLINA  
Notes to Financial Statements  
December 31, 1985

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

(d) (Continued)

No consideration is given to depreciation. Leasehold costs are amortized over the life of the leaseholds or extension thereof. Real estate disposed of is deleted from the fixed asset accounts at the time of disposition. Personal property is also deleted from the fixed asset accounts when disposed of if complete information is available.

With the exception of the Baptist Building, detailed subsidiary ledgers are not maintained. A subsidiary ledger for furniture and equipment within the Baptist Building has been compiled, and will be maintained on a current basis. In some instances, equipment is acquired through a capital lease; generally accepted accounting principles dictate that the equipment should be added to fixed assets and a corresponding liability recorded. The leases involved are not material to the statements and their current lease cost has been recorded only as a budgeted expense item.

- (e) Current unpaid expenses are not accrued and do not involve an expense accounts payable account. As a practical matter, at the end of the year most creditors will have been paid up-to-date and the unpaid amounts are not material to the statements. Long-term notes and other liabilities not previously referred to in this paragraph are recorded on the Convention books and appear on the balance sheet. Interest expense on debt is recognized in the period paid.
- (f) The Convention contributes to retirement plans for its own employees and shares in the cost of plans of ministers and employees of participating Baptist churches in North Carolina. All such costs are charged to operations in the year paid. The retirement plans are administered by the Annuity Board of the Southern Baptist Convention. Required contributions by the Convention for 1985, as determined by the Annuity Board, were \$931,717.

BAPTIST STATE CONVENTION OF NORTH CAROLINA  
Notes to Financial Statements  
December 31, 1985

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

(g) The Convention routinely receives contributions designated for specific uses. From time to time, the Convention or General Board designates certain funds for special purposes. All designations are recorded in restricted fund accounts so that charges to the accounts can be restricted to the designated purposes.

(h) The Convention is a tax-exempt organization and does not, therefore, have to account for income taxes.

2. DEPRECIATION:

Fixed assets are valued at accumulated costs for prior years, plus costs of additions for the current year, reduced by dispositions when ascertainable, and with no consideration given to depreciation. As a result, the values do not reflect depreciated costs, or net costs where complete information on dispositions has not been known.

3. FUNDS SENT DIRECT AND RECORDED RECEIPTS:

The funds shown as sent direct on the Statement of Receipts and Transfers by Fund, were taken from reports received by the Convention and were not otherwise verified by us. As a routine procedure, funds are received by the Convention business office from various departments within the Convention covering registration fees, miscellaneous sales, expense reimbursements and other such items. Our examination of these items was limited to receipts as recorded in the business office receipts books. Our examination of receipts for the North Carolina Baptist Assembly, the Fruitland Baptist Bible Institute and Caraway Baptist Conference Center and Camp was limited to amounts recorded in pre-numbered receipt books and did not include reconciliations to separate records of registrations, enrollments, and attendance.

4. NOTES AND BONDS RECEIVABLE - CHURCHES:

Notes receivable resulting from loans to churches bear low interest at varying rates and are secured by deeds of trust. Loan provisions generally require repayment over a period ranging from three to ten years according to terms of the individual notes.

Notes to Financial Statements  
December 31, 1985

4. NOTES AND BONDS RECEIVABLE - CHURCHES: (Continued)

Bonds receivable consist of investments in church bonds with interest compounded semi-annually until maturity. All are first mortgage bonds. They are as follows:

| <u>Bonds Issued By</u>                                | <u>Interest<br/>Rate</u> | <u>Date<br/>Issued</u> | <u>Maturity<br/>Date</u> | <u>Face Value<br/>at Year-End</u> |

5. OTHER NOTES RECEIVABLE:

The note receivable from Caswell Water Systems, Inc. for \$21,000 is a noninterest-bearing demand note. In 1969, Caswell Water Systems, Inc. was set up as a non-profit corporation to purchase and operate the water system supplying water for the North Carolina Baptist Assembly. The loan, originally in the amount of \$25,000, from the Convention to Caswell Water Systems, Inc. was made for the purpose of providing funds for the purchase of the water system, related property, and expenses connected therewith.

6. RESTRICTED RESERVE FUNDS:

Restricted reserve fund balances as reflected by Exhibit D amounted to \$1,892,000 at December 31, 1985. These funds have been reserved for specific uses due to action of the General Board or Convention, or, in some instances, due to a designation accompanying the funds upon receipt.

7. CONVENTION RESERVE:

The Convention (1976 Annual Session), recognizing the need for reserves to meet emergencies or decreased income, made provision for the establishment of a reserve fund as early as feasible. Therefore, during the year 1978, the Convention Emergency Fund reserve was set up. The fund is being invested by the Baptist Foundation.

8. UNPROVIDED FOR (NOT BUDGETED OR FUNDED) CAPITAL COSTS:  
(Continued)

The unprovided for costs at Fruitland Baptist Bible Institute were for the new cafeteria building and the new dormitory. The cafeteria was approved in May, 1978 by the Executive Committee. The dormitory was approved on April 7, 1981 by the Executive Committee. The Convention, in session in November, 1981, authorized borrowings of \$333,576 for Fruitland additions to be repaid within three years by payments on pledges and, if necessary, by budget allocations in 1983, 1984 and 1985. In November, 1982, the Convention authorized the Executive Committee to borrow \$489,000 for Fruitland Baptist Bible Institute with the understanding that the balance of outstanding pledges would be applied when received, and that the balance would be repaid by budget allocations during the years 1983 - 1987. Unprovided for costs at December 31, 1985 were \$122,512.

The purchase of an IBM Systems computer was authorized by the Executive Committee on October 14, 1980. The computer costs amounted to \$225,839, and at December 31, 1985, the unprovided for costs were \$119,246.

The 1981 Convention, in the November session, approved the sale of the Baptist Building at 301 Hillsborough Street, Raleigh, and the construction of a new one at a cost of not more than \$750,000 above the proceeds from the sale of the Raleigh building and any gifts received. In early 1982, the Executive Committee approved a contract to sell the Baptist Building in Raleigh and to construct a new building on a Cary site. The new building in Cary was occupied in December 1982. The Convention in November, 1982 authorized the Executive Committee to borrow as needed up to \$280,000. At December 31, 1985, no borrowing had taken place, and the unprovided for costs amounted to \$127,954.

On March 8, 1983, the Executive Committee approved a plan to add a new wing to the Caraway Baptist Conference Center and Camp. The cost was projected to be approximately \$600,000, and to the extent possible, it would be financed "on a pay-as-you-go basis with the exception of borrowing on a two-year period which is within the authority granted to the General Board". The Convention would act as its own contractor. Unprovided for costs at December 31, 1985 were \$153,932.
